

2019-20 School Report Card and Federal Report Card

March 2, 2021

Dear Oakland Parent/Guardian:

I am writing to inform you that two annual performance reports for our campus have been posted on the Campus Website, as required by law. It is important to know that the performance data in the 2019-20 report card is based on 2018-19 performance, as most state assessments were not administered in the spring of 2020, due to COVID 19.

School Report Card (SRC)

The SRC is a report required by Section 39.305 of the Texas Education Code and is prepared each year by the Texas Education Agency (TEA) for each campus in the state.

The SRC is intended to give a broad view of campus performance by combining the following information:

- the campus accountability rating
- data from the campus Texas Academic Performance Report (TAPR), and
- financial information

The information contained in the SRC is described in more detail in a document titled **2019-20 School Report Card Definitions**. ([Link to 2019–20 School Report Card \(SRC\) Definitions](#))

The SRC for our school contains the information specific to our school level (elementary, middle or high school).

Federal Report Card (FRC)

The FRC is a report required under the federal Every Student Succeeds Act of 2015 (ESSA). Each year, TEA prepares an FRC for the State of Texas and each district and campus in Texas. FRCs for the state, district, and each of the district's campuses are now available at the link provided.

The information contained in the FRC is described in more detail in a document titled **Information Included in the 2019-20 Federal Report Card**. [Link to TEA Federal Report Card Information](#)

If you have any questions concerning the SRC or the FRC, or if you would like a printed copy of either the SRC or the FRC (or the corresponding explanatory documents), please contact our main office @ 281-634-3730.

Thank you for your continued support of our school.
