# Update your student's information online!

Beginning **August 1, 2018**, parents may visit *www.fortbendisd.com* and log in to Family Access to update their student's information forms. **Please note, these forms are required for all students both returning and new to Fort Bend ISD**.

The following forms may be filled out online:

1. **Student & Family Information Verification**
   Verify/update parent contact information and more.

2. **Medical Emergency Information**
   Provide names and contact information in case of an emergency.

3. **Parent and Student Consent Checklist**
   This checklist accompanies the Student Handbook and addresses the directory information, photo release and your child's digital citizenship.

4. **Military Connected Form**
   The Texas Legislature requires school districts to report the enrollment of students who have parents or guardians in the military.

5. **Helpful Parent Links**
