

Ashish Agrawal is a visionary who excels in solving hard and complicated challenges through sound strategy and purpose-driven actions. Over 20 years of experience working in diverse cultures and companies across the globe has given Ashish the ability to see through and solve complex situations. He is a strong leader yet a collaborative team player who accomplishes objectives through empowerment, analytical acumen, and empathy.

Ashish currently leads a Strategy & Execution team at one of the world's largest multinational companies where he is responsible for developing long-term multi-year plans as well as collaborating with various teams in the successful execution of those plans annually. Prior to this role, Ashish worked at one of the world's top 3 management consulting companies helping small and large companies with their challenges. Ashish currently serves on a Campus Based Leadership Team (CBLT) for a FBISD middle school and is an active leader/member for a couple of resident committees for his HOA.

He also organized a team of local volunteers to deliver meals as part of Operation Impact by Interfaith Ministries for Greater Houston. He worked tirelessly to help the neighbors and community during the aftermath of Hurricane Harvey. Ashish stands for **FBISD_United** and believes that now is the time to refresh the talent on the Board with someone who is not set in their ways and can think creatively to solve our challenges. He believes that he is the best candidate to lead the change at FBISD and enable the residents to take back control of the Board.

Ashish will apply three key tenets.

- 1) *Transparency and Facts* which will require availability of data that is consistent and trustworthy;
- 2) *Equity* to ensure that everyone has the opportunity to succeed; and
- 3) *Excellence* in everything we do and for ALL schools.

Ashish has an MBA from Texas A&M University, College Station, TX and has lived in our great State of Texas for 22+ years and out of those 20+ years has been in the greater Houston area. He and his wife have been married for 18 years and they have two boys who are currently enrolled in FBISD schools. In his free time, he likes to spend time with his family and friends. He loves going to the local gym for physical health as well as practices meditation daily for overall wellbeing. He can be also be seen at his sons' basketball games and practices.
