Destination Imagination is the ultimate tournament for creativity! Students solve challenges, building and using important life skills, including creativity, brainstorming, cooperation, organization, planning, communication, and writing. At Global Finals, the best teams from around the world enter their unique solutions and face off with other teams, putting their solutions to the test. This competition helps students see what's possible by interacting with youth from all parts of the globe, from all walks of life, raising the quality of their creative thinking and teamwork....together.
