# ARRIVAL & DISMISSAL

Keeping our students safe is our number one priority at JPE. Thank you for following all procedures.

## Arrival:

Just a reminder that we do not allow any parking in the morning unless you need to come into the front office or school. We do not allow parents to drop off the parking lot. The safest place to drop off your students is the curb with an adult or safety patrol member. Thank you for getting your kids to school on time. WE have had a record of "on time" panthers this year! Thank you.

## Dismissal:

**Car riders:** Cars must have a JPE number in order to pick up students or you will be asked to come in and checkout from the front office. We are finished by 3:45, so make sure you get in line before that or you will need to come check out late students.

**Bus Riders:** All students have tags to help with bus routes, drop off locations, etc.

**Walkers/Bikers:** Parents should wait near crossing guard for students.

## Parent Access to Schoology

Parent access allows for a "view only" approach to the course content.

Parents will be able to view any assignments, discussions, completed assessments, calendar updates, or content that is shared by their child's teachers. Schoology also enhances teacher and parent communication by allowing direct contact (or communication) through the platform.

Though teachers may take some grades in Schoology through submitted assignments or assessments, Skyward will still be the official record for grades.

## SCHOOLGY PARENT SUPPORT

For issues related to Parent Access and Username/Password please contact the district's technical support.
