Parenting High Ability Children

May 13, 2016

6:30 pm – 7:30 pm
FBISD Administrative Annex
Main Auditorium
3119 Sweetwater Blvd

Raising a gifted child is both a joy and challenge. The home environment is critical in nurturing giftedness and instilling the values conducive to its full blossoming. Susan Winebrenner will offer practical information for interacting with gifted children at home, and provide an overview of the cluster model and its benefits for gifted learners.
