

September is
Attendance
Awareness
Month

*All students
can reach their
full potential
if students are
present and
actively
engaged.*

Don't Get Left Behind.

Come to school everyday
to be your best!

- Absenteeism and its ill effects start early. One in 10 kindergarten and first grade students are chronically absent.
- Poor attendance can influence whether children read proficiently by the end of third grade or are held back.
- By 6th grade, chronic absence becomes a leading indicator that a student will drop out of high school.
