

Dear Parents,

We kicked off our Kids Heart Challenge program this week and our school's event is right around the corner! We are thrilled to participate as we work together to raise money for the American Heart Association and learn how nutrition and being active can help us live longer, healthier lives.

First things first! We have an easy way for you to raise money online by having your very own fundraising page. Simply follow these steps:

1. Go to www.heart.org/kidsheartchallenge and search for Oyster Creek Elementary
2. Once you find your school, click on Join the Team
3. Create a username and password and then fill out the registration form
4. Share your personal fundraising link with friends and family right away
5. Download the FREE Mobile app for [iPhone](#) or [Android](#) by searching for Kids Heart Challenge and fundraise no matter where you are!

You may already be hearing your student talk about earning a free glow in the dark wristband! It's free just for registering and if you download the mobile app, you can bring it to life and have one of our awesome Heart Hero characters teach you about heart health!

Once you have your fundraising page, login to your HeadQuarters to get started.

1. Send 10 Emails or Ecards to friends and family. You can start by making your very own donation and earn the first Heart Hero character and clasp! For just a \$10 online donation, your child will earn both Echo and Finn and your teacher has them now.
2. Download the app to watch your Heart Heroes come to life and fundraise on the go. Search Kids Heart Challenge in the [Android](#) or [Apple](#) store.

Thank you so much for supporting our school and the American Heart Association.
We know you can do this!

Kevin Crabtree
