2021-2022 Program/Course Proposal Submissions Now Accepted

Thank you for your interest in submitting a course proposal for the 2021-2022 school year. In Fort Bend ISD, we strive to inspire and equip all students to pursue futures beyond what they can imagine. One of the ways we accomplish this mission is through regularly reviewing and approving courses to broaden student learning.

Please use the link below to submit your program/course proposal:

In the proposal submission, you will need to confirm that you have:

- Received approval from your campus principal to submit the proposal or indicate you are a campus principal, curriculum director or coordinator. You will be required to upload a signed approval page during the online submission process.
- Met with your district curriculum coordinator to discuss considerations for offering the proposed course including, but not limited to feasibility, textbook or other materials, and budget.

For additional information regarding the course approval process, please contact the SEL and Enrichment Programs Department.

For additional questions regarding your proposed course, please contact your district curriculum coordinator.
