

Dear Parent:

Below you will find a link to access the State of Texas 2017-2018 School Report Card for Rita Drabek Elementary School. This is a report required by the Texas Legislature and prepared by the Texas Education Agency. It is to be accessible to the parent or guardian of every child enrolled in a Texas Public school. The report provides information concerning student performance on the State of Texas Assessments of Academic Readiness (STAAR), as well as information on student enrollment, class size averages, and financial expenditures.

The information contained in the School Report Card is required by state law and is briefly described in the attached "2017-18 School Report Card Definitions." The report for our school may or may not have all the information described because the information presented depends on whether the school is elementary, middle, or high school.

State law requires that the School Report Card display information about the state, the district, and school. Where possible, the information must be reported by race/ethnicity and socioeconomic status of the students and must include at least two years of results.

The School Report Cards can be found online at
