INTRODUCTION

Philosophy:

The Board believes that student activities provide opportunities for students to practice and demonstrate the attributes of the Profile of a Graduate. As such, the District shall encourage participation in student activities, engage students through inclusive and collaborative experiences, and allow students the opportunity to create and participate in student organizations and student groups.

This handbook becomes effective immediately for the tryout process in the current school year and remains in effect for successful candidates throughout the period until tryouts the following calendar year.

Fort Bend ISD Athletics Mission/Profile of a Graduate:

FBISD Athletics exists to inspire and equip student athletes with responsibility, values, sportsmanship, and teamwork through participation in sports so they can pursue futures beyond what they can imagine.

Cheerleaders will exhibit the FBISD Profile of a Graduate, including being a collaborative team member.

Fort Bend ISD prohibits discrimination, including harassment, against any student on the basis of race, color, religion, sex, gender, national origin, age, disability, or any other basis prohibited by law. No qualified disabled student shall, on the basis of disability, be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any Fort Bend ISD service, program, or activity.

Fort Bend ISD takes steps, including the provision of supplementary aids and services determined appropriate and necessary, to provide nonacademic and extracurricular services and activities in the manner necessary to afford children with disabilities an equal opportunity for participation in those services and activities. Any student with a disability requiring reasonable accommodations for participation in any Fort Bend ISD service, program, or activity should contact their campus to request a meeting of their student's Section 504 committee or ARD Committee.

Questions regarding Fort Bend ISD policies and procedures can be addressed to Dr. Deena Hill, Executive Director of Student Support Services, at 281-634-1143 or Deena.Hill@Fortbendisd.com.

METHOD OF SELECTION

High school cheerleader selection is done by impartial judges who observe the candidates in a series of activities performed in a single session. Students must be present at the cheer tryouts in order to be eligible for selection.

1. **Tryout Format:** The tryout process is organized and facilitated by the Coach. In addition to the judges, the Coach, senior cheerleaders, up to three designated faculty members may be present in the tryout room for *giving* directions.
 - The screening will take place on the High School campus.
 - Each school's screening is closed to the public.
 - At least one campus administrator must be present to observe the selection process.
 - The committee will consist of at least three impartial professional judges selected by the Director of Athletics from outside the District.
 - All candidates will appear before the judges in the designated uniform. If the student needs assistance with acquiring the uniform, please let the coach know prior to tryouts.
 - Candidates who are current cheerleaders will not demonstrate or be recognized in any fashion as current cheerleaders.
 - The scoring template for each campus will be distributed to candidates prior to tryouts.
 - Cheerleader candidates will perform a specified sequence consisting of items listed on the tryout scoresheet. Each judge will assign points based on candidate demonstration of cheerleader skills and functions (See Exhibits A and B)
 - Cheerleader candidates will be allowed to provide video for committee evaluation if they are unable to perform all required activities due to injury. The candidate must provide a physician's letter explaining the specific injury and restrictions prior to beginning the try out. They must complete all aspects of the program not restricted by the injury and identified in the physician's letter. The video must not show candidates as current cheerleaders in any way. The video must be certified to have been created within the past twelve months.

2. Results

- Each judge will score each candidate's performance using a numeric scale (see exhibit B). The judge must initial any change to a rating or sum of ratings.
- Scores from each judge are tabulated to yield one total score for each candidate.
- Candidate's total scores are ranked in numerical order.
- Candidates with the highest rankings are selected as cheerleader according to cheerleader numbers specified at each campus.
- A tiebreaker system will be utilized when necessary to break ties when it involves making the team or determining alternates. The tiebreaker will consist of taking the scores from the candidate's first tryout, specifically scores from: entrance, voice projection, jumps, motions, and overall impression. If after tabulating the scores the candidate with the higher score, will receive an additional .5 points to break the tie. If after the tiebreaker, scores are still tied, the candidates will then be brought back out to perform for the judges again and will be scored on entrance, voice projection, jumps, motions, and overall impression. (See Exhibit D)
- The coaches and a principal designee will decide upon varsity/junior varsity team placement of candidates. Candidates chosen for each team must come from the top point-earners from tryouts. For example:
 - If the Coach chooses to take the maximum numbers per each team (16/12), then the Coaches will assign teams from the top 28 point-earners from tryouts.
 - If the Coach chooses to use the natural break for a given school which could be less than the district maximum of 28 (16/12), the Coaches will assign teams according to those candidates who finished above the natural break that approximates a full team.
 - There is no prescribed team size for schools who have fewer than the maximum 28 at the tryouts (i.e. a team could have 10 varsity members and 12 junior varsity or 16 varsity and 8 junior varsity members.
- Results will be released after the completion of tryouts on a date and time determined by the campus.
- Due to federal privacy laws protecting student records, a student or parent may not view the evaluation forms of other participants.
- Appeals of the cheerleading tryout process, including final results, must take place at the campus level. Grounds for appeal may be made in reference to mathematical calculations or procedural impropriety only. Appeals must occur within five (5) school days, and during school business hours once final results have been announced.
- Appeal results/decisions will be final at the campus level.

3. **Mascot Selection:** Mascot selection will take place during the fourth nine weeks after finalization of cheerleader tryouts. A second tryout may occur in the fall semester if no mascot is found in the spring. Tryouts will be held on campus and will be judged by a panel of no fewer than three members selected by the Coach. Mascot candidates will perform a maximum of a two-minute routine consisting of skits, mime, pantomime, and dance. No routine may be more than one-half dance. All routines must be within school standards.

Administrative Seal of Approval

- *The contents of this document should be carefully considered prior to approving a student for participation in campus Cheerleading tryouts.*
- *The Administrative Seal of Approval (ASA) should be completed by the student’s assigned alpha split/grade level administrator OR by the supervising administrator over the Cheerleading program.*
- *The Coach for the campus should prepare one copy of the ASA for each candidate with student name and school and then submit all prepared ASAs at the same time to the administrator who will approve/deny.*
- *ASAs should NOT be given to the student to submit to her/his administrator.*
- *In the interest of expediency, it is permissible for the Coach to provide input to the administrator on any areas of concern with a given candidate prior to approval/denial.*

Name _____ School _____

Cheerleaders are a representation of our high school. They should always adhere to all district/campus rules. If you believe this student would be a good representative and has no serious discipline issues on campus or on the cheer squad, please sign and date below.

Below are the key indicators for whether or not an administrator should approve a student to participate in Cheerleading tryouts:

- This candidate is on schedule to graduate and possesses the credits to meet graduation requirements on time with their graduation year cohort.
- Candidates may not have received more than a total of two failing grades for T1 and T2. Failing grades in approved AP classes do not count against the student’s allotted two failing grades (if there are questions, please contact the Coach). *Because of COVID/extenuating circumstances, we are allowing for leniency in this area based upon a student having passing grades from S1 and progress reports prior to T3. However, it is still at the discretion of the Coaches and school administration to decide on this.*
- Candidates must have shown compliance with compulsory attendance laws. This means that, in order to participate in Cheerleading tryouts, a student must have been in attendance at 90% of all classes at the time of the signing of this document in order to be considered as in compliance. Again, due to possible unforeseen circumstances related to the COVID-19 pandemic, it is at the discretion of the coaches and/or campus administration to allow leniency in this area.
- All cheerleaders are expected to follow all the rules of conduct as outlined in the “Fort Bend ISD Student/Parent Handbook”, “Fort Bend ISD Student Code of Conduct” and other rules specific to that campus’s cheer program that may be developed by the campus Coaches with the approval of the campus principal.

- The candidate has not received excessive discipline referrals for the previous Cheer year (ex.: for March 2022 tryouts, student should not have excessive discipline referrals for the 2021-22 school year).

Grounds for NOT signing this document MAY INCLUDE but are not limited to:

- Student has excessive documented discipline referrals in violation of the “FBISD Student Code of Conduct”.
- Student has been absent for more than 10% of any of her/his classes.
