

Fort Bend ISD

Middle School Cheerleading Handbook 2019-2020

This handbook becomes effective immediately for the tryout process in the Spring of 2019 and remains in effect for successful candidates throughout their tenure as 2019-2020 Cheerleaders.

MIDDLE SCHOOL CHEERLEADER HANDBOOK

I. PURPOSE

The purpose of cheerleading is to promote school spirit, develop a sense of good sportsmanship among students, support activities, encourage a sense of pride, and to establish good character expected of a middle school cheerleader in Fort Bend Independent School District.

II. COMPOSITION

Each school will have a cheerleader **squad of twelve (12) cheerleaders**, made up of seventh and eighth grade students. Cheerleader eligibility will be based on the FBISD cheerleader requirements and skills and a merit system to include conduct, grades and citizenship. The top 12 candidates will be selected, with no designated number, from either grade.

III. SELECTION PROCESS

A. Sponsors will verify eligibility. Cheerleaders must meet and maintain specific Texas Education Agency and Fort Bend Independent School District academic eligibility standards for each group. Candidates may not have received more than two failing nine weeks grades during the current school year, through the third nine weeks grade report. Students may not try out if they have a current “incomplete” in any course.

B. STUDENT CONDUCT

1. Student conduct in and out of the classroom must be commendable. An accumulation of two (2) or more “Unsatisfactory” or “Needs Improvements” during the current school year will cause a student to be ineligible for tryouts.
2. If a student has been a cheerleader during the current school year and was removed from the position due to an infraction of the conduct requirements, the student will be eligible to try out for the following year if the student, at the time of the tryout, meets all requirements.

C. Eligible candidates for cheerleading will try out during the fourth nine weeks of the school year before a minimum of three designated judges. **Certified cheerleading judges will be used.** The student body will not select cheerleaders.

D. Additional requirements:

1. At the time of tryouts, a student must be enrolled in the sixth or seventh grade at the school or K-6 feeder school for which tryouts are being held. During a year in which rezoning has occurred, students will be required to tryout for the new school in which they are zoned for the following year.
 2. The student must have completed and returned to the sponsor prior to the week of cheerleading training the following:
 - a) A release form signed by parent or guardian;
 - b) A permission slip explaining estimated expenses, policies and procedures, and other requirements signed by parent or guardian and returned to the sponsor before tryouts; and
 - c) A current physical examination report.
 3. A student must have presented the current report card to the coach/sponsor prior to the week of cheerleading training.
 4. A training clinic will be held by the coach/sponsor prior to tryouts. Candidates should make every effort to attend.
- E. All candidates must wear solid-colored shirt and shorts, void of any writing or symbols.
- F. Cheerleader candidates will be allowed to provide video for judges' evaluation if they are unable to perform all required activities due to injury. The candidate must provide a physician's letter explaining the specific injury and restrictions prior to beginning the try out. They must complete all aspects of the program not restricted by the injury and identified in the physician's letter. The video must not show candidates as current cheerleaders in any way.

IV. REQUIREMENTS/RESPONSIBILITIES

- A. All cheerleaders are expected to follow the code of conduct as outlined in the Fort Bend ISD Student Handbook, and as developed by campus sponsor/cheer coach with approval of the principal.
- B. Sponsor/Cheer coaches are responsible for enforcing the cheerleader discipline policy fairly to all cheerleaders.
- C. The Cheerleader Discipline Policy does not replace or supercede the Fort Bend ISD Discipline Management Plan or Extracurricular Handbook.

- D. These rules apply to all cheerleaders/mascots at all times during their elected term.
- E. The following rules of conduct for participants in FBISD school-sponsored extracurricular activities apply 24 hours a day, seven days per week, and fifty-two weeks per year:

Loss of privilege for one calendar year, then permanent removal for second offense

Selling or delivering marijuana, alcohol, a controlled substance, a dangerous drug, abuseable glue, aerosol paint, or any other mood-changing, mind altering, or behavior affecting drug is strictly prohibited and will result in elimination from further participation in all extracurricular activities for:

- **1st Offense**, one calendar year.
- **2nd Offense**, for the remainder of the student's school career.

Other Removals

The following infractions are strictly prohibited:

1. Using, possessing, or being under the influence of marijuana, a controlled substance, a dangerous drug, abuseable glue, aerosol paint, or any other mood-changing, mind altering, or behavior affecting drug;
2. Possessing, using or being under the influence of an alcoholic beverage;
3. Theft or stealing;
4. Engaging in lewd, disruptive, or other offensive conduct that affronts school district standards of propriety.

Upon the administration's determination that a FBISD student participating in a school-sponsored extracurricular activity or organization has violated any one of the four infractions enumerated above, at **Other Removals**, the student shall lose the privilege of further participation in that organization or activity as provided below:

- **1st Offense**: **10** hours of approved community service and **20** % suspension from active participation in any/all FBISD extracurricular activities. If the offense occurs when the student is not actively participating, the suspension shall apply beginning with the next period of participation following the offense. If the student is involved in more than one activity, the suspension shall apply to all activities concurrently. The student shall not serve more than one 20-day suspension for the first offense.
- **2nd Offense**: **20** hours of approved community service and **40** % suspension from active participation in any/all FBISD extracurricular activity. If the offense occurs when the student is not actively participating, the suspension shall

apply beginning with the next period of participation following the offense. If the student is involved in more than one activity, the suspension shall apply to all activities concurrently. The student shall not serve more than one 40-day suspension for the second offense.

- **3rd Offense:** the student shall be suspended from further participation for one calendar year.
- **4th Offense:** the student shall be eliminated from further participation in all activities for the remainder of his/her school career.

A student or parent may appeal the student's loss of extracurricular privileges through FBISD Board Policy FNG.

Notice: Participation in fundraising activities for an extracurricular activity does not guarantee selection for the team or extracurricular activity. An assignment to an athletics class does not ensure final selection onto any team.

V. CUMULATIVE 20 POINT DEMERIT SYSTEM

A. DEMERIT RECORD

1. The record will be established for all cheerleaders, both varsity and sub varsity.
2. The record will record infractions for the entire school year, as identified by the sponsor/cheer coach.
