Thursday, Sept. 10 -

See your child's teacher
for more details.

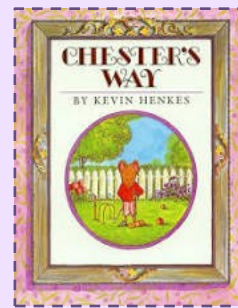

Character Ed: Friendship

Our September character trait this month is FRIENDSHIP! Our Rangers will learn how we use our words and actions to show others that we care!

During our virtual guidance lessons we will discuss healthy friendships and not so healthy friendships. Students will also learn different ways to let their friends know if they have hurt their feelings.

Check out *Stick & Stone* by:
Beth Ferry and *Chester's Way* by

Kevin Henkes~ these stories illustrate how to be a great friend! Please click on the picture below to go to the video!

Virtual Classroom Expectations

Here are a few quick "netiquette" tips for our students. It typically takes students about 3-4 weeks to learn our classroom expectations, here are a few quick tips that you can help reiterate at home~

Mute your microphone and raise your hand to speak.

Be positive and patient with yourself!

Have your materials ready and be prepared to learn.

Sit up in a comfortable position and focus on the speaker.

Dress and act like you are at school.
