

Elkins High School

..... February 9

8TH GRADE COURSE SELECTION NIGHT

STEM

**Business/
Industry**

**Public
Service**

**Arts &
Humanities**

Multi Studies

Students and Families are invited to attend the EHS 8th grade Course Selection Night on February 9th. This is a great opportunity to learn about the different endorsements and programs that are offered 9th grade year. Parents are encouraged to join our counselor presentation to get an overview of graduation plans and the course selection process. Families are then able to join as many course presentations as they like. Click on the shared document link below to access all class and club meetings.
