

2016-17 Fort Bend ISD Report on Violent or Criminal Incidents

Texas statute requires every district to publish a report on violent or criminal incidents at their schools. This annual report must include a statement of the number, rate, and type of violent or criminal incidents that occurred on each district campus, to the extent permitted under the Family Educational Rights and Privacy Act of 1974 (must mask counts of 5 or less). Rates are incidents per capita. A blank means zero incidents.
