**October 2025**

## Bully Awareness & Prevention AND Red Ribbon Week at LVE!

At Lakeview Elementary, we believe every Viking has the power to make a difference. This month during morning announcements, students will hear messages about kindness, inclusion, and making healthy choices for their minds and bodies. Our teachers are also working to create strong, supportive classrooms where everyone's voice matters and kindness comes first.

Students will practice how to stand up for others, what to say or do if someone is being treated unfairly, and the steps to take if they need help from a trusted adult. They will also take part in special events like **Unity Day**, when we wear orange to show that we are united against bullying. Vikings will also participate in campus-wide bully awareness and prevention guidance lessons and the **World Day of Bully Prevention** where we encourage everyone to **wear BLUE!**

To close out the month, students will celebrate **Red Ribbon Week** with themed dress-up days, special announcements, and a pledge to stay drug-free. This campaign reminds students to make positive choices and to take pride in living a healthy lifestyle.

As we move through October, from Unity Day to Bully Prevention lessons and Red Ribbon Week, our focus remains the same: building a school where every Viking feels valued, safe, and supported. Together, we are creating compassionate citizens, healthy leaders, and a community where kindness always comes first.

Here to help,

*Mrs. Armiger*

## SOCKTOBER

Lakeview's NEHS Chapter is collecting new socks for FBISD's Shared Dreams. Our students will gather, sort, and prepare the donations for delivery as part of this service project. This effort gives them the chance to help others while practicing leadership, responsibility, and compassion. Together, we're building servant leaders who understand what it means to be caring and community-minded citizens.

## VIKING OF THE MONTH—OCTOBER

In October, when choosing Viking of the Month, teachers will be looking for RESPECT. Respect means showing others they matter through both actions and words. Whether it's treating classmates, staff, and school property with care or speaking with thoughtfulness, our teachers will be watching for the many ways our Vikings demonstrate respect.

## Red Ribbon Week at a Glance

Monday	Tuesday	Wednesday	Thursday	Friday
10/27/2025	10/28/2025	10/29/2025	10/30/2025	10/31/2025
