

Dear Parents,

Student textbook checkout will be optional for **most** classes. A majority of core and elective courses have online versions of their books available for student use. Teachers in these classes will all have class sets for students to use in the classroom. If your student does not have computer access or otherwise feels a book is necessary, you may choose to have the books issued to them.

Along with the benefits of having your own set of books will also come great responsibility. Your student will be required to take great care of their textbooks. Lost, stolen, or damaged books will be your financial responsibility. The cost of each textbook differs and can range from \$40 - \$200. Damage can include water damage, writing on the pages, torn pages, etc. **State law requires** that all textbooks be kept covered at all times.

In order to check out books for your student, please complete the bottom portion of this letter and deliver to Office 107. Students or parents may drop these letters off at any time throughout the day.

Thank you,

Scott Campbell
