## INTRODUCTION

This document serves as the 2021-22 Annual Report for Fort Bend ISD. Texas Education Code (TEC), §39.306, requires each school district to publish an annual report that includes the full Texas Academic Performance Report (TAPR) published by the Texas Education Agency (TEA) as well as several other documents released by TEA and the district as a summation of the previous school year. Documents compiled within this report are based on data produced during the 2021-22 school year or before. The Texas Education Agency published the 2021-22 TAPR on December 16, 2022. Statute requires that each district's board of trustees hold a public hearing to discuss the district's annual report within 90 calendar days of receiving the TAPR. Winter breaks do not count toward the 90 days. Within two weeks following the public meeting, each district must widely publish its annual report, including posting it on the district website.
