Week of May 6th Recap

We continued to discuss night and day, light and shadows. We did some work with flashlights. We are began reviewing our letters, phonics and math. We read Hey Diddle Diddle, identified the rhyming words and created cows jumping over the moon.

What We are Learning

We will be wrapping things up. We will continue to review our letters, phonics and math skills. We continue to practice the expected behavior in school and working together cooperatively. We will also practice for our end of the year program. We hope you all can join us Wednesday, May 22 at 9:00. The ceremony will be in your child's classroom. There will be an opportunity for photos. Snacks will be served. Everyone is welcome to attend. You will be allowed to take your child home after the ceremony, if you wish. There will be a sign out sheet in your child's classroom. If you wish to take your child with you, please be sure to sign him/her out.

Please do not drop your child off before 7:30 am. We do not have staff on duty to watch them until 7:30.
