

FBISD Extended Day

Before and After School Program

Come be a part of the FBISD Extended Day Experience!

The Fort Bend ISD Extended Day Experience!

Extended Day has many components to keep your child engaged afterschool.

Homework Time

Students are provided a quiet environment and dedicated time to complete homework. Books are available for students to read once homework is completed.

Curriculum

SPARK is designed to provide children with inclusive, highly active movement opportunities that foster social and motor development while maximizing time spent in moderate to vigorous physical activity and fitness pursuits.

Clubs

Twice a week students participate in clubs. The offerings vary at each campus. Check with your campus site coordinator to see what clubs are offered at your campus. Sample clubs include chess, science, sports, and gardening.
