

## Board Division Map

Trustees are elected to three-year terms on a rotating basis. Two are elected each year, one from each side of the District (Position 1, 2 and 3 on the West, and Positions 5, 6 and 7 on the East). Also, every third year, the “at large” Position 4, is elected.

The seven Board of Trustees members are voted on by all residents of the District, and represent all residents of the District.
