Motto

"I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel."

-Dr. Maya Angelou

I am Mrs. Booker-Brown, and I will be your child's 7th grade science teacher this year. This will be my third year at Crockett Middle School, and I'm excited to continue inspiring a love for science in my students. I look forward to watching your young scientist grow in curiosity, confidence, and understanding. I can't wait to see all that we will discover together this year!

A Little about me

I was born and raised in Houston, Texas, and I'm proud to be a product of FBISD. After graduating high school, I earned my degree from the University of Houston—Go Coogs! My husband and I are blessed with two wonderful sons who keep life fun and full of adventure. In my free time, I enjoy learning new things, traveling, shopping, spending quality time with my family, and binge-watching my favorite shows.
