When the college/university asks for your TSI Assessment test location, you MUST enter both **Fort Bend ISD** AND **your high school name.** Do NOT leave out Fort Bend ISD or your college will not be able to find your scores.

If the college or university asks for your high school ID do not give your six digit FBISD ID, give the long ten-digit IDnumber that was written on your Understanding the TSI Scores document. If it asks for a Supplemental ID #, this would be your FBISD ID#. But the ID they will need to locate your scores is the long, ten-digit ID.
