Registration: 03/01 - 03/10

Video Submission Deadline: 03/21

Submission Email: GTFBISD@FortBendisd.com

Virtual Showcase: 03/28

CHALLENGE OVERVIEW

INSTRUCTIONS: GT students will select one of the following activities to complete for the "Imagine, Innovate & Invent" challenge. Student must submit a short video sharing their final product.

CHALLENGE OPTIONS

- "Park Mania"** - Pretend you are a licensed landscape architect, you must design your dream amusement/playground park using recycled household materials. You must include at least 3 of your favorite park rides. Create a short video presenting your final product.
- "Sneak Peek"** - Pretend you are an author/producer, create a 3 minute book trailer which shares highlights from your favorite book. Keep in mind you want to convince your viewers this is a fantastic book to read!
- "Fun & Games"** - Pretend you are the ultimate gamer, create your own trivia game that can be played with at least 4 people. Create a short video presenting your final product.
- "Organ Art"** - Pretend you are an artist, create a model of a human body organ (solid or hollow) using recycled household materials. Create a short video presenting your final product.
