

Arrival and Dismissal Information

Welcome to Barrington Place Elementary-- Meadows home away from home! As you can imagine, combining schools is no easy task, but we are up to the challenge!

We have worked closely with the Sugar Land Police Department, FBISD Transportation, FBISD Police, and our facilities department to make sure that arrival and dismissal procedures are safe and efficient.

By working with these resources, we have determined that the best way to approach arrival and dismissal will be to designate a Meadows arrival and dismissal area (Alston side due to the large number of Meadow's family residences and the traffic flow study) and a Barrington Place arrival and dismissal area (back of the school with a newly added parking lot and traffic loop to clear cars off the street for buses, day cares, and cars to travel more efficiently).

PLEASE REVIEW THE MAPS AND EXPECTATIONS BELOW IN ORDER TO MAKE THIS A SUCCESS!

Doors will open at 7:35 a.m. to receive students who have cleared the temperature check and wellness screening.

Please see the Wellness Screener for your child to complete each day in Skyward Family Access prior to coming to school.

We will have a safe and efficient carpool line. We realize many are in a hurry in the morning, but we require you to follow a few rules and traffic laws to protect our students:
