

2019-2020 FBISD College Level Dual Credit Course Crosswalk

FBISD offers separate opportunities for students to earn dual credit. Each program may have different requirements and course acceptance to higher education institutions may vary as well. Please consult with your school counselor on which option may be the best fit for your postsecondary plans.

Important Notes Regarding Dual Credit Courses

☛ *Dual Credit students have a choice between taking an Academic Core Curriculum Pathway or a Career and Technical Education Pathway and are not able to take courses in both pathways at the same time. The only exception to this are foreign language courses, which are allowable. Students in an approved Early College High School (ECHS) Program are exempt from this requirement.*

☛ *Courses are listed in order according to subject consistent with FBISD Course Catalog.*

☛ *All students taking dual credit courses need to select a certificate or degree pathway. This is inclusive of all dual credit students.*
