

Accessing the Student Portal for STAAR Test Results

Go to: <https://www.texasassessment.com> On the FOR FAMILIES screen -

If you have your access code, enter the code and your child's birthdate and click "log in to student portal" to view scores. The access code does not change from year to year. If you have a prior year STAAR Report Card, the access code is in the bottom left of the inside page and back page in the blue bar.

Click on →Find My Unique Student Access Code if you don't have the code for your child.

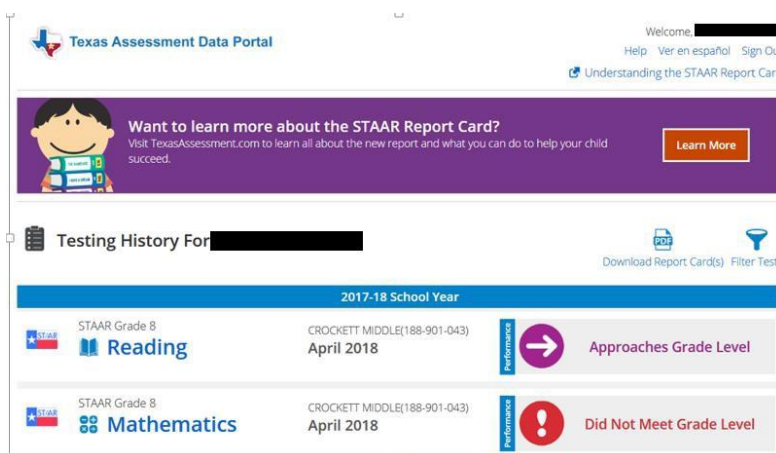

Enter:

- Student's First Name (first 10 characters)
- PEIMS ID (9 digit Social Security or State-assigned number. This is not their 6 digit Local ID)
- Date of Birth. Click "Go" button.

Lookup Student Access Code:

Your code will appear in the code field with a message saying, "Access Code Lookup Successful". Click the blue "Go" button again to see your child's scores. Be sure to write down your access code for future use. The code is good for as long as your child is in a public school in Texas.
