Lakeview Elementary

November 2025

At Lakeview Elementary, we are continuing to grow strong leaders who make positive choices and treat others with respect. In November, our morning announcements will spotlight what fairness and justice look like in our Viking PRIDE community. Students will learn what it means to listen to all voices, treat others with equity, and stand up for what's right, even when it isn't the easiest choice. Our teachers will also be weaving these themes into classroom conversations and activities in meaningful ways.

This month, FBISD will also recognize Generation Texas Week! GenTX Week encourages students to dream big and explore the many paths available after high school: college, trade and technical programs, the military, and a variety of careers. We'll talk about how today's learning helps shape tomorrow's opportunities and how every Viking has a bright future ahead. To bring excitement and spark future-focused conversations, we'll celebrate with themed dress-up days throughout the week. Please see the dress-up schedule below!

On November 19th, FBISD will host a webinar in support of Generation Texas Week. It will be all about college and career readiness and empowering students to explore their futures. The QR code below will take you to their page.

As always, I am here to help.

VIKING OF THE MONTH—November

In November, when choosing Viking of the Month, teachers will be looking for FAIRNESS & JUSTICE, as it relates to our Viking PRIDE. Teachers will be noticing Vikings who are treating others as they, themselves, want to be treated. Fairness & Justice means everyone has a voice. Teachers will also be watching for Vikings sharing their thoughts and opinions while respectfully considering differing viewpoints.
