

Approved Food Truck Vendor List

All food truck approvals are valid for 1 year. Food trucks are required to submit the \$50 non-refundable vendor fee annually.
Valid insurance & permits are required to participate in any FBISD event, even if the truck is already on the approved list.
Until a better system is created to keep up with valid insurance and permits, please check-in with Cris Armijo @x41802

CAMPUSES:

1. Check for approved food trucks that have permits where your school is located
 - If you don't see a food truck in your area that interests you, check other approved food trucks on the list
 - If you find one that's not listed in your area you can still invite them to your event. **They MUST obtain the proper permit to operate in that area.**
2. If the approved food truck vendor you select is not in your area and will participate in your event, please send required permit from the food truck vendor to cris.armijo@fortbendisd.com for documentation purposes.
3. **All food truck vendors must have proper permits for the area they are participating in or they can be shut down by that jurisdiction's health inspectors.**
