Qualifies Further Review (Y/N)				

SECTION 3— GRADUATION DECISION—FOR DISTRICT USE ONLY

Student Name: _____

- ___ 1. (CPR) entered Grade 9 before the 2011-2012 school year,
- ___ 2. (CPR) successfully completed the curriculum requirements for high school graduation applicable to the individual when the individual entered Grade 9,
- ___ 3. (A&A) has not performed satisfactorily on an assessment instrument or a part of an assessment instrument required for high school graduation, including an alternate assessment instrument (ACT, SAT, TSIA, STAAR EOC) offered under [IEC §39.025\(c-1\)](#)
- ___ 4. (A&A) has been administered at least three times the required subject-areas test(s) for which the individual has not performed satisfactorily on the exit-level assessment instrument applicable to the individual when the individual entered Grade 9; and
- ___ 5. (CPR) has met at least one of the alternative requirements (alternate assessment performance standard, high school equivalency applicable subject-area test, industry-recognized postsecondary license/certificate, armed forces service, college coursework credit) established by the Commissioner of Education [[19 TAC §74.1027](#)].

If criteria one through five listed above are met, then the individual is qualified to graduate and receive a high school diploma. A decision regarding whether the individual qualifies to graduate and receive a high school diploma is final and may not be appealed.

The district shall maintain documentation to support the decision to award or not award an individual a high school diploma. Texas Education Code §28.02541 and 19 Texas Administrative Code §74.1027 expire September 1, 2019. An individual may graduate and receive a high school diploma by means of the local graduation committee under these provisions if the local graduation committee has made its determination by September 1, 2019.
