

TECHNOLOGY TOOLS FOR HOME

Office 365

office.com

Microsoft Office 365 is an online suite of cloud-based tools. All students have access to a variety of tools such as OneDrive, Office, and Sway. Students in grades 4-12 also have access to a district-provided email account. Additional information regarding student email accounts can be found at www.fortbendisd.com/Page/15852.

All Fort Bend ISD students are also provided with licenses to download Office 2016 on up to 5 personal devices for FREE, including home computers and mobile devices. Students can access their account and free downloads by logging into www.office.com. Students can log in using their district provided email address/portal ID (viewable in Skyward Student Access) and their FBISD network password.

www.learning.com

Learning.com helps students in grades K-8 develop technology skills, including keyboarding, word processing, digital citizenship, information literacy, and online safety. Student login information can be provided by your campus' librarian, classroom teacher, or Digital Learning Specialist.
