

Sam Popuri
Candidate – Position 3

Sam Popuri, has been a well-qualified IT Professional for the past 25 years. He has been married for 20 years and has two kids, who both study in FBISD schools. He has been a resident of Fort Bend County for the past 9 years and, like most residents, he is passionate about raising his kids in this county due to its cultural diversity and passionate residents who care about education and the safety of their kids.

Throughout the past nine years, he has passionately volunteered at schools and other non-profit organizations, encouraging kids to participate in Destination Imagination (DI), sports, physical fitness, and multi-cultural events. He has managed multiple elementary and middle school DI teams for two consecutive years. Sam actively participates in FBISD meetings, regularly attending and sharing his concerns of constant change in school boundaries, safety of kids at school, inequality of programs district wide and the parent-student-school communication system. These are some of the reasons why he has decided to run for the FBISD Board of Trustee position #3 and contribute to the solution for every child and every family in the district.

Sam has proven track record of professional career and impressive qualification. He received his Bachelor of Science degree in Computer from University of Pune, India in 1992 and his Master of Science degree in Computer from University of Pune, India in 1994. He was involved in teaching Computer Science at various colleges. He moved to USA in 1998 and worked as IT consultant for fortune 100 companies for the past 20 years. He is trained in Lean Six Sigma Black Belt and is passionate about process improvement, revenue leaks and project management with great details.

Sam has been, and always will be, an eternal student. His firm belief is that one never stops learning and can learn from children and elders alike. As a parent, he has dedicated himself to his two kids and all kids across Fort Bend County, regardless of the schools they attend.

Education has no barriers, no boundaries, and no limitations.
