FORT BEND ISD

FBISD’s Core Beliefs and Commitments, Mission, Vision, District Goals and Priorities and the Profile of a Graduate, are approved by the Board, and guide all decision-making efforts in order to benefit each child in Fort Bend ISD.

DR. MARC SMITH

As Superintendent of Fort Bend ISD, Dr. Marc Smith brings over 30 years of experience grounded in one core belief: every student deserves the opportunity to thrive, regardless of their background or circumstances. His leadership is centered on removing barriers, expanding access, and creating environments where all students can succeed.

Dr. Smith understands that educating the whole child requires more than classrooms and curriculum—it requires resources, partnerships, and community support. That’s why he supports innovative efforts like Enterprise Funds, which generate additional revenue through sponsorships, advertising, and partnerships. These funds help supplement district initiatives, enhance student programs, and create new opportunities without placing additional burdens on taxpayers.

Guided by a strong commitment to student success and equal access for all families, Dr. Smith leads with purpose—ensuring that every child in Fort Bend ISD has the tools, opportunities, and support needed to thrive today and into the future.
