Advanced Academics (AAC)

Consider the following before signing up for advanced courses:

- Do I want to devote more time and energy to this course?
- Am I really motivated by the subject?
- What are my long-term goals? (future AP courses)
- Do I know what to do if I fall behind in my work because the pacing is faster?
- Would my current teacher of this subject recommend this for me?

*** Please Note: Gifted and Talented students are expected to enroll in AAC courses for the areas they are identified as GT. Students may be furloughed from GT or exited if they are not enrolled in AAC courses.**

Grade 7 Course Selection - Electives

Electives: Number elective choices in order of preference: 1, 2, 3, 4. Use all four numbers. Spaces in some electives are limited. A reading and/or math intervention class may be assigned in place of an elective if 6th grade STAAR scores indicate a need for extra support.

What Grade 6 Elective did you take? _____

The only electives offered at FSMS for 7th grade are listed on this sheet.

Please number electives in order of preference. Please list four

Interpersonal Studies (.5 high school credit, Spring only)

- Examines how relationships between individuals and among family members affect the quality of life
- Learn principles of personal development, decision-making, family life cycle, and stress management through hands-on projects
- Investigate roles and influence of technology on relationships
- Consumer roles, decision-making, rights & responsibilities and personal hygiene

Technology Applications Electives Overview

Robotics and Engineering I

- Problem-based, hands-on; utilize the Engineering Design Process
- Computational thinking, machines, force and motion, basic circuitry, electricity, energy transformations, and rocketry

Specialized Electives Overview

Contest Math

- Testing required to enroll
- Prepare and participate in Math Counts, UIL Number Sense, and Texas Mathematics League

Teen Leadership

- Leadership skills
- Conflict resolution
- Tolerance
- Communication skills

Introduction to Broadcasting

- Basic graphic design
- Video and audio production techniques
- Creating, editing, and directing videos for school-wide communications

High School Credit Courses offered at FSMS

Algebra I AAC

Geometry AAC

Biology AAC

Touch System Data Entry

Dollars and Sense

Lifetime Nutrition and Wellness

Interpersonal Studies

All HS credit courses, whether it is a core class or an elective, AND whether you pass it or fail it, **will be recorded on your high school transcript.**

If you are not motivated or prepared to do high school level work, do not take it. It will affect your Grade Point Average.

SCHEDULE

CHANGES

Schedule Corrections/Changes

- In the early spring of each school year, students are given the opportunity to choose courses after having met with their counselor for an informational session.
- In March, students are given an opportunity to verify their course request in Skyward Family Access.
- After that time the Master Schedule is developed. The student course requests are used to make decisions about the number of sections of each course.
- Therefore, after the Master Schedule has been created, there are very few slots available to accommodate late request for changes.

- In order to maintain balance of classroom numbers and minimize disruptions, schedule changes will be made for the following reasons.
 - A student has already taken a class in which they are currently scheduled.
 - A male has been scheduled into a female PE/Athletics, or vice versa.
 - A student is in a class for which they do not have the appropriate prerequisite (i.e., enrolled in Spanish II and has not taken Spanish I).

A student requiring a schedule correction must complete a Schedule Change Request Form and submit it to their counselor. The deadline for all schedule corrections is 9 days after the start of each semester.

In general, elective change requests will not be honored. However, if a student is trying to move from a regular elective into an extracurricular program (i.e., band, choir, and athletics) the request for the change will be considered but must be initiated by the coach/program director.

Skyward Family Access Course Input

Students will complete course requests, endorsements, and career plans for the next school year online through **Family Access**.

Begin by clicking Skyward - **Family Access**, located at the bottom of your screen.

Then click on **Login to Family Access**

When the login screen opens, the students will type in their login and password, and click on the **Sign In**. *You will use your **student network login and password that you use at school**.*

SKYWARD FAMILY ACCESS

[Forgot your Login/Password?](#)

Skyward Family Access Course Input

When students log into Student Access, helpful district links are located on the top right. The High School and Middle School planning guides are available online if you have a question about a course.

COURSE REQUEST

To access the Course Request link for the next school year:

- Click **Schedules**
- Click on the link Request Courses for xxxx-xxxx (future school year) in your next year school to start the process.

Skyward Family Access Course Input

The **Available Courses** list is in alphabetical order on the left. Scroll down the list and highlight a course to request. After highlighting the course, click **Add Course**. The requested course then moves to the Selected Course column on the right side. Middle School students transitioning into high school for the next school year will need to review the **Total Credits** field to determine the number of courses selected. Your school will give you the appropriate number of courses to select.
