

Fort Bend has a new portal for accessing online textbooks and other digital resources! We are partnering with Clever to make access more efficient and manageable. The Clever portal puts online textbooks and other select digital resources at the user's fingertips, so that each user can access a personalized dashboard.

VERY IMPORTANT NOTE TO TEACHERS: Some applications require the teacher to assign resources to their students before the students will have access. Please follow all instructions provided from the vendor regarding setting up student resources.

Using the *Clever Portal*:

STEP	ACTION	VISUAL
1	<p>From CHROME, access the following URL:</p> <p>https://clever.com/in/fortbendisid</p>

4	<p><u>Dashboard</u></p> <ul style="list-style-type: none">• The next screen will display a dashboard of your available resources. In Clever, the resources are divided into two application categories:<ul style="list-style-type: none">○ Instant Login Applications○ More Apps	 <p>The screenshot shows the Clever dashboard interface. At the top right, the user's name 'Tina & JAY WILSON' is displayed. Below the header, there are two main sections: 'Instant Login Applications' and 'More Apps'. The 'Instant Login Applications' section contains icons for CEV and VISTA. The 'More Apps' section contains a grid of various educational application icons, including McGraw Hill Education, Discovery Education, and others. A red arrow points to the 'Listing of Apps' grid.</p>
5	<p><u>Instant Login Applications</u></p> <ul style="list-style-type: none">• If available, these apps are displayed on the top row of the user's dashboard.• Click on each app and the resource should launch automatically.	 <p>This screenshot is similar to the previous one but has a red arrow pointing specifically to the 'Instant Login Applications' section at the top of the dashboard.</p>
6	<p><u>More Apps</u></p> <ul style="list-style-type: none">• More Apps are applications listed on the bottom rows of the user's Clever dashboard.• Click an app. A new login screen will appear.<ul style="list-style-type: none">○ If the username and password are blank, login using the correct username and password for that resource (provided by teacher).○ If the username and password are populated, copy and paste them and click on the Go To... button. When the app launches to its login screen, paste your username and password.	 <p>The first screenshot shows a 'First Time Login to ThinkCentral' dialog box. It contains fields for 'THINKCENTRAL USERNAME', 'THINKCENTRAL PASSWORD', and 'THINKCENTRAL SCHOOL LOGIN URL', along with a 'Save Login' button. The second screenshot shows a 'Your Login Information' dialog box. It displays pre-filled login information for 'Discovery Education' (username: JayeDub2, password: *****) and a 'Go to Discovery Education' button. Both screenshots have a red arrow pointing to the 'More Apps' section of the dashboard in the background.</p>
