There are three graduation plan options. Students develop and/or update graduation plans every year during the Course Selection process. The default graduation plan in FBISD is the Distinguished Level of Achievement (DLA). In order to be considered for the "Top Ten Percent Automatic Admission Program" in Texas state public institutions, students must graduate Distinguished. Students who choose to move to the Foundation Plan (22 credits) must wait until they complete their 10th grade year and have parent/guardian permission in writing. Students and parents are responsible for enrolling in, and monitoring the successful completion of courses required for graduation. Students must enter this four year course plan in Naviance in Family Connection (click Course Tab→Manage My Course Plans→New Plan OR Your Current Plan to edit an existing Course Plan).

There are three graduation plan options. Students develop and/or update graduation plans every year during the Course Selection period or Pre-Registration Period. FBISD urges completion of either the Foundation Plus Endorsements or the Distinguished Level of Achievement Plan. Ultimately, it is the students' and parents' responsibility to decide on a graduation option that best meets the student's needs and maximizes opportunities after high school. Students are automatically placed on the Foundation Plus Endorsements Graduation Plan. Students who choose to move from the Foundation Plus Endorsements Program to the Foundation Plan must wait until they complete their 10th grade year and have parent/guardian permission in writing.
