What Should I Expect?
Being a EHS Cheerleader

- * Elkins cheerleaders work hard. The squads train to avoid injury and keep in shape. Weekly workouts will include, but are not limited to, circuit training, yoga, strength training, and more. Appropriate clothing is required at all times—which includes proper undergarments, socks, and cheer shoes. Please see the EHS cheer by-laws for more details.
- * Elkins cheerleaders practice schedule will vary. On average, practice will be held three days after school. After-school practices are mandatory, as we review cheers, hang signs, practice jumps, tumbling, and stunting.
- * Elkins cheerleaders are a team. If one person is absent, it affects the entire squad. We try to avoid excessive absences. Absences during the week of a pep rally will not be tolerated, as all participating cheerleaders are necessary to execute a successful pep rally.
- * Elkins cheerleaders notify their coaches 48 hours *prior* to an absence, not the day of the absence.
- * Elkins cheerleaders understand that **outside cheerleading** or **after-school jobs** are not excuses for missing a game or practice. Elkins cheerleading always comes first!
- * Elkins cheerleaders do more than cheer at games. They also decorate hallways, paint signs, host pep rallies, and volunteer in the community. All cheerleaders are expected to participate in these activities.
- * Elkins cheerleaders are part of a year-long sport. They promote and facilitate pride and school spirit. Their job is not easy, but each member of the team works hard and supports each other. **ALL cheerleaders must be enrolled in the cheer class for the entire year.** The only exceptions to this rule will be seniors, who have **previously** participated in another Varsity sport.
- * Elkins cheerleaders understand that they represent their student body at all times, on or off campus. They know that their behavior is to be respectable and a positive representation of a young adult in public, on-line, and at school.
- * Elkins cheerleaders have read, understood, and follow the FBISD Cheerleading Handbook and the FBISD student athletic handbook.

ELKINS HIGH SCHOOL CHEERLEADER PARENT EXPECTATIONS AND INFORMATION

Transportation

Each cheerleader is responsible for getting herself to every in-district game and practices on-time. Transportation will only be provided to out-of-district games and playoff games. Please make sure your daughter has a ride and is on-time to all games and practices. Your daughter is ultimately responsible and will face consequences for being late or not being able to go based on a lack of or undependable transportation.

Be supportive of your cheerleader.

This year will be strenuous on your cheerleader and usually on your schedule, as well. Support your cheerleader knowing that cheering develops cooperative skills, respect for others, and leadership skills that wouldn't otherwise be refined.

If your child makes the cheerleading squad, please don't forget to be added to the distribution list for updates and important e-mails. Email your child's coach.

Most communication about cheerleading will be via email or be handled/told to the cheerleaders directly. Please check your email regularly as communication is key!
