

Tina Michie  
Candidate – Position 7

Tina Michie was born in Seoul, South Korea, she came to the United States in November 1985, when she was just over 3 months old. She was adopted into an American family and became a US Citizen through Naturalization. She lived in Raritan, New Jersey until 2001. Tina moved to Texas, at the age of 16, and went to FBISD's own Hightower High School and Graduated in 2003. She got her Bachelor's of Science Degree in Mathematical Sciences from The University of Houston, Victoria, she was able to do this through the University of Houston Sugar Land Campus. Tina believes in equal opportunity for all schools and that every child is unique and has a unique set of skills. The Academic, Advanced and Honors programs helped Tina as she was in school, and believes they should be back in FBISD's schools. Bridgewater-Raritan School district, where Tina formally went had no such opportunities and split "honors" from "everyone else", and a student had to excel at everything to be in the honors program. FBISD gave Tina the opportunity to challenge herself in Mathematics, even though she wasn't talented in any other subject, this lead to be beneficial later. Zoning, Tina believes should make sense, and a street right next to a school should be zoned for that school. Tina also believes your voice is important. She was an election official since 2012 because she is on the Ballot for may, she gave up being an Election Judge to run for The Board of Trustees. Tina is currently a Math tutor and deals with children and young adults regularly. Tina also is involved with Pokémon The Trading Card Game and plays online games such as Minecraft in her free time. Tina currently resides in Sienna Plantation.
