

YOUR VOTE, YOUR VOICE

Register to Vote!

The importance of the 2018 primary and general elections for the future of Texas can't be overstated. The people we elect will chart the course for our state, making decisions that will impact Texas public schools for years to come. **Primary elections in Texas are especially important because they can often determine the final election outcomes.** Yet Texas voter turnout rates are historically dismal and we trail the rest of the nation in voter registration. Texas educators must be involved and engaged in the election process to stake their claim in our state's future.

It's your vote. It's your voice. Use it.
