

## WHAT IS A SCHOOL-PARENT COMPACT?

Effective schools are a result of families and school staff working together to ensure that children are successful in school. A compact is a voluntary agreement between two groups that firmly unites them. You are invited to be involved in a partnership with Briargate Elementary.

## JOINTLY DEVELOPED WITH PARENTS

The parents, students, and staff of Briargate Elementary School will meet yearly to discuss student-learning needs based on current grade-level data. Our School-Parent Compact for Achievement will be revised based on these discussions. Teachers suggest home learning strategies, parents add ideas to make them more specific, and students identify ways to support their learning goals.

*Parents are welcome to contribute comments at any time.*
