## FORT BEND EDUCATION FOUNDATION AWARDS \$11,701.28 TO SUGAR MILL

There's lots of excitement in the air at Sugar Mill as the Sparklers prepare to take part in innovative learning opportunities, thanks in part to the Fort Bend Education Foundation.

Since its inception in 1992, the Fort Bend Education Foundation has served as a powerful catalyst for extraordinary academic achievement. The Foundation supports innovative academic projects and staff development opportunities that make learning fun and hands on!

The Foundation funds over 26 content areas, including Science, Technology, Engineering, Arts and Mathematics (STEAM), English Language Arts (ELA), Counseling, Physical Education, Special Education, Nursing, etc.

Unfortunately, the demands on school districts today are enormous, and budgets can't always keep pace with the individual requests of our classroom teachers. This is where your donation makes a difference. [Donate Today!](#)

Thanks to our generous corporate and individual donors, the Foundation has awarded nearly \$36 million to Fort Bend ISD teachers and schools.

Mission Statement: The Fort Bend Education Foundation provides opportunities to enrich and enhance the quality of education for all Fort Bend ISD students through its grants to teachers and schools programs.
