INTERNET SAFETY IN ATOMIC LEARNING

Did you know that approximately half of all young people have experienced some level of cyberbullying?

Help keep FBISD students safe online with Internet Safety training. You'11 learn how to protect against cyberbullies, online predators, and scams to ensure a safe digital experience.

Visit www.atomiclearning.com/k12/en/login/fortbend and log in using the credentials below and search 'Internet Safety'.

> Username: **parents-fbisdXXX** (Replace XXX with your child's campus initials)
>
> Password: **fortbend**

Sincerely,
