

FAQs

2019-20 Public Education Grant (PEG) Transfers

- 1. Since FBISD has no schools on the 2019-20 PEG list, will the Department of Student Affairs offer this type of transfer?**
No, because no FBISD school is identified as “PEG” this specific transfer will not be offered during the 2019-20 school year.
- 2. What happens to students who are currently on a PEG transfer?**
These students will be allowed to remain at the non-PEG transfer campus they attended during the 2018-19 school year. Parents will continue to be responsible for transportation.
- 3. Will PEG transfers be offered to the sibling of a student currently utilizing this type of transfer?**
No, PEG transfers will not be offered, as FBISD has no identified “PEG” campuses for 2019-20. However, in order to keep siblings together at the same campus, parents may apply for a Special Circumstance Transfer (SCT) to unite the siblings.
- 4. Will students currently on a PEG transfer be allowed to remain at the non-PEG campus until they complete all grades there?**
Yes, according to federal guidelines, students may remain at the non-PEG campus until:
The student has completed all grade levels at non-PEG transfer campus or the student’s home campus is removed from the TEA PEG campus list.
- 5. I have moved and I zoned to another FBISD school, may my student remain on his or her current PEG transfer?**
Yes, a student who is rezoned by the district or who moves into attendance zone of another FBISD campus may remain at the non-PEG campus the student has been attending until all grade levels at non-PEG transfer campus or the student’s home campus is removed from the TEA PEG campus list.
- 6. Will the district notify parents that PEG transfers are not available during the 2019-20 school year?**
Yes, the Department of Student Affairs will place communication on their webpage stating that PEG transfers options are unavailable for the 2019-20 school year.
- 7. How will the district know which students currently on PEG transfers are planning to remain at the non-PEG campus for the 2019-20 school year?**
Due to this unique situation of not having schools on the list, the Department of Student Affairs will devise a “letter of intent.” The letter will be sent to parents/guardians of students currently on a PEG transfer (only) to confirm their intent to continue utilizing a PEG transfer next year.
- 8. How will principals be notified of the plan for PEG transfers next year?**
The Department of Student Affairs will provide communication to send to principals regarding PEG transfers.

9. **What is the timeline for communicating the plan for PEG transfers as well as for the letters of intent?**

Webpage posting and principal communications will be sent February 7, 2019. *Intent to Remain at Non-PEG Campus* forms will be provided to parents February 8 – March 8. Parents will be asked to return completed letters to the campus registrar, who will then provide them to the Department of Student Affairs, no later than March 8, 2019.

10. **If a family moves into the attendance zone of former PEG campus, will they be offered the opportunity to apply?**

No, because no FBISD school is identified as “PEG” this specific transfer will not be offered during the 2019-20 school year.
