

Welcome

I am Mrs. Booker-Brown, and I will be your child's 7th grade science teacher this year.

This is my 1st year at Crockett Middle School, but I have been in Fort Bend teaching various subjects and levels for 9 years.

I am looking forward to this new experience, and I cannot wait to see what this year has in store for us.

A Little About Me

I was born and raised in Houston, Tx, and I am proud to say that I am a product of FBISD.

After graduating high school, I attended and received my degree from the University of Houston. Go Coogs!

My husband and I have two wonderful sons.

In my free time I love learning, traveling, shopping, spending quality time with family, and binge-watching shows on various programs.

"I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel."
