Dear Parents,

Schools are only as strong as the support system that surrounds them, and parent support is a vital component in ensuring our students' success. On behalf of Fort Bend ISD, I want to thank you for giving so much of your time, energy and talents to our District. Your dedicated service to our Parent Organizations and Booster Clubs is immeasurable, and we know that our academic and extra-curricular programs are stronger because of your leadership.

To ensure that all of our volunteers are equally informed, the following information will assist you in complying with District policies and guidelines, University Interscholastic League (UIL) guidelines, and state and federal regulatory guidelines governing Parent Organizations, as well as Booster Clubs.

In Fort Bend ISD, we are dedicated to teaching the "whole child." With your help, our students are able to participate and excel in learning experiences and activities that serve to enrich their educational experience. The Board of Trustees and I thank you for your contributions to the support system that allows our Fort Bend ISD family to succeed!

Sincerely,

A handwritten signature in black ink, appearing to read 'Charles E. Dupre', with a large, stylized flourish at the end.

Preface

The Business & Finance Department of Fort Bend Independent School District prepared the *Parent Organization/Booster Club Guidelines* to assist Parent Organization/Booster Clubs in meeting District, University Interscholastic League (UIL), state, and federal requirements. Therefore, it includes checklists, laws, regulations, policies, suggestions, and examples for Parent Organization/Booster Clubs to follow.

The *Guidelines* include some items that must be followed by all Parent Organizations/Booster Clubs, such as District policies and guidelines, UIL guidelines, and state and federal regulations. Other items include suggestions for improving your organization related to day-to-day activities.

Important: *The Business & Finance Department is not an authority on specific accounting situations or tax-related issues concerning individual Parent Organization/Booster Clubs; therefore, Parent Organization/Booster Clubs should obtain competent independent counsel on accounting, legal, and tax matters related to their specific circumstances.*

Introduction

Parent Organizations/Booster Clubs are parent organizations established to promote school programs or complement student groups or activities. A Parent Organization's/Booster Club's purpose may be to support a student group or program at a particular school or various student groups or programs at various schools. Students enrich their education and expand their horizons when they participate in school activities and programs. Therefore, the District greatly appreciates the time, effort, and financial support that the Parent Organizations/Booster Clubs provide to our students.

Even though a Parent Organization/Booster Club works very closely with the District, it is a separate entity from the District. However, the formation of a Parent Organization/Booster Club must be approved by an appropriate District Principal or Administrator. In addition, a Parent Organization/Booster Club must adhere to various District policies and guidelines, University Interscholastic League (UIL) guidelines, and state and federal regulatory guidelines.

Parent Organizations/Booster Clubs support a particular student group or program through a Sponsor. The Sponsor is a District employee who serves as the liaison between the Parent Organization/Booster Club and the District. In addition, the pertinent Principal or other appropriate Administrator must approve various activities of both the student group and the related Parent Organization/Booster Club. The main responsibilities of a Parent Organization/Booster Club, a Sponsor, and a Principal or Administrator are indicated below:

Parent Organization/Booster Club - A Parent Organization/Booster Club is responsible for supporting a student group, activity, or program. Support may be as simple as providing support at games or an event as complex as raising money for an out-of-state competition. The Parent Organization/Booster Club works through the Sponsor to provide assistance for the planned activities of the student group. The Parent Organization/Booster Club decides the type and amount of assistance they will provide; however, the Parent Organization/Booster Club does not have the authority to decide the activities or trips in which the student group will participate. The parents and the Parent Organization/Booster Club may provide suggestions about particular activities; however, the Sponsor is responsible for the final decision with the Principal's or Administrator's approval.

Sponsor - A designated Sponsor of a student group serves as the liaison between the Parent Organization/Booster Club and the District, under the supervision of the Principal or Administrator. The Sponsor is responsible for determining the various activities and trips in which the student group will participate with the approval of the Principal or Administrator. The Sponsor does not have the authority to control the amount of support a Parent Organization/Booster Club provides.

Principal or Administrator – The Principal or Administrator is responsible for approving the activities of the student group and some activities of the related Parent Organization/Booster Club. In addition, the Principal or Administrator should approve the constitution and bylaws of the Parent Organization/Booster Club.

The information in this handbook is provided to assist Parent Organizations/Booster Clubs in following pertinent policies and regulations and to provide suggestions for their organization.

- 5. Provide the Sponsor with detailed fund-raising information at least 30 days prior to the fund-raising event.

5.3
7.25-7.26

The detailed fund-raising information should include:

- Purpose of the fund-raiser,
- Type of fund-raising activity (i.e., candy sale, carnival)
- Date(s), time(s), and place(s) of the activity,
- Name of the sponsoring organization,
- Name and phone number of organization’s representative,

- Name and phone number of the person(s) who will be handling the money for the fund-raiser.

- 6. If your Parent Organization/Booster Club has received a limited tax-exemption from the Texas State Comptroller’s Office, your organization is entitled to two (2) “one-day, tax-free” sales/auction days per calendar year. (See Checklist item #15&16.)

- 7. The Parent Organization/Booster Club cannot require members or students to fund-raise or raise a certain amount. For example, a student’s ability to attend a trip cannot be based on raising a certain amount of money. If your Club is currently requiring fund-raising, discontinue this requirement.

5.2
7.26-7.27

- | | |
|---|-----------------------|
| | <u>Page Reference</u> |
| 8. The Parent Organization/Booster Club <u>may not use individual accounts</u> to credit an individual for funds raised. If your Club is using individual accounts currently, this practice should be discontinued. | 5.2
7.27 |

Fund-raising is an opportunity to generate revenue for the Parent Organization/Booster Club as a group, not individuals. Therefore, revenues should be recorded in a group account where all members or students have the same opportunity to **benefit equally** from the revenues.

One member or student should not receive a larger benefit from fund-raising than another. In addition, if a member or student chooses not to participate in the fundraiser, that person still **receives an equal benefit** from the revenues generated.

Questions to Answer Before You Commit

Parent Organizations/Booster Clubs provide an important support function to student groups; however, they also require a strong commitment from members to work properly. Therefore, deciding whether or not to form a Parent Organization/Booster Club is a difficult decision that requires careful consideration of the pros and cons of formation. Interested parents should discuss these issues with each other as well as the Sponsor of the student group and the School Principal or Administrator. **The appropriate School Principal must approve, in writing, the formation of a Parent Organization/Booster Club before the Club takes any further action to create a unique identity.**

It is important to remember that parents do not have to form a Parent Organization/Booster Club to support a student group. Parents may still support a student group as parents through fundraisers and other activities in which the students are involved if the student group has a Student (agency) Activity Fund set up through the District. All money generated would be considered the student group's money and would benefit only that group of students. In addition, the District would be responsible for all of the accounting and legal responsibilities of the Student Activity Fund.

The following are some questions to consider when deciding whether or not to form a Parent Organization/Booster Club:

1. Why do I want a Parent Organization/Booster Club?
2. What can a Parent Organization/Booster Club accomplish that cannot be achieved through the use of a Student Activity Fund?
3. Do I have time to commit to a Parent Organization/Booster Club?
4. Are there enough parents with time to commit to a Parent Organization/Booster Club?
5. Am I willing to perform the necessary research, training, and paperwork to be in compliance with all District, UIL, state, and federal regulations?
6. Have I read or will I read the rest of this handbook to discover my responsibilities once a Parent Organization/Booster Club is formed?
7. Have I spoken with other similar Parent Organizations/Booster Clubs to determine what benefits/problems they have experienced?
8. Have I spoken with the Sponsor or Principal to obtain support for the formation of a Parent Organization/Booster Club?

Once you have decided to form a Parent Organization/Booster Club,

1. You must then obtain the written approval of the School Principal or Administrator before proceeding with any other steps to create your identity as a Parent Organization/Booster Club. *(See Parent Organization/Booster Club Registration & Approval Form in this section.)*
2. Send a copy of the written approval to Internal Audit to notify us of the new Parent Organization/Booster Club.
3. Establish the Parent Organization's/Booster Club's mailing address. (You will have to list an official mailing address on several state and federal forms when creating your identity as a Parent Organization/Booster Club; therefore, it is better to get this step done first.) The IRS and the Texas State Comptroller's Office recommend that each Parent Organization/Booster Club obtain a post office box (PO Box) or private mailing box (PMB) to use as the official mailing address of the Parent Organization/Booster Club. The address and box keys can be given easily to the new officers at the beginning of each new year.

Please understand the importance of maintaining a consistent mailing address for the Parent Organization/Booster Club. First, you will save time since you will not have to update your address each year to the District, the Texas Secretary of State, the Texas State Comptroller's Office, the IRS, and your bank as you would if you used someone's home address.

Second, Parent Organizations/Booster Clubs receive several important documents from these agencies throughout the year, and if the address changes frequently, some of these documents could be lost or misplaced. The IRS mails forms and other correspondence to Parent Organizations/Booster Clubs periodically. If these forms are not completed and returned to the IRS within a specific time period, a Parent Organization/Booster Club could lose their tax-exempt status, thereby also losing their limited tax-exemption with the State of Texas and possibly face fines and penalties.

The District does not allow campus mailing address to be used by the Parent Organization/Booster Club.

4. Begin the process of creating your own identity with the State of Texas and the Internal Revenue Service.

Authoritative Guidelines Overview

Parent Organizations/Booster Clubs are governed by various entities. The School District has Board Policies and guidelines that **must be followed** by Parent Organizations/Booster Clubs, as well as guidelines that the School Principal or Administrator may implement. Also, the Parent Organizations/Booster Clubs must follow the guidelines of the University Interscholastic League (UIL); the State of Texas; and the federal government, through the Internal Revenue Service (IRS). Some state regulations relate to state sales tax while other regulations involve becoming incorporated or involve the holding of a raffle.

UIL Booster Club Guidelines

State and Federal Regulations Summary

The UIL Booster Club Guidelines do not necessarily include all rules that may apply to your organization. For specific questions, you should contact the UIL directly.

The state and federal regulatory information included in this section does not include all laws or rules that may apply to your particular situation. This information is provided by the District's Business & Finance Department; however, Business & Finance is not an authority on specific accounting situations or tax-related issues concerning individual Parent Organizations/Booster Clubs. Therefore, Parent Organizations/Booster Clubs should obtain competent independent counsel, such as a Certified Public Accountant (CPA) or an attorney, to address accounting and tax matters related to their specific circumstances. The cost of these services would be the Parent Organization's/Booster Club's responsibility. In addition, the IRS and the Texas State Comptroller's Office may be contacted for questions related to your organization's specific situation.

IMPORTANT

Parent Organization/Booster Club officers are solely responsible for ensuring that their Parent Organization/Booster Club is in compliance with District policies and guidelines, UIL guidelines, and state and federal regulations.

Therefore, the District, including any District employee, is not responsible for a Parent Organization/Booster Club not complying with the various policies, guidelines, and regulations.

RELATIONS WITH PARENT ORGANIZATIONS

GE
(LOCAL)

PURCHASES FOR THE SCHOOL Before parent groups or other groups working with the school purchase equipment for the schools, including computer hardware and software, they shall notify the principal of their plans. In consultation with the Superintendent or designee, the principal shall determine the type or brand of equipment to buy to ensure compatibility with current District equipment.

PARENT OR COMMUNITY ORGANIZATIONS Parent or community organizations may be formed to promote the school program or to complement a particular student group or activity. Examples of parent or community organizations include PTO's, booster clubs, and volunteer groups. A parent or community organization may not represent the District nor bind the District or any of its employees to a third party with whom the organization may conduct business.

SUPERINTENDENT'S DESIGNEE The Superintendent's designee for overseeing the activities of a parent and community organization is the principal of the campus where the organization functions. As the responsible District employee, the principal shall:

1. Approve the formation of the organization.
2. Approve the constitution and bylaws of each organization.
3. Ensure that each organization's sole function is to support the educational activities of the designated program area.
4. Have the authority to disallow the continued association of any school program with a parent or community organization that has been judged by the principal to be disruptive to the educational activities or goals of the program or group.

FORMATION All parent or community organizations must obtain a unique tax identification number — Employer Identification Number (EIN). Such organizations may not use the District's tax identification number.

All PTO's and booster clubs should:

1. Obtain federal tax-exempt status as a public 501(c)(3) charitable organization by applying for and obtaining a Letter of Determination from the Internal Revenue Service (IRS) that states the organization is tax-exempt from federal taxes.

If an organization is new, the organization should apply for and receive its tax-exempt status from the IRS within one year from the date the organization's constitution and bylaws are adopted.

If an organization loses its public 501(c)(3) tax-exempt status or if this tax-exempt status expires, the organization should

GE
(LOCAL)

take the necessary steps to regain the tax-exempt status as a public 501(c)(3) organization within one year from the date of notification from the IRS of the loss of exemption or within one year from the tax-exempt expiration date.

2. Submit the organization's EIN and a copy of the IRS's Letter of Determination to the District's internal auditor.

LIAISON

The designated faculty sponsor of a student activity area shall serve as the liaison, under the supervision of the principal, between any parent group formed in connection with a student group and the District.

The designated faculty sponsor acting as the liaison shall:

1. Approve all student/school-related activities of such organizations;
2. Work with such organizations to establish approved goals and student-support activities for the respective organizations;
3. Assist in setting the budgets of such organizations and ensuring that expenditures of such organizations are in direct support of the goals of the designated programs;
4. File lists of officers of the respective organizations with the school principal at the beginning of each school year, and revise such lists as officers change during the school year; and
5. File lists of organization activities for the coming year with the principal at a date established by the principal. Additional activities should be submitted at least 30 days prior to the event to aid in the development of the master calendar for the school.

DISTRICT EMPLOYEES

District employees may not serve in a financial capacity for a parent or booster organization. Financial capacity is defined as president, treasurer, fund-raising chair, or check signer.

FUND-RAISING

All community/school-support organization fund-raising efforts shall be within federal, state, and District guidelines and shall be for the purpose of supporting the school program or group activity for which the organization was formed. [See GKB]

According to the IRS, revenues generated from fund-raising activities by tax-exempt organizations should benefit the organization, the sponsored student group, or student activity area as a whole, not individuals. Therefore, individual accounts that credit individuals for their fund-raising efforts may not be used. All members of the organization, the sponsored student group, or the student activity area must receive an equal opportunity to benefit from the fund-

RELATIONS WITH PARENT ORGANIZATIONS

GE
(LOCAL)

raising activities, regardless of whether or not a person participated in the fund-raising activities.

In addition, according to the IRS, tax-exempt organizations may not require people to participate in fund-raisers. Benefits given by a parent organization cannot be distributed based on participation in a fund-raiser or based on revenues individually generated in a fund-raiser. Therefore, a person cannot be denied the opportunity to receive a benefit because of lack of participation in a fund-raiser or because a specified amount of revenue was not raised.

An organization may establish written criteria for giving certain benefits to an individual with a financial hardship. If a student meets the written criteria, the student may then receive a benefit that others do not receive. Such a benefit is an approved exception by the IRS to having all members receive an equal opportunity to benefit from fund-raising activities. However, the criteria for financial hardship should not change to allow a particular individual to meet the criteria. Therefore, the financial hardship criteria should be applied consistently to all recipients, and the criteria must be established prior to a financial hardship situation arising.

In the event that students pay a designated amount to attend a trip, a student who meets the financial hardship criteria may have the full amount of his or her trip paid by the organization.

Careful consideration should be given to limiting the number of major fund-raising activities involving students. All such activities require the approval of the designated sponsor(s) and the principal.

NOTICE OF FUND-
RAISING ACTIVITIES

A parent or community organization desiring to conduct a fund-raising activity for a school program shall submit the following information via the Online Fundraiser Request System on the district website at least 30 days prior to the event:

1. Purpose of the fund-raiser.
2. Type of fund-raising activity (i.e., candy sale, carnival, and the like).
3. Date(s), time(s), and place(s) of the activity.
4. Name of sponsoring organization and representative.
5. Name and phone number of the organization's representative.
6. Name and phone number of the person(s) in charge of the fund-raiser.
7. Name and phone number of the person(s) who shall be handling the money for the fund-raiser.

Bonfires shall be prohibited as school-related activities.

BOOSTER
ORGANIZATIONS

School-related booster organizations shall organize and function in a way that is consistent with the District's philosophy and objectives, within adopted Board policies, and in accordance with UIL guidelines as applicable.

District booster clubs shall:

1. Be voluntary and provide unified support for student activities of the school.
2. Be limited to a single club/organization for each area of student activity (i.e., athletics, band, choir, dance team, and the like).
3. Encourage involvement by all parents of students participating in the supported activity.
4. Use school facilities only with the prior approval of the principal or designee, in accordance with policy GKD(LOCAL).
5. Not be involved in decision- or policy-making activities for a student group.

11. Have an organizational review committee conduct an annual review of the organization's financial report and the related financial activity for the school year and prepare a written report communicating the results of the committee's review to the organization.
12. Submit the annual financial report and the review committee's report to the school principal and to the District's internal auditor by September 1 of each year.
13. Pay all taxes and other debts incurred by the organization.
14. Issue receipts for all money received.

PARENT ORGANIZATIONS

ORGANIZATION

The district encourages full participation and involvement in the education of students through the involvement of voluntary parent organizations that may be formed to promote the school program or to complement a particular student group or activity.

The formation of each organization is subject to the approval of the Superintendent.

Each organization shall operate under a constitution and/or by-laws approved by the principal of the school with which the organization is associated. Current by-laws and constitutions shall be submitted to the Superintendent or designee each September.

A current listing of officers for each parent organization shall remain on file in the principal's office at all times.

Parent organizations operate autonomously of the district, even though they generally exist solely to support school activities.

LIAISON

The campus principal shall serve as district liaison with any parent organization affiliated with the school. If an organization is affiliated with a specific student group, the faculty sponsor of such student group may be designated, by the principal, to serve as liaison.

FUND-RAISING

Parent organizations may conduct fund-raising activities to benefit student groups and activities.

Parent organizations must request approval of fund-raisers via Online Fund-raiser Project Request Form prior to fundraising activity. Each fund-raiser must be approved in advance by the principal and assistant superintendent.

Proposals for such activities must be submitted to the assistant superintendent at least 30 days prior to the date of the proposed activity. Emergency requests will be considered on a case-by-case basis. Proposals submitted shall include the following information :

PARENT ORGANIZATIONS

- a. Purpose of the fund-raiser,
- b. Type of fund-raising activity (i.e., candy sale, carnival),
- c. Date(s), time(s) and place(s) of the activity,
- d. Name of the sponsoring organization,
- e. Name and phone number of the organization's representative,
- f. Name and phone number of the person(s) in charge of the fund-raiser,
- g. Name and phone number of the person(s) who will be handling the money for the fund-raiser.

Fund-raising activities may be held using district facilities. Facilities desired for use shall be scheduled through the campus principal. Requests for facility use are subject to approval by the superintendent or designee. Organizations using district facilities shall provide evidence of adequate insurance coverage for activities conducted on district premises. The district shall not provide insurance coverage for parent organizations.

The board is charged with the responsibility for the proper safekeeping and expenditure of funds raised at the campus level. Therefore, funds raised by student organizations shall be maintained in the campus activity fund. Funds raised by parent organizations shall be maintained by the organization that initiated and executed the fund-raising activity.

There are state laws governing the use of "raffles" as fund-raising activities. A raffle is defined as the awarding of one (1) or more prizes by chance at a single occasion among a pool or group of persons who have paid or promised a thing of value for a ticket that presents a chance to win a prize. Parent organizations desiring to conduct a raffle must meet the following qualification:

1. The organization does not distribute any of its income to its members, officers, or governing body, other than as reasonable compensation for services.
2. The organization has existed for the three (3) preceding years and during those years has had a governing body or officers elected by a vote of its members, or a vote of delegates elected by its members, or has been affiliated with a state or national organization to perform the same purposes.
3. The organization does not devote a substantial part of its activities to attempting to influence legislation and does not participate or influence in any political campaign on behalf of any candidate for public office.

PARENT ORGANIZATIONS

4. The organization qualifies for and has obtained an exemption from federal income tax under Section 501(c) of the IRS Code. If food sales or service is part of the fund-raising activity, the sponsor must submit a Request for Food Sales or Service form (Exhibit GE-E-4) at least 30 days prior to the event. An approved copy must be received by the sponsor before the sale/service of food may occur on campus.

DONATIONS

The district welcomes the donation of funds or tangible property to schools and student organizations. It is preferable that funds be donated, as opposed to tangible property, thereby allowing the recipient organization to maximize the value of the gift by taking advantage of the savings power and tax free status enjoyed by the district. (See also CDC-R)

FINANCIAL MANAGEMENT

Parent organizations are not permitted to use the district's federal identification number or sales tax permit number.

Parent organizations are fully responsible for all taxes, debts, and other financial commitments incurred by the organization.

Parent organizations do not have the authority to commit or to represent that the district is responsible for its financial or contractual obligations.

Assets accounted for by parent organizations are not agency funds and are, therefore, not subject to bookkeeping by district employees. The bookkeeping responsibilities for such funds are to be handled by officers of the organization.

Officers of parent organizations are responsible for the opening and maintenance of bank accounts for the organization.

Parent organizations shall annually audit their records. Audits are to be performed by an audit committee composed of at least three (3) qualified members of the organization who are not signatories on the organization's bank account. (See Exhibit GE-E-3) Audits shall be performed on the following occasions:

1. Fiscal year end
2. Mid-year resignation of the financial officer
3. Any other occasion deemed necessary by the organization

The audit committee shall submit two (2) copies of the organization's audit report to the principal, who shall forward one (1) to the assistant superintendent.

PARENT ORGANIZATIONS

District employees may not serve in a financial capacity of a parent or booster organization. Financial capacity is defined as president, treasurer, fund raising chair, or check signer.

GENERAL INFORMATION

Parent organizations may use district facilities to conduct their activities; however, prior approval by the superintendent or designee is required.

Parent organizations shall not be involved in decision-making or policymaking activities of student groups.

Parent organizations shall have no authority in directing or influencing district employees in the administration of their duties.

Parent organizations shall comply with board policy and administrative procedures when offering money or gifts to the district.

Parent organizations shall assume liability for any and all personal injuries or property damage arising from their activities.

BUSINESS & FINANCE

Every September 1, parent organizations must submit the following information to the district's Business & Finance Department:

- A list of officers for the current school year;
- The previous year's financial report;
- The previous year's audit committee report;
- The Bylaws or Articles of Incorporation;
- The IRS Determination Letter; and
- Certificate of Insurance

Booster Club Guidelines

Be they music, fine arts, academic or athletic, booster clubs should exist to enrich students' involvement in extracurricular activities without endangering their eligibility.

| GENERAL GUIDELINES |

The role of competition

Participation teaches that it is a privilege and an honor to represent one's school. Students learn to win without boasting and to lose without bitterness.

Self-motivation and intellectual curiosity are essential to the best academic participants. Artistic commitment and a desire to excel are traits found in music participants. Physical training and good health habits are essential to the best athletes. Interscholastic competition is a fine way to encourage youngsters to enrich their education and expand their horizons.

Leadership and citizenship experiences through school activities help prepare students for a useful and wholesome life.

Plus, competition is fun!

Role of the Superintendent

Member schools make UIL rules and determine policies regarding penalties to schools, school district personnel and student participants. The superintendent is solely responsible for the entire UIL program. All school activities, organizations (including the booster club), events and personnel are under the jurisdiction of the superintendent. Booster clubs must recognize this authority and work within a framework prescribed by the school administration.

Role of Booster Clubs

Neighborhood patrons form booster clubs to help enrich the school's participation in extracurricular activities. The fund-raising role of booster clubs is particularly crucial in today's economic climate.

Written Policies

Booster clubs should develop and annually review policies to cover:

- *how to obtain administrative approval before beginning projects;
- *how to plan and publicize meetings;
- *bookkeeping and fund administration including process to obtain superintendent's approval prior to raising or spending funds;
- *election of officers (suggestion: one president; one secretary; one treasurer; and three vice - presidents: one vice

president to oversee fall, winter and spring sports);

- *taking, distributing and filing minutes;

- *public communication;

- *proper interaction with fine arts directors and academic and athletic coaches through the lines of authority as established by the school board;

- *a sportsmanship code governing behavior of booster club members and fans at contests, treatment of officials, guests, judges, etc.; and

- *plans to support the school regardless of success in competition, keeping the educational goals of competition at the forefront of all policies.

Relationship with the school

The superintendent or a designee who does not coach or direct a UIL contest has approval authority over booster clubs and should be invited to all meetings. All meetings should be open to the public.

- *Booster clubs do not have authority to direct the duties of a school district employee. The scheduling of contests, rules for participation, methods of earning letters and all other criteria dealing with inter-school programs are under the jurisdiction of the local school administration.

- *Minutes should be taken at each meeting and kept on file at the school.

- *School administration should apprise booster clubs of all school activities.

- *Booster clubs should apprise school administrators of all club activities.

- *Periodic financial statements itemizing all receipts and expenditures should be made to the general club membership and kept on file at the school.

| CLUB FINANCES |

Fundraising | Spending | Stipends | Gifts to Coaches

Money given to a school cannot be earmarked for any particular expense. Booster clubs may make recommendations, but cash or other valuable consideration must be given to the school to use at its discretion.

- *Fund-raising projects are subject to state law. Nonprofit or tax-exempt status may be obtained from the Internal Revenue Service.

- *Community-wide sales campaigns should be coordinated through the school administration to minimize simultaneous sales campaigns.

- *Sales campaigns should be planned carefully to insure that the projects provide dollar value for items sold, and that most of the money raised stays at home. Otherwise donations are often more rewarding than letting the major part of the

money go to outside promoters.

- *Fund-raising activities should support the educational goals of the school and should not exploit students. Activities and projects should be investigated carefully before committing the school's support.

- *Individuals who actively coach or direct a UIL activity should serve in an advisory capacity to the booster club and should not have control or signature authority over booster club funds, including petty cash or miscellaneous discretionary funds. Coaches wish-lists should have received prior approval from school administration before submission to boosters.

- *Coaches and directors of UIL academics, athletics and fine arts may not accept more than \$500 in money, product or service from any source in recognition of or appreciation for coaching, directing or sponsoring UIL activities. The \$500 limit is cumulative for a calendar year and is not specific to any one particular gift.

- *The district may pay a stipend, fixed at the beginning of the year, as part of the annual employment contract. The amount of the stipend can't depend on the success of a team or individual. In other words, a coach can't receive more money if a team or individual qualifies to region or state.

- *Funds are to be used to support school activities. To provide such funding for non-school activities would violate UIL rules and the public trust through which funds are earned.

| ATHLETIC BOOSTERS |

Club restrictions

Booster clubs cannot give anything to students, including awards. Check with school administrators before giving anything to a student, school sponsor or coach. Schools must give prior approval for any banquet or get-together given for students. All fans, not just members of the booster club, should be aware of this rule. It affects the entire community.

- *Unlike music and academic booster clubs, athletic booster club funds shall not be used to support athletic camps, clinics, private instruction or any activity outside of the school.

- *Booster groups or individuals may donate money or merchandise to the school with prior approval of the administration. These kinds of donations are often made to cover the cost of commercial transportation and to cover costs for out-of-town meals. It would be a violation for booster groups or individuals to pay for such costs directly.

- *Individuals should be informed of the seriousness of violating the athletic amateur rule.

The penalty to a student-athlete is forfeiture of varsity

athletic eligibility in the sport for which the violation occurred for one calendar year from the date of the violation. Student athletes are prohibited from accepting valuable consideration for participation in school athletics - anything that is not given or offered to the entire student body on the same basis that it is given or offered to an athlete. Valuable consideration is defined as tangible or intangible property or service including anything that is usable, wearable, salable or consumable. Local school districts superintendents have the discretion to allow student athletes to accept, from their fellow students, small 'goodie bags' that contain candy, cookies or other items that have no intrinsic value and are not considered valuable consideration.

*Homemade "spirit signs" made from paper and normal supplies a student purchases for school use may be placed on the students' lockers or in their yards. Trinkets and food items cannot be attached. Yard signs made of commercial quality wood, plastic, etc. if not purchased or made by the individual player's parent, must be returned after the season.

*The school may provide meals for contests held away from the home school. If the school does not pay for meals, the individual parents need to purchase their own child's food. Parents may purchase anything they wish for their own child but may not provide food for their child's teammates unless approved by the school. The school may also provide supplies for games and practices and transportation for school field trips. Students should pay admission fees during school field trips.

*Parties for athletes are governed by the following State Executive Committee interpretation of Section 441 of the UIL Constitution & Contest Rules.

Official Interpretation of the UIL Athletic Amateur Rule, section 441 of the UIL Constitution and Contest Rules:

(a) VALUABLE CONSIDERATION SCHOOL TEAMS AND ATHLETES MAY ACCEPT:

1. Pre-Season. School athletic teams may be given pre-season meals, if approved by the school.
2. Post-Season. School athletic teams may be given post-season meals if approved by the school. Banquet favors or gifts are considered valuable consideration and are subject to the Awards and Amateur Rules if they are given to a student athlete at any time.
3. Other. If approved by the school, school athletic teams and athletes may be invited to and may attend functions where free admission is offered, or where refreshments and/or meals are served. Athletes or athletic teams may be recognized at these functions, but may not accept anything, other than food items, that is not given to all other students.

(b) ADDITIONAL VALUABLE CONSIDERATION THAT SCHOOL TEAMS AND ATHLETES MAY ACCEPT

Examples of additional items deemed allowable under this interpretation if approved by the school, include but are not limited to:

1. meals, snacks or snack foods during or after practices;
2. parties provided by parents or other students strictly for an athletic team

Local school district superintendents continue to have the discretion to allow student athletes to accept small "goodie bags" that contain candy, cookies or other items that have no intrinsic value and are not considered valuable consideration.

| ACADEMIC BOOSTERS |

The rules for athletics are different than the rules for academics and music. Athletes are restricted by the Athletic Amateur Rule, which states that athletes cannot accept money or valuable consideration for participating in a UIL sport or for allowing their names to be used in promoting a product, plan or service related to a UIL contest. Academics has no amateur rule. Journalism participants may work for a newspaper and be paid. Actors may work summer stock and be paid. Students may win calculators and software for participating in invitational math contests.

UIL academic students are restricted by the Awards Rule. So, as a general practice, booster clubs should not give gifts or awards to students for their participation in UIL contests that count toward district, region or state standing. School booster clubs may raise money to purchase letter jackets, provided the funds are given to the school without designation to buy jackets for particular students and the school determines criteria for awarding the jackets. Parents may purchase jackets for their own children provided the school designates the student as being qualified to receive the jacket.

Booster Clubs may raise money to provide an annual banquet for academic participants and coaches.

With prior administrative approval, you may also:

- *Purchase equipment for programs such as computers or software for yearbook or computer science;
- *Organize and chaperone trips and assist with expenses for travel to academic competitions or educational trips such as journalism conventions or speech tournaments. Booster club funds may be used to provide food and refreshments for students on these trips. A purely recreational trip to Six Flags

Over Texas would not meet the definition of an educational field trip and could be considered a violation of the Awards Rule;

*Run tournaments, organize fund-raising efforts, recruit corporate donors, raise money for scholarships and arrange for tutors and professional trainers to work with students;

*Fund academic workshop scholarships provided selection of the recipients is not based solely on their success in interscholastic competition. Selection could be based on grade point average or the student's selection of high school courses. All students meeting the conditions for scholarship assistance should be notified and eligible for financial assistance. Funds should be monitored to ensure that they are expended for camp or workshop purposes.

We wish we had more academic booster clubs, whether they cover UIL academic competition in general or specific programs such as theatre, speech/debate, journalism or math/science. A great need exists for parental involvement and support.

| MUSIC BOOSTERS |

In addition to the general procedures outlined, the following guidelines apply to Music Booster Club activities.

*Some music booster clubs assist with expenses for travel to various music-related activities such as UIL contests and performances at away athletic events. Such financial support violates no UIL rules provided that it is approved and coordinated by the local school district.

*Many music groups schedule educational field trips with the approval of the local school administration and under local school district policies. For such trips, specific educational components must be included such as performing for a music festival, an adjudicated contest or a concert tour. Marching performances such as the Macy's Thanksgiving Day Parade, the Rose Bowl Parade or other similar ceremonial appearances also qualify. However, educational components need not be limited to performances. Concert attendance, visiting university/conservatory music facilities and other music related, non-performing opportunities would also be appropriate if approved by the local school district.

*A recreational trip, on the other hand, would not meet the definition of an educational field trip as provided in Section 480 of the UIL Constitution and Contest Rules. Students receiving the benefits of a purely recreational trip would likely be in violation of the Awards Rule.

*Booster Clubs may also fund scholarships for private

lessons and summer music camps provided the selection of the recipients is not based on success in interscholastic competition. Funds for such activities should be carefully monitored to ensure that they are expended for educational rather than recreational activities.

*The awarding of patches, T-shirts or other items for achievement in interscholastic competition would be subject to the UIL Awards Rule. In order to protect all music students' eligibility, such awards should be approved and administrated by the local school district in accordance with school district policies.

*Be mindful of the fact that there is no Music Amateur Rule. Therefore, limitations established in athletics intended to ensure compliance with the Athletic Amateur Rule do not apply to music programs and related activities.

What You Can Do:

Parents

- *Remember: The classroom comes first!
- *Help conduct fair and equitable competition: adhere to rules, uphold the law and respect authority.
- *Remember that officials are human. Respect their decisions.
- *Delegate authority to the school, then support its decisions.
- *Set standards by which you expect children to conduct themselves, and live by those standards yourself.
- *Be aware of capabilities and limitations of young people. Don't have unrealistic expectations.
- *Allow your children to live their own lives.
- *Be involved in areas in which your own child is not involved, thus contributing to school unity and spirit.
- *Show respect to the opponents of your children.
- *Praise. Don't criticize. Urge others to do the same.

Creating Your Own Identity Overview

The next three sections of the *Guidelines* provide detailed information related to applying for permits and exemptions you will need. As a supplement to these pages, the following short summary lists the necessary steps in the order in which they should be completed. Some blank forms and examples of completed forms and other information are included in the Appendix to assist you in completing the steps.

1. Decide if your Parent Organization/Booster Club will be an association or a corporation and prepare the necessary organizing document.

An association will prepare and sign an “Articles of Association” as an organizing document; however, this document **will not be filed** with the Texas Secretary of State. The date the final document is signed by at least two officers or board members is considered the beginning date of the organization.

A corporation will prepare and sign an “Articles of Incorporation” as an organizing document **to be filed** with the Texas Secretary of State. The date the Articles of Incorporation is filed by the state is considered the beginning date of the organization. You should receive a copy of your Articles of Incorporation from the Texas Secretary of State showing the state’s “filed” stamp and/or you will receive a Certificate of Filing.

Both the IRS and State of Texas require that each Parent Organization/Booster Club have an organizing document to establish the official formation of the organization. You will submit this document along with the appropriate forms when applying for federal tax exemption as a public 501(c)(3) organization and when applying for state sales, use, and franchise tax exemptions.

Benefits of Incorporation:

- Formalize organization and provide standardized operating procedures through Articles of Incorporation and Bylaws.
- Helps shield the individuals governing and operating the nonprofit organization from liabilities incurred by the organization, unless the individuals are negligent in their duties.

2. If Association, skip to Step 4. If Corporation, go to Step 3.
3. For a corporation, file for incorporation with the Texas Secretary of State before proceeding with Step 4. **For all Texas Secretary of State forms and filing instructions, go to www.sos.state.tx.us**
4. Apply for an Employer Identification Number (EIN) with the IRS.

Read “Top Ten Reasons for Delays in Processing Exempt Organization Applications” in the Appendix before you submit your application!!

5. Apply for a Sales Tax Permit with the Texas State Comptroller’s Office.
6. Apply for federal tax-exemption as a **public 501(c)(3)** organization with the IRS.
7. Receive a Letter of Acknowledgement from the IRS indicating receipt of your application and payment.
8. May correspond with the IRS if your bylaws need to be modified or if the IRS needs additional information to complete your approval process.
9. Receive a Determination Letter (approximately 2 – 4 months later) stating you are a public 501(c)(3) tax-exempt organization.
10. Send a copy of the Determination Letter to the Internal Auditor’s Office.
11. Apply for a limited exemption from Texas sales, excise, and use tax with the Texas State Comptroller’s Office.
12. If you are incorporated, file for franchise tax-exemption with the Texas State Comptroller’s Office.
13. Put all of the documents related to these steps in a “Permanent File” in a safe place to be forwarded to the new officers each year.
14. **Pat yourself on the back for a job well done!!**

State Regulatory Information

This section has been prepared to provide general, not specific or all-inclusive, information to Parent Organizations/Booster Clubs regarding state tax regulations. Steps have been documented to aid a Parent Organization/Booster Club in abiding by the regulations; however, these steps are only general guidelines and do **not** ensure that a Parent Organization/Booster Club will remain in compliance with all state tax regulations.

Each Parent Organization/Booster Club should strive to remain in good standing with all state agencies. **Therefore, each Parent Organization/Booster Club is responsible for obtaining its own competent independent counsel on accounting and tax matters related to its specific circumstances.** This counsel may include a Certified Public Accountant (CPA) or an attorney. The cost of these services will be the Parent Organization's/Booster Club's responsibility.

General State Regulatory Information

Parent Organization/Booster Club officers are solely responsible for ensuring that their Parent Organization/Booster Club is in compliance with all state regulations. Therefore, the District, including any District employee, is not responsible for a Parent Organization/Booster Club not being in good standing with all state agencies. However, the District has provided the following information that includes detailed steps Parent Organizations/ Booster Clubs should take to comply with state tax regulations.

Obtaining an Employer Identification Number Chapter 1

To sell any taxable items within the State of Texas, a company, organization, or person must apply for a Sales Tax Permit. Before obtaining a Sales Tax Permit, a Parent Organization/Booster Club must **first** obtain an Employer Identification Number (EIN) from the Internal Revenue Service (IRS) to establish its identity as an organization.

Obtaining a Texas Sales Tax Permit

Parent Organizations/Booster Clubs should obtain a Texas Sales Tax Permit if you intend to sell goods or taxable services in Texas. The sale of goods **does include** fund-raisers, such as catalog sales, candy sales, and sales of other items. In addition, some Parent Organizations/Booster Clubs sell services that may be taxable.

Parent Organizations/Booster Clubs may obtain a Texas Sales Tax Permit by submitting the completed applications to the Texas State Comptroller's Office.

Note: *An example of the Texas Application for Sales Tax Permit is included in the Appendix*

A Texas Sales Tax Permit will be issued to the Parent Organization/Booster Club along with a Sales Tax Permit Number. The Texas Sales Tax Permit Number has 11 digits and begins with a 1, 2, or 3. The permit numbers beginning with a "1" are based on an entity's EIN. Those permit numbers beginning with a "2" are based on a person's social security number. The permit numbers beginning with a "3" are assigned by the Texas State Comptroller's Office.

Parent Organizations/Booster Clubs should not use the District's Sales Tax Permit Number.

Qualifying for Exemption from Texas Limited Sales, Excise, and Use Tax

The Texas limited sales, excise, and use tax exemption allows approved organizations an exemption from sales tax when purchasing items to further the organization's exempt purpose. Therefore, this limited exemption allows the approved Parent Organization/Booster Club to make sales tax-exempt purchases of items intended for resale for a fund-raiser. **This exemption process is separate and in addition to applying for federal tax-exemption from the IRS.**

Only those Parent Organizations/Booster Clubs that have obtained tax-exempt status from the IRS may apply for the state exemption from Texas limited sales, excise, and use tax.

IMPORTANT

If the IRS considers a Parent Organization/Booster Club a **taxable organization**, the Parent Organization/Booster Club **CANNOT** receive an exemption from the Texas limited sales, excise, and use tax.

Parent Organizations/Booster Clubs may request exemption from the Texas limited sales, excise, and use tax by submitting the following to the Texas State Comptroller's Office:

1. Cover letter with the organization's name, mailing address, and Sales Tax Permit Number. Specifically request an exemption from "sales and use tax." Include the name and daytime phone number of the organization's contact person in case the Texas State Comptroller's Office has any questions.
2. Written statement detailing the nature of the activities conducted or to be conducted.
3. Copy of the bylaws.
4. Copy of the Articles of Incorporation, if the Parent Organization/Booster Club is incorporated.
5. Copy of the Determination Letter from the IRS granting the Parent Organization/Booster Club tax-exempt status.
6. Copy of the Parent Organization's/Booster Club's constitution or any applicable trust agreement.

The Texas State Comptroller's Office may require a Parent Organization/Booster Club to furnish additional information including, but not limited to, documentation showing

1. all services performed by the organization and
2. all income, assets, and liabilities of the organization.

Note: No fee is required to apply for this exemption. In addition, exemption from franchise tax may be requested within this letter.

See Appendix for additional information from Texas State Comptroller's Office.

The information should be mailed to:

Exempt Organizations
PO Box 13528
Austin, TX 78711

IMPORTANT

Do not use “Texas State Comptroller’s Office” in this address, per their instructions, due to the mail routing system. Please use the address as listed above.

After a review of the information, the Texas State Comptroller’s Office will notify the Parent Organization/ Booster Club in writing if the organization qualifies for the exemption. This review process may take about 2 to 3 weeks.

IMPORTANT

If a Parent Organization/Booster Club loses its federal tax-exempt status, the IRS notifies the Texas State Comptroller’s Office. Upon notification, the Texas State Comptroller’s Office will immediately revoke the exemption from the Texas limited sales, excise, and use tax. **Therefore, all subsequent purchases by the Parent Organization/Booster Club would be taxable.** In addition, the Parent Organization/Booster Club must notify its vendors of the loss of exempt status concerning the Texas limited sales, excise, and use tax.

Parent Organizations/Booster Clubs with the Limited Exemption

The exemption from the Texas limited sales, excise, and use tax (limited exemption) allows the approved Parent Organizations/Booster Clubs to make tax-exempt purchases of items intended for resale for a fund-raiser. The Parent Organization/Booster Club must present the vendor with a Texas Resale Certificate in order to purchase the items for resale tax-free. In addition, the certificate must state the Parent Organization’s/Booster Club’s Sales Tax Permit Number to be valid. Parent Organizations/Booster Clubs may request the Texas Resale Certificate from the Texas State Comptroller’s Office.

VERY IMPORTANT – Please Note:

The Parent Organizations/Booster Clubs with the limited exemption are entitled to two (2) “one-day, tax-free” sales or auctions per calendar year. A fund-raiser qualifies for the “one-day, tax-free” sale/auction if all items are to be delivered on one day. Each "one-day" sale/auction may not exceed 24 consecutive hours.

Remember: You must be granted the limited exemption first to be entitled to the two(2) “one-day, tax free” sales or auctions per calendar year.

Sales of items such as T-shirts, candles, cups, etc. are subject to sales tax when sold on days other than the two (2) “one-day, tax-free” sale/auction days.

Parent Organizations/Booster Clubs with No Exemption

Parent Organizations/Booster Clubs that are taxable organizations or Parent Organizations/Booster Clubs that have not received approval for the limited exemption from the Texas State Comptroller’s Office must pay sales tax on all applicable purchases and must collect sales taxes on all taxable items sold.

Parent Organizations/Booster Clubs that do not have an exemption are not entitled to any "one-day, tax-free" sales/auctions.

“Tax-exempt” Organizations

Some organizations may be extended a "tax-exempt" status by the Texas State Comptroller’s Office. The organizations receiving this status may buy, lease, or rent taxable items without paying sales and use tax if those items are necessary to their function as a tax-exempt organization.

Historically, the Texas State Comptroller’s Office has not extended "tax-exempt" status to Parent Organizations/Booster Clubs.

Reporting Requirements

The Texas State Comptroller’s Office requires that Parent Organizations/Booster Clubs file at least one sales tax report per calendar year. The frequency of filing the sales tax report is determined by the Texas State Comptroller’s Office. The amount of anticipated sales tax payments affects the frequency of reporting as follows:

- ◆ If projected yearly sales tax payments are \$1,000 or less, sales tax reports are filed annually.

- ◆ If projected yearly sales tax payments are more than \$1,000, sales tax reports are usually filed monthly or quarterly.

Since sales tax payments may vary from year to year, the frequency of reporting can also change. The Texas State Comptroller’s Office will generally communicate changes in filing requirements to the Parent Organizations/Booster Clubs in writing. In addition, the Texas State Comptroller’s Office will generally mail the required reporting form and information to organizations that have obtained a Sales Tax Permit.

Franchise Tax

The franchise tax serves as Texas’ primary business tax. The tax is levied on corporations, including bank corporations, and limited liability companies that are chartered in Texas for the privilege of doing business in Texas. Non-corporate organizations, such as partnerships, associations, and proprietorships are excluded from the tax. Therefore, if a Parent Organization/Booster Club is incorporated, they are subject to franchise tax.

However, Parent Organizations/Booster Clubs that have received their Determination Letter from the IRS granting 501(c)(3) tax exemption may also request exemption from the Texas franchise tax through the Texas State Comptroller’s Office.

Although a nonprofit corporation that is exempt from federal income tax under Internal Revenue Code 501(c)(3) is exempt from franchise tax, the exemption is **not automatically granted**. Parent Organizations/Booster Clubs must write to the Texas State Comptroller’s Office requesting franchise tax exemption by submitting the following:

1. Cover letter with the organization's name, mailing address, and Sales Tax Permit Number. Specifically request an exemption from “franchise tax.” Include the name and daytime phone number of the organization's contact person in case the Texas State Comptroller’s Office has any questions.
2. Written statement detailing the nature of the activities conducted or to be conducted.
3. Copy of the bylaws.
4. Copy of the Articles of Incorporation, if the Parent Organization/Booster Club is incorporated.
5. Copy of the Determination Letter from the IRS granting the Parent Organization/Booster Club tax-exempt status.
6. Copy of the Parent Organization’s/Booster Club's constitution or any applicable trust agreement.

The Texas State Comptroller’s Office may require a Parent Organization/Booster Club to furnish additional information including, but not limited to, documentation showing

1. All services performed by the organization and
2. All income, assets, and liabilities of the organization.

Note: No fee is required to apply for this exemption. In addition, exemption from sales and use tax can be requested within the same letter.

See Appendix for additional information from Texas State Comptroller’s Office.

The information should be mailed to:

IMPORTANT
Do not use “Texas State Comptroller’s Office” in this address, per their instructions, due to the mail routing system. Please use the address as listed above.

Change in Address

If the mailing address for the Parent Organization/Booster Club changes, immediately notify the Texas State Comptroller’s Office. Failure to do so may result in important correspondence being lost. To avoid frequent mailing address changes, the Texas State Comptroller’s Office recommends that each Parent Organization/Booster Club obtain its own post office box (PO Box) or private mailing box (PMB) to be used for official Parent Organization/Booster Club mail. In addition, the post office box address and keys can be given easily to the new officers at the beginning of each new year. The District’s campus mailing address cannot be used by the Parent Organizations/Booster Clubs.

Obtaining an Employer Identification Number

The IRS requires that **all organizations** obtain a unique Employer Identification Number (EIN) for identifying itself as a unique entity. The IRS prohibits Parent Organizations/ Booster Clubs from using their central organization's EIN; therefore, **Parent Organizations/Booster Clubs should not use the District's EIN.**

IMPORTANT

An organization is **not** automatically considered tax-exempt by acquiring an EIN. All organizations must first apply for an EIN to be recognized as a unique entity and then apply for tax-exempt status. Likewise, the mere fact that an entity is organized as a non-profit organization does **not** indicate that it is exempt from federal tax. “Non-profit” is a state law concept and is **not** recognized by the IRS.

Parent Organizations/Booster Clubs may obtain an EIN by:

Completing IRS Form SS-4 (Application for Employer Identification Number)

The online application can be located at:

<http://www.irs.gov/businesses/small/article/0,,id=102767,00.html>

Note: No fee is required for obtaining an EIN.

After receiving your EIN, you may use it to then open a bank account and obtain a State Sales Tax Permit. **Parent Organizations/Booster Clubs should not use an individual's social security number to conduct the business of the organization.**

Copies of the completed SS-4 form and the IRS response documenting the assigned EIN number should be kept in the Parent Organization's/Booster Club's permanent records from year to year.

Why Do I Want To Be Tax - exempt?

The IRS Tax Code provides for special treatment of certain organizations identified as "tax-exempt." Some benefits to becoming tax-exempt as a public 501(c)(3) organizations include:

1. Taxes are not paid to the IRS for revenues raised,
2. Contributions to certain tax-exempt organizations [501(c)(3)] are tax-deductible by the contributor, and

However, the following are restrictions placed on tax-exempt organizations that Parent Organizations/Booster Clubs **must follow** to receive tax-exempt status and to retain that status:

- ◆ **Tax-exempt organizations must benefit a group as a whole instead of benefiting individual members of a group.** Since Parent Organizations/Booster Clubs usually assist student groups, all members of the student group sponsored are to be treated equally and receive the same opportunity to benefit from the Parent Organization's/Booster Club's assistance. Therefore, one student cannot receive a greater benefit than another unless the criteria for financial need discussed below is met.

In some instances, individuals may not be able to afford to pay the amount owed to participate in a particular event. The IRS has indicated that a group or club may establish criteria that could be used to determine if a person is in financial need. If the criteria are met, the group or club could provide the necessary funds to allow the individual to participate. The criteria should be established in writing prior to a particular situation arising. In addition, the criteria should be used consistently for all people, and the criteria should not change every year.

- ◆ **Tax-exempt organizations cannot use individual accounts.** "Individual accounts" are those accounts used by a Parent Organization/Booster Club to credit an individual with revenues raised. The Parent Organizations/Booster Clubs would use these accounts to benefit the individual by offsetting that individual's expenses with the amount credited to that individual from the revenues raised.

Please note that individual accounts do not refer to bank accounts.

The purpose of a tax-exempt organization is to benefit an entity as a whole instead of benefiting individuals. Therefore, the use of individual accounts could result in denial of the application for tax-exempt status by the IRS or the loss of existing tax-exempt status. In addition, the individual benefits received by people would result in taxable income to them.

- ◆ **Tax-exempt organizations cannot require a person to participate in fund-raising activities.** Normally, Parent Organizations/Booster Clubs raise funds for a student group through the efforts of the Parent Organizations/Booster Club members; however, sometimes the students of the group being assisted participate in the fund-raising activities. A Parent Organization/Booster Club cannot require its members or the students in the related student group to participate in a fund-raiser. Furthermore, members of the student group who do not participate in fund-raising activities would receive the same opportunity to benefit as those members of the student group who participated.

- ◆ **Tax-exempt organizations cannot require that a certain amount be raised or sold per person.** For example, a Parent Organization/Booster Club cannot require that each Parent Organization/Booster Club member or student of the assisted group sell \$20 worth of candy or sell 10 candy bars in a fund-raiser.

The following is an illustration of the above concepts:

A dance team is attending a summer dance camp that costs \$2,000 for its 10 members (\$200 each). The Dance Team Booster Club decides to have a catalog fund-raiser to help defray some of the cost of the summer dance camp. The catalog sale generates a total of \$200 of revenue. Of the 10 total members of the dance team, only 2 participate in the catalog sale that generates the \$200, which is deposited into the Dance Team Booster Club's bank account.

*Since revenues from the catalog sale were to be used to defray some of the dance camp expense, the tax-exempt Dance Team Booster Club must give all 10 dance team members an equal opportunity to benefit from the catalog sale, even though only 2 members participated. This means that **each member's cost** would be reduced by \$20 ($\$200 / 10$ members). Therefore, each member's cost for attending the summer camp would be \$180 ($\200 cost - $\$20$ fund-raiser benefit).*

Why Do I Want To Be a Public 501(c)(3)?

When applying for tax-exempt status with the IRS, Parent Organizations/Booster Clubs should apply for the **public 501(c)(3) tax-exemption**. This type of exemption means that the organization is tax-exempt; the majority of its income is from the public; and all donations, subject to certain individual restrictions, are deductible on the contributor's tax return. In addition, 501(c)(3) organizations are eligible for state tax benefits (*See the State Regulatory Information.*) and reduced postal rates.

The IRS has several other tax-exempt categories; however, the 501(c)(3) status is the **ONLY** category that allows any donations to be deductible on the contributor's tax return. All other categories allow for tax-exemption, but do not allow for deductible donations under any circumstances.

With a 501(c)(3) tax-exempt status, an organization may be public or private. A private 501(c)(3) organization has additional requirements and constraints that a public 501(c)(3) organization does not have.

Therefore, all Parent Organizations/Booster Clubs should apply for tax-exempt status as a public 501(c)(3) organization.

Becoming a Public 501(c)(3) Tax-exempt Organization

Tax-exempt status is not automatic once an EIN has been issued; **organizations must apply for tax-exempt status**. According to the IRS, an organization is either a taxable organization or a tax-exempt organization. Furthermore, organizations may **not** represent themselves as tax-exempt until they have obtained notification from the IRS stating they are a tax-exempt entity.

According to Board Policy GE (Local), **all Parent Organizations/Booster Clubs should seek tax-exempt status with the IRS as a public 501(c)(3) organization**. The Parent Organization/Booster Club officers should take the necessary steps to ensure they follow the regulations regarding that type of entity.

Applying for Public 501(c)(3) Tax-exempt Status

1. Complete IRS Package 1023 (Application for Recognition of Exemption) seeking tax-exempt status as a **public 501(c)(3)** organization.
2. Complete IRS Form 8718 (User Fee for Tax-exempt Organization Determination Letter Request) and pay the required fee of \$400 or \$850.
3. Mail Package 1023, Form 8718, and a check for the filing fee to:

Internal Revenue Service
PO Box 12192
Covington, KY 41012-0192

The filing fee is \$400 if your annual gross receipts averaged **no more than \$10,000** during the last 4 years or if you are a new organization that does not anticipate annual gross receipts exceeding \$10,000 during your first 4 years.

The filing fee is \$850 if your annual gross receipts averaged **more than \$10,000** during the last 4 years or if you are a new organization that anticipates annual gross receipts exceeding \$10,000 during your first 4 years.

Annual gross receipts: The total amount of revenue collected by an organization during its reporting year from any source. Sources may include, but are not limited to, membership fees, donations, fund-raising revenues, amounts collected for the payment of expenses (e.g., uniforms, trips), and any other amounts received.

To determine annual gross receipts:

- **Add** all deposits made to the Parent Organization's/Booster Club's bank account(s),
- **Add** cash on hand that was not deposited by the end of its reporting year,
- **Less** transfers from one bank account to another, and
- **Add** expenses paid with money collected that was not deposited in the Parent Organization's/Booster Club's bank account(s).

When completing the IRS Package 1023, Parent Organizations/Booster Clubs will establish their fiscal year-end (*also known as the accounting period year-end or official year-end*). Once this date is established, the IRS does not easily allow an organization to change it. Changes are usually only allowed for extreme circumstances. The date established will determine when the Parent Organization/Booster Club has to file their informational return (Form 990) to the IRS. The return is due 4 ½ months after the end of a fiscal year (*the 15th day of the 5th month after the organization's accounting period ends*).

When considering a fiscal year-end date, you may wish to align your year-end with the district's year-end date of June 30. This way, the financial activity of the Club can relate easily to a given school year. Second, the current officers can prepare the annual Financial Report and have it audited before the new school year begins. Third, the Club's Form 990 would not be due to the IRS until November 15; therefore, the new officers would have time to prepare it after beginning the new school year.

The IRS approval process for tax-exempt status usually takes several months.

Read "The Top Ten Reasons for Delays in Processing Exempt Organization Applications" in the Appendix before you submit your application!!

The IRS will send the organization an Acknowledgement of Your Request letter that indicates your application and fee were received and are being processed.

Upon approval by the IRS of the tax-exempt status, the organization will receive a Determination Letter stating that the organization is considered to be tax-exempt as of a certain date. Only then can the organization represent itself as a federally tax-exempt organization.

Likewise, donations to the organization are only deductible on the contributor's tax return as of the effective date on the Determination Letter received by the Parent Organization/Booster Club granting 501(c)(3) tax-exempt status and within set guidelines that apply to 501(c)(3) organizations.

If the Parent Organization/Booster Club does not obtain the appropriate qualifying status, advertisements should clearly state that donations to the organization are **“not tax-deductible”** so that a contributor is not misled and does not incur penalties levied by the IRS for taking the deduction erroneously.

If the IRS does not grant tax-exempt status, the organization will receive a Letter of Denial stating the organization is not considered tax-exempt.

Send a copy of the Acknowledgement of Your Request and a copy of the Determination Letter to the District's Business & Finance Dept. when each is received.

Examples of an Acknowledgment of Your Request and a Determination Letter have been included in the Appendix.

Obtaining Tax-Exemption through National Affiliation

Some organizations may become affiliated with a national organization that has already received tax-exempt status as a public 501(c)(3) organization from the IRS (e.g., PTAs). The national organization may have a Group Exemption Number (GEN) assigned to it by the IRS. The GEN may be used by local affiliates to avoid having to file their own Form 1023.

Each local affiliate, however, must obtain an Employer Identification Number (EIN).

Advance Ruling Period – As of September 2008, the Advance Ruling Period was eliminated. See next page for more information.

Elimination of the Advance Ruling Process

On September 9, 2008, the IRS issued [temporary Income Tax Regulations](#), which eliminate the advance ruling process for a section 501(c)(3) organization. Under the new regulations, a new 501(c)(3) organization will be classified as a [publicly supported charity](#), and not a private foundation, if it can show that it reasonably can be expected to be publicly supported when it applies for tax-exempt status.

Under the old regulations, an organization that wanted to be recognized by the IRS as a publicly supported charity instead of a private foundation had to go through an extended two-step process. First, the organization had to declare that it expected to be publicly supported on an on-going basis. Then, after five years, it had to file [Form 8734, Support Schedule for Advance Ruling Period](#), showing the IRS that it actually met the public support test. If it didn't meet the test, it was designated a tax-exempt private foundation and would be [subject to stricter rules](#).

The new rules no longer require the organization to file Form 8734 after completing its first five tax years. Moreover, the organization retains its public charity status for its first five years regardless of the public support actually received during that time. Instead, beginning with the organization's sixth taxable year, it must establish that it meets the public support test by showing that it is publicly supported on its [Schedule A to Form 990, Return of Organization Exempt From Income Tax](#). [Transition rules](#) apply to organizations that have previously received advance rulings.

Filing Requirements for Tax-exempt Organizations

The IRS requires that either Form 990 (Return of Organization Exempt from Income Tax) or Form 990-EZ (Short Form of Return of Organization Exempt from Income Tax) **be filed annually** for public organizations recognized as tax-exempt with gross receipts of more than \$50,000. (*See definition of "annual gross receipts" in this section.*)

Contact the IRS at 1-800-829-3676 to order forms.

The return is due by the 15th day of the 5th month after the accounting period ends (due 4½ months after the Parent Organization's/Booster Club's official or fiscal year-end). Please refer to your Determination Letter for confirmation of your accounting period year-end.

Most small tax-exempt organizations whose annual gross receipts are normally \$50,000 or less are required to electronically submit Form 990-N, also known as the e-Postcard, unless they choose to file a complete Form 990 or Form 990-EZ instead. See www.irs.gov for filing deadlines.

>>Parent Organizations/Booster Clubs must use Form 990-EZ (or 990) if:

1. Gross receipts are more than \$50,000 but less than \$200,000 **AND**
2. Total assets are less than \$500,000 at year-end.

>>Parent Organizations/Booster Clubs must use Form 990 if:

1. Gross receipts are \$200,000 or more **OR**
2. Total assets are \$500,000 or more at year-end.

Failure to file for three consecutive years will result in the organization's loss of 501(c) (3) status.

Taxable Organizations

If a Parent Organization/Booster Club has not obtained tax-exempt status from the IRS, that Parent Organization/Booster Club is a taxable entity. Taxable organizations operate under different guidelines than tax-exempt organizations and are required to submit Form 1120 (U.S. Corporation Tax Return) annually. Form 1120 must be filed each year no matter the amount of the gross receipts.

Since the District Parent Organization/Booster Clubs should be public 501(c)(3) organizations, the IRS guidelines concerning taxable organizations are not included in this handbook. Taxable organizations should obtain their own competent independent counsel, such as a CPA, on accounting and tax matters related to their specific circumstances. The cost of the counsel would be the Parent Organization's/Booster Club's responsibility.

Change in Address

Immediately notify the IRS if the Parent Organization's/Booster Club's mailing address changes. Failure to do so may result in important correspondence being lost. To avoid frequent mailing address changes, the IRS recommends that each Parent Organization/Booster Club obtain its own post office box (PO Box) or private mailing box (PMB) to be used for official Parent Organization/Booster Club mail. In addition, this address and box keys can be given easily to the new officers at the beginning of each new year. The District does not allow campus addresses to be used by a Parent Organization/Booster Club.

Taking Care of Business

Taking Care of Business Overview

Parent Organizations/Booster Clubs have many responsibilities to the federal government, the state, the District, and to the students they support. Part of this responsibility is to keep accurate and updated records so that the organization may complete the necessary filing requirements with the state and the IRS. In addition, these records will help you prepare your annual Financial Report and Review Committee Report due to the Principal and the Business & Finance Dept. by September 1, of each year.

With this in mind, this section has been prepared to assist you in establishing a general record-keeping system, a general system of internal controls, and to guide you in preparing the Financial Report and related Review Committee Report. Establishing a good record-keeping system is an essential step in creating a successful organization.

Most of the reporting requirements of a Parent Organization/Booster Club are dependent on the financial records kept; therefore, the office of Parent Organization/Booster Club Treasurer is an extremely important and vital position that should not be taken lightly. Even though the Treasurer may assign certain duties to another person (i.e., Fund-raiser Chairperson – Catalog Sales), the Treasurer is ultimately responsible for assuring that all financial records are maintained accurately for the Parent Organization/Booster Club.

Parent Organization/Booster Club officers also have day-to-day responsibilities to the club, as well as the students they support. Some of these responsibilities include:

- Setting up a bank account properly,
- Accounting properly for fund-raiser income and expenses,
- Analyzing the outcome of each fund-raiser to determine its financial success/failure,
- Establishing and maintaining money handling procedures, and
- Becoming knowledgeable of District policies concerning using District buildings.

In addition, Parent Organizations/Booster Clubs should submit certain information to Business & Finance and to the Principal as soon as the information changes. This information is included on the following **Parent Organization/Booster Club Information Sheet pg 7.3**.

Financial Report Information & Formats

Each year Parent Organizations/Booster Clubs are required to submit a written report of actual revenues and expenditures (Financial Report) for that school year to the School Principal and to the District's Business & Finance Dept. by September 1, of the following year.

The Treasurer of the Parent Organization/Booster Club should prepare the Financial Report and should ensure that the Financial Report includes:

- Name of school, name of Parent Organization/Booster Club, and the time period covered in the report.
- Actual revenues and expenditures for the applicable school year. The current year report should start at the point in time where the prior year report ended. For example, if the 2016-17 report ended on June 30, 2017, then the 2017-18 report will begin as of July 1, 2017.
Since clubs may start their new year at various times, the time period used for reporting actual revenues and expenditures may vary from club to club; however, the individual Parent Organizations/Booster Clubs should try to be consistent in the time period they use from year to year.
- Name, title, and signature of person who prepared the report.
- Date the report was prepared.

The Parent Organization/Booster Club may want the time period used for reporting purposes to coincide with the election of new officers. If new officers normally come into office May 1, of each year, the time period for the Financial Report may be from May 1, to April 30, of the following year.

The following examples of Financial Reports are included in this handbook:

- **Type 1** - This example is a cash basis financial report that includes the beginning and ending cash balances for the year. Money received is usually shown as income and money paid is usually shown as an expense.

The beginning cash balance for the current year should agree to the ending cash balance from the prior year.

★ *Type 1 report format is the simplest to prepare.* ★

Financial Report Information & Formats

- **Type 2** - This example is an accrual basis financial report that includes assets, liabilities, equity, income, and expenses. This report would include the cash transactions, but would also show amounts to be received or amounts to be paid in which money has not yet been exchanged, prepayments of expenses that have not yet been incurred, or receipt of amounts in which income is not yet recognized.

The retained earnings amount should agree to the total equity amount from the prior year.

Review Committee Report Information & Formats

Each Parent Organization/Booster Club is required to have an organizational committee conduct an annual review of the organization's Financial Report and the related financial activity for the school year. The review committee may be two types: internal or external. An internal review committee includes officers and club members; however, the committee should have at least one non-officer member review the information. A CPA or other legal counsel may perform an external review at the Club's expense. The organizational review committee, whether internal or external, must prepare a written Review Committee Report that communicates the results of the review to the organization.

IMPORTANT

- The Treasurer(s) [and Assistant Treasurer(s), if applicable] **should not** be on the Review Committee. **Since they are reviewees, they cannot also be the reviewers.** However, they may meet with the committee or external reviewer to explain their records or answer questions.
- The Sponsor, Sponsor's spouse, or Officer's spouse cannot be the designated "non-officer" member of the Review Committee. They may be part of the Review Committee; however, they would not be considered non-officers for the purpose of the review.

An Internal Review Committee should use the examples of Review Committee Reports included on the next few pages. However, an external party should show the results of the review in their own report format with their signature and date included. Although the examples included show space for four (4) members, the Club may have more or fewer committee members. However, the same information must be documented for **each committee member** (*as opposed to the group as a whole*), regardless of the size of the committee.

The Parent Organization/Booster Club Review Committee Report examples include:

- **Option A - Review was performed with no exceptions noted;** therefore, the Financial Report appears proper and correct.
- **Option B - Review was performed with immaterial exception(s) being noted.** The Financial Report was either corrected or exceptions did not have a material effect. Except for these minor exceptions, the Financial Report appears proper and correct.
- **Option C - Review was performed with material exception(s) being noted.** Because of the material exception(s), the Financial Report is not proper and correct.

In some instances, due to material exception(s), the committee may not be able to determine whether the Financial Report is proper and correct. When this situation occurs, the committee may state that the status of the Financial Report could not be determined because of material exception(s).

The Review Committee Report along with the Financial Report should be submitted to the School Principal and to the District's Business & Finance Dept. by September 1 of each year.

Suggested Review Committee Guidelines

The following suggested guidelines are designed to assist the Parent Organization/Booster Club Review Committee in conducting a thorough review of the Parent Organization's/Booster Club's Financial Report and the financial activity for the applicable school year.

- Have the Treasurer prepare the written report of revenues and expenditures (Financial Report) for your Parent Organization/Booster Club. The report should include information for the **full applicable year**.
- The review must cover the period beginning with the reconciled cash balance from the previous written Financial Report and ending with the reconciled cash balance from the last day of the time period reported by the Parent Organization/Booster Club. If the Club is using a retained earnings account, then the beginning retained earnings should equal the prior year's ending retained earnings balance plus/(minus) net income/(loss).
- Review the reconciled bank statements and canceled checks to determine that:
 1. Disbursements have been properly documented with an invoice or receipt,
 2. Disbursements have been properly approved,
 3. Checks have been properly signed,
 4. Checks have been deposited or cashed by the payee indicated and that no information on the face of the check has been altered, and
 5. Checks have been accounted for in the proper sequence (no missing checks).
- Check addition and subtraction on cash receipts and deposits.
- Compare cash receipts and deposits to the bank statement.
- Verify that receipts and disbursements were recorded to the correct account category.
- Review the Treasurer's monthly reports and check them for accuracy. Review the beginning and ending balances on reports to verify that correct ending balances were carried forward as beginning balances on subsequent reports.
- Determine that only applicable Parent Organization/Booster Club officers are authorized signers on the bank account(s). Former officers should not remain on the account(s) as authorized signers.

Additionally, per the District Administrative Code GE-R, District employees may not serve in a financial capacity of a parent or booster organization. Financial capacity is defined as president, treasurer, fund raising chair, or check signer

- Determine that the coaches and directors of UIL academics, athletics, and fine arts were not given more than \$500 in money, product(s), or service(s) in recognition for coaching, directing, or sponsoring UIL activities during a calendar year.
- Obtain proof that all applicable sales tax reports were submitted to the Texas State Comptroller's Office and that the related taxes were paid.
- Determine which two fund-raisers were chosen to be the "one-day, tax-free" sales/auctions, if applicable. **Only Parent Organizations/Booster Clubs that have received a limited exemption from the Texas State Comptroller's Office are allowed two (2) "one-day, tax-free" sales/auctions per calendar year.**
- Review the tax-exempt status of the Parent Organization/Booster Club to determine that the Club has received and maintained its federal tax-exempt status as a public 501(c)(3) charitable organization or other tax-exempt status deemed by the IRS.
- Determine that either
 - (1) Form 990-N, Form 990 or 990-EZ has been filed properly with the IRS for the prior school year if the Club is a tax-exempt charitable organization, or
 - (2) Form 1120 has been filed properly with the IRS for the prior school year if the Club is not tax-exempt.
- Determine that a tax-exempt Parent Organization/Booster Club has not used individual accounts, which credit funds raised to individual students or parents.
- Verify that 1099s were issued, if applicable. In general, you may have to issue a 1099-MISC (Miscellaneous Income) for each person to whom you have paid at least \$600 in rents, services, prizes & awards, attorney fees, and other similar situations **within a calendar year.**

Example: High-Kick Drill Team Booster Club hires a consultant during the Spring of the 2016-17 school year for a \$300 fee. The consultant is hired again in the Fall of 2017-18 for a \$300 fee. The Parent Organization/Booster Club should issue a 1099-MISC form to this person since the total paid within the 2017 calendar year is \$600.

After the review is complete, prepare the applicable Review Committee Report (**only one** report type may be used per review):

Option A	No Exceptions (i.e., errors, irregularities)	Financial Report appears proper and correct
Option B	Immaterial Exceptions	Financial Report appears proper and correct, except for some immaterial exceptions Financial Report does not appear proper and correct because of material or
Option C	Material Exceptions	Financial Report status cannot be determined because of material exception(s)

- If exceptions are noted during the review, consult with the organization's Treasurer and President (if necessary) to resolve the exception(s). The Treasurer is responsible for making any corrections to the records, checkbook, and Financial Report.
- If material exceptions have been noted, prepare recommendations to prevent the future occurrence of these exceptions.
- The organization's Treasurer and President are responsible for acting upon the recommendations made by the Parent Organization/Booster Club Review Committee.
- Retain the **original** written Parent Organization/Booster Club Financial Report and the **original** Parent Organization/Booster Club Review Committee Report on file with the Treasurer of the Parent Organization/Booster Club.
- Submit one **copy** of your Parent Organization/Booster Club Financial Report along with the Review Committee Report to the School Principal and another **copy** of these items to the District's Business & Finance Department.

- No documentation of cost existed for the 100 new uniforms purchased.
- Checking and savings accounts were not reconciled during the year.
- Only one (1) authorized signature appeared on all checks written instead of the two (2) required authorized signatures as indicated in the Parent Organization/Booster Club bylaws.
- No documentation exists showing sales for the Christmas Cards sold to determine whether the amount recorded in the Financial Report is correct.

To prevent the above exceptions from occurring in the future, the following steps should be taken:

- Documentation of all expenses, such as an invoice, should be received prior to payment of expense. Documentation should be kept with the other Parent Organization/Booster Club records.
- All bank accounts should be reconciled on a monthly basis.
- All checks issued should be signed by at least two authorized officers.

Day-to-Day Responsibilities

So far, we've covered various aspects of the major decisions that Parent Organizations/Booster Clubs have to make regarding incorporation, tax-exemption, financial reporting, and other District requirements. Therefore, this section is dedicated to the many day-to-day issues that face a Parent Organization/Booster Club such as fund-raising, money-handling, and internal controls. These topics are covered alphabetically as follows:

- 1) Accounting Procedures
- 2) Bank Accounts
- 3) Building Use
- 4) Contributions
 - a) Received
 - b) Quid Pro Quo Contributions Received
 - c) Given
- 5) Financial Aid Guidelines
- 6) Child Nutrition

 - a) Board Policy
 - b) IRS Regulations
 - c) Analysis of Fund-Raiser
- 8) Mailing Address
- 9) Membership Dues
- 10) Money-Handling Procedures
 - a) Receiving Money
 - b) Recording and Depositing Money
 - c) Disbursing Money
 - d) Safeguarding Money
 - e) Carry-over Money
- 11) Raffles
- 12) Scholarships
- 13) Record Retention
- 14) Student Fines and Fees List
- 15) Volunteer Hours

Accounting Procedures

- Parent Organizations/Booster Clubs should include written instructions on the recording of accounting transactions in their bylaws, such as accounting method (cash vs. accrual), number of authorized signers on the bank account(s) and number of authorized signatures required for each check.
- All transactions should be recorded in the Parent Organization's/Booster Club's financial records.
- The Parent Organization/Booster Club books and bank accounts should be reconciled monthly.
- Parent Organizations/Booster Clubs may provide support to their student group in two manners:
 - a.) Parent Organization/Booster Club members raise funds for a student group. Funds are deposited into the Club's bank account. The Club writes a check to the school where the student group is located. The school deposits the funds into the student group's activity fund. The funds then belong to the members of the student group, to be spent at their discretion (under the supervision of the Sponsor). All accounting and safeguarding of the funds is the responsibility of the school, once the school has received the funds.

The IRS prefers that 501(c)(3) organizations use this method, since it provides the "cleanest" procedure to track how the Parent Organization/Booster Club spends its revenues. Using this method, the Parent Organization's/Booster Club's Financial Report would show a clear path of revenues generated and expended exclusively for its purpose, to support a student group. In addition, this method reduces the amount of paperwork and responsibility for the Parent Organization/Booster Club related to the accounting for the revenues and expenses of the student group.

- b.) Parent Organization/Booster Club members raise funds for a student group. Funds are deposited into the Club's bank account. The Club writes checks to the individual vendors for the expenses related to the student group through their bank account. In addition, they collect amounts due from the students for each event/competition/trip in which the student group participates. In addition, the Club tracks who has paid and who still owes money for each event and ensures that all balances are paid in full before the event occurs. All accounting and safeguarding of the funds is the responsibility of the Parent Organization/Booster Club.

Bank Accounts

- Parent Organizations/Booster Clubs should set up a bank account with the Parent Organization's/Booster Club's EIN number only. A person's social security number or the District's EIN number should not be used to set up a bank account.

See the Federal Regulatory Information section for further information.

- "No district employee can be an authorized signer for the bank account(s) of parent organizations/booster clubs.
- The District recommends that at least two authorized signatures be required for each check written to assist in establishing good internal controls over check disbursements. If a Parent Organization/Booster Club requires two signatures for check disbursements, the bank account(s) should have at least three authorized signers to allow at least one back-up signer if one of the regular signers is not available.
- Bank account(s) should be reconciled monthly.

Building Use

According to Board Policy GKD (Local), Parent Organizations / Booster Clubs should contact the Coordinator for Facilities Use to make arrangements to use the school facilities. Parent Organizations / Booster Clubs must provide a copy of their Determination Letter to prove their tax-exempt status, proof of insurance of not less than \$100,000, and a roster of personnel, with addresses, in the organization to verify eligibility before approval for use of any school facilities is granted.

See Board Policy GKD (Local) and the Application for Building Use in the Appendix.

Contributions/Donations**a) Received**

Parent Organizations/Booster Clubs may receive monetary or non-monetary contributions from individuals or businesses. In addition, those Parent Organizations/Booster Clubs that have received a Determination Letter from the IRS granting **501(c)(3)** tax exemption are allowed to receive **tax-deductible contributions** in accordance with IRS Regulation 170. To allow the individuals or businesses to deduct these contributions on their tax returns, the Parent Organization/Booster Club must send them a copy of the Club's Determination Letter indicating that the Parent Organization/Booster Club is a 501(c)(3) organization.

If your Parent Organization/Booster Club is not a 501(c)(3) organization, contributions or donations, with a few exceptions, are not tax-deductible. In addition, you must inform the individual or business that the contributions or donations are not tax-deductible.

For contributions received, the Parent Organization/Booster Club may want to send a thank you note along with a copy of the Determination Letter. The thank you note may indicate what was contributed or donated. If the gift is monetary, you may indicate the dollar amount. If the gift is **not** monetary, the estimated value should not be included in the thank you note. It is the responsibility of the individual or business that provided the gift to determine the value that they would report on their tax return.

Even though contributions or donations received will ultimately support the student group at a school, the gift is still considered to be a gift to the Parent Organization/Booster Club and not to the school or to the District

b) Quid Pro Quo Contributions Received

According to the IRS, a charitable organization, such as a Parent Organization/Booster Club that is a 501(c)(3) organization, must provide a written disclosure statement to donors who make a payment, described as a “quid pro quo contribution,” in excess of \$75.

A quid pro quo contribution is a payment made partly as a contribution and partly for goods or services provided to the donor by the charitable organization. An example of a quid pro quo contribution is where the donor gives a Parent Organization/Booster Club \$100 in consideration for a concert ticket valued at \$40. In this example, \$60 would be deductible. Because the donor’s payment (quid pro quo contribution) exceeds \$75, the disclosure statement must be furnished, even though the deductible amount does not exceed \$75.

The required written disclosure statement must:

- 1) inform the donor that the amount of the contribution that is deductible for federal income tax purposes is limited to the excess of any money (and the value of any property other than money) contributed by the donor over the value of goods or services provided by the charitable organization, and
- 2) provide the donor with a good-faith estimate of the value of the goods or services that the donor received.

The charitable organization (Parent Organization/Booster Club) must furnish the statement in connection with either the solicitation or the receipt of the quid pro quo contribution. If the disclosure statement is furnished in connection with a particular solicitation, it is not necessary for the organization to provide another statement when the associated contribution is actually received.

A penalty is imposed on charitable organizations that do not meet the disclosure requirements. For failure to make the required disclosure in connection with a quid pro quo contribution of more than \$75, there is a penalty of \$10 per contribution, not to exceed \$5,000 per fund-raising event or mailing.

For complete details, including exceptions to the disclosure requirement discussed above, please visit the IRS website at the following link:
<http://www.irs.gov/Charities-&-Non-Profits/Substantiating-Charitable-Contributions>

c) **Given**

When the Parent Organization/Booster Club contributes directly to the student group, the Club should receive a Tax-exempt Status/Donation Acknowledgment Form from either the school or the District. A District employee should complete the form and give the original copy to the Parent Organization/Booster Club for their records.

***Example:** Yippee Booster Club is funding a portion of a student group's trip for a competition. The trip costs \$50,000, and the Booster Club has agreed to pay \$35,000 of the expense. Therefore, the students must pay the remaining \$15,000. The \$35,000 that the Booster Club donated is considered a contribution to that particular District student group and should be documented on the Tax-exempt Status/Donation Acknowledgment Form.*

The school may request that a Parent Organization/Booster Club provide a list of contributions made to the student group or school. The Tax-exempt Status/Donation Acknowledgment Form may reference this list; thus, eliminating the need to have a form completed for each contribution. The schools are required to report contributions received at the end of each TXDUWHU; therefore, your school may request the list of contributions from WKH Parent Organizations/Booster Clubs ZKHQ QHHGHG.

The Tax-exempt Status/Donation Acknowledgment Form should be kept with the Parent Organization's/Booster Club's financial records. The form can be used as substantiation to the IRS that the Parent Organization/Booster Club is using the funds raised in the manner approved by the IRS as a 501(c)(3) organization.

The District tracks contributions received from individuals and entities such as Parent Organizations/Booster Clubs. This information may assist the District in receiving a more favorable bond rating and in receiving grants. Public support of the District is very important in these areas.

For more information on contributions, see the IRS information in the Appendix.

Financial Aid Guidelines

Tax-exempt organizations must benefit a group as a whole instead of benefiting individual members of a group. Since Parent Organizations/Booster Clubs usually assist student groups, all members of the student group sponsored are to be treated equally and receive the same opportunity to benefit from the Parent Organization's/Booster Club's

assistance. Therefore, one student cannot receive a greater benefit than another unless the criteria for financial need discussed below is met.

In some instances, individuals may not be able to afford to pay the amount owed to participate in a particular event. The IRS has indicated that a group or club may establish criteria that could be used to determine if a person is in financial need. If the criteria are met, the group or club could provide the necessary funds to allow the individual to participate. The criteria should be established in writing prior to a particular situation arising. In addition, the criteria should be used consistently for all people, and the criteria should not change every year.

An example of Financial Aid Guidelines is included in the Appendix.

Child Nutrition

High Schools may not provide access to Foods of Minimal Nutritional Value during meal periods in areas where school meals are served and consumed. Middle Schools and Junior High Schools may not provide access to Foods of Minimal Nutritional Value until after the last lunch period. Elementary Schools may not provide Foods of Minimal Nutritional Value to students at any time during the school day. For more information see the appendix under “Texas Public School Nutrition Policy.”

***Note:** Certain exemptions are allowed for school nurses, students with special needs and up to three schoolwide events pre-approved by school officials.*

Fund-raising

Before any fund-raising activity occurs, Parent Organizations/Booster Clubs should decide whether a fund-raiser is a Parent Organization/Booster Club fund-raiser (money is deposited directly into the *Parent Organization’s/Booster Club’s* bank account) **or** whether it is a school fund-raiser (money is deposited directly into the *District’s student activity fund account* for that student group). If the activity is a Parent Organization/Booster Club fund-raiser, the Parent Organization/Booster Club is responsible for handling any and all money from the fund-raiser. Likewise, if the activity is a school fund-raiser, the school is responsible for all money collected and deposited from the fund-raiser.

a.) Board Policy

- Board Policy GKB (Local) discusses fund-raising regulations.

- Parent Organizations/Boosters Club should request approval of fund-raiser via Online Fund-raiser Project Request Form prior to fundraising activity. **Each fund-raiser will be approved in advance by the principal and assistant superintendent.** Information required on the Online Fund-raiser Project Request Form include:
 1. Purpose of the fund-raiser,
 2. Type of fund-raising activity (i.e., candy sale, carnival),
 3. Date(s), time(s) and place(s) of the activity,
 4. Name of the sponsoring organization,
 5. Name and phone number of the organization's representative,
 6. Name and phone number of the person(s) in charge of the fund-raiser,
 7. Name and phone number of the person(s) who will be handling the money for the fund-raiser.

b) IRS Regulations

- The IRS prohibits tax-exempt organizations from **requiring** people to participate in fund-raisers. Likewise, Parent Organizations/Booster Clubs **may not** require an amount be “donated” in lieu of participating in the fund-raiser. People **may choose** whether or not to participate in a fund-raiser and may choose whether or not to donate to the Parent Organization/Booster Club. Furthermore, if a person decides not to participate, that person cannot be excluded from having the opportunity to benefit from the fund-raiser and cannot be penalized for choosing not to participate in the fund-raiser.

Furthermore, benefits given by a tax-exempt organization **cannot** be based on participation in a fund-raiser or based on revenues raised individually. Therefore, regardless if a person participates in a fund-raiser and regardless of the amount of revenue raised, that person cannot be denied the opportunity to receive an equal benefit.

Example: *High Spirit Booster Club is having a car wash fund-raiser to help reduce the cost of a trip to Florida for a competition. The cost of the trip is \$20,000 for 20 people. Therefore, each person's cost for the trip before the fund-raiser is \$1,000.*

Of the 20 people participating in the trip, only 10 people participate in the fund-raiser and raise a total of \$600.

The \$600 must be split equally among the 20 people going on the trip, even though only 10 people participated in the fund-raiser.

Therefore, each person receives a benefit of \$30 (\$600 / 20). Now, each person's cost for the trip is \$970 (\$1,000 - \$30)

- The IRS discourages the use of individual accounts by Parent Organizations/Booster Clubs. Parent Organizations/Booster Clubs must benefit the group as a whole, not its individual members.
(See example above.)

"Individual accounts" are those accounts used by a Parent Organization/Booster Club to credit an individual with revenues raised. The Parent Organizations/Booster Clubs would use these accounts to benefit the individual by offsetting that individual's expenses with the amount credited to that individual from the revenues raised.

c) Analysis of Fund-raiser

Parent Organizations/Booster Clubs should use the online Fund-raising Proposal form to determine the anticipated amount to be raised by a fund-raiser. The Organization should also perform a profit analysis to determine if the fund-raiser was a success or failure. This type of analysis will help a Parent Organization/Booster Club decide whether or not to repeat a particular fund-raiser.

Mailing Address

If the mailing address for the Parent Organization/Booster Club changes, immediately notify the District, the Texas Secretary of State, the Texas State Comptroller's Office, and the IRS. To avoid frequent mailing address changes, the IRS and the Texas State Comptroller's Office recommend that each Parent Organization/Booster Club obtain its own post office box (PO Box) or private mailing box (PMB) to be used for official Parent Organization/Booster Club mail. This address and box keys can be given easily to the new officers at the beginning of the year.

Please understand the importance of maintaining a consistent mailing address for the Parent Organization/Booster Club. First, you will save time since you will not have to update your address each year to the District, the Texas Secretary of State, the Texas State Comptroller's Office, the IRS, and your bank as you would if you used someone's home address. The District does not allow the use of campus addresses for Parent Organizations/Booster Clubs.

Second, Parent Organizations/Booster Clubs receive several important documents from these agencies throughout the year, and if the address changes frequently, some of these documents could be lost or misplaced. The IRS mails forms and other correspondence to Parent Organizations/Booster Clubs periodically.

If these forms are not completed and returned to the IRS within a specific time period, a Parent Organization/Booster Club could lose their tax-exempt status, thereby also losing their limited tax-exemption with the State of Texas and possibly face fines and penalties. The District does not recommend using a home address since officers change frequently.

For your convenience, IRS FORM 8822 for change of address can be located at

<http://www.irs.gov/formspubs/lists/0,,id=97817,00.html>

Membership Dues

Parent Organizations/Booster Clubs may charge dues to their members (the parents); however, parents **do not** have to be members of the Parent Organization/Booster Club for their child(ren) to participate in the student group that receives benefits from Parent Organization/Booster Club activities. **Membership dues are separate from the expenses incurred by sponsoring a student group (i.e., trip expense, costume expense).** Membership dues are associated with the parents being part of the Parent Organization/Booster Club and are in **no way** associated with the expenses related to that parent's child.

Money-Handling Procedures

Money refers to cash, checks, money orders, or cashier's checks. The following are suggestions related to handling money to assist in ensuring proper accountability.

a) Receiving Money

- The person receiving the money **while in the presence of the person turning in the money** should count all money received.
- The person receiving the money should give a receipt to the person delivering the money (both parties should retain their copy of the receipt).
- Any checks received should be restrictively endorsed immediately.
- Post-dated checks **should not be accepted** from any source.
- Receipts should indicate whether cash, check, money order, or cashier's check was received; date of the receipt; and signature of person receiving the money,

IMPORTANT

If a money order or cashier's check is received, the receipt should indicate the total check amount; brand name of the money order or the issuing bank's name of the cashier's check; and the complete check or money order number.

If a copy of the money order or cashier's check is made, the inclusion of this additional information on the receipt is not necessary.

- Copies or a list of checks, money orders, and cashier's checks received should be made to assist in recovery of money if these items are lost, stolen, or returned due to insufficient funds.

b) Recording and Depositing Money

- Prior to depositing money, at least two people should count the money.
- All money should be delivered to the Parent Organization/Booster Club Treasurer to deposit funds daily.
- Receipts should be reconciled with all money turned in and deposited.
- Money received should only be deposited in the Parent Organization's/Booster Club's account(s).
- Deposit slips should be retained and reconciled monthly to the account.

c) Disbursing Money

- Require **two** signatures on each check.
- Do **NOT** sign blank checks.

d) Safeguarding Money

- Have people that handle money bonded. This may protect against theft, including embezzlement, depending on the type of bond purchased.
- Do not keep any money in an unlocked drawer, unlocked filing cabinet, vehicle, or other unsecured place.
- Do not store the records of the money received (i.e., receipts, copies of checks) in the same place as the money. If records and money are stored together and a theft occurs, the record of the money may be taken along with the money. Subsequently, determination and recovery of losses would be more difficult.

- Money received and not yet deposited should not be used for purchases, check cashing, loans, advances, reimbursements, or for any other purpose.
- All unused checks should be kept safe and secure at all times.
- "Blank" checks should never be issued and checks should never be pre-signed.

The sequence of check numbers should be accounted for when reconciling the bank statement to the Parent Organization's/Booster Club's books.

- **Issuing checks payable to "Cash" or to the "Sponsor" should be avoided.** The IRS may examine these transactions in more detail than other transactions. If a check must be payable to "Cash" or to the "Sponsor," keep detailed documentation of the expense or use of the funds.

e) Carry-over Money

- Any funds not used by the organization in a year merely carry over to begin the next year, however, all efforts should be made so that money fund-raised for students should be used for those students.
- The carry-over amount should only be enough to "begin business".

Raffles *(The following raffle information was downloaded in June 2013 from the Texas Attorney General's website at www.oag.state.tx.us/consumer/raffle.shtml and <https://www.oag.state.tx.us/agency/weeklyag/2004/0604raffles.pdf>)*

"Only raffles held according to the terms of the Charitable Raffle Enabling Act are authorized raffles The law is Chapter 2002, Occupations Code, Texas codes Annotated."

"The language of the law is very technical If your organization is considering holding a raffle you should check the statute to be sure it qualifies."

Greg Abbott
Attorney General of Texas

Day-to-Day Responsibilities (Cont.)

What does the law permit?

The Charitable Raffle Enabling Act, effective January 1, 1990, permits "qualified organizations" to hold up to two raffles per calendar year, with certain specified restrictions.

What is a "qualified organization"?

In general, a qualified organization is:

- a) An association organized primarily for religious purposes that has been in existence in Texas for at least 10 years;
- b) A non profit volunteer emergency medical service that does not pay its members other than nominal compensation;
- c) A non profit volunteer fire department that operates fire fighting equipment and does not pay its members other than nominal compensation; or
- d) A nonprofit organization that has existed for at least three preceding years and is exempt from federal income tax under Section 501(c), Internal Revenue Code; does not distribute any of its income to its members, officers or governing body; does not devote a substantial part of its activities to attempting to influence legislation; and does not participate in any political campaign.

What prizes may be offered?

An organization may offer any prize except money. "Money" is defined as coins, paper currency, or a negotiable instrument that represents and is readily convertible to coins or paper currency. If the raffle organizers offer a prize which they have purchased or have given other consideration for, the value of the prize may not exceed \$50,000 or \$250,000 if the purchased prize is a residential dwelling. There is no value limit on prizes donated to the organization. Texas lottery tickets may be purchased and offered as prizes, even though the tickets' payoff may exceed \$50,000. The organization must have each raffle prize in its possession or must post a bond for the full amount of the value of the prize with the county clerk of the county where the raffle will be held.

Is an organization required to register with the State before conducting a raffle?

No.

What are the restrictions on how the raffle may be conducted?

- A qualified organization may hold only two raffles per [calendar] year and only one raffle at a time.
- Raffle tickets may not be advertised state wide or through paid advertisements. Each raffle ticket must state the name or address of the organization holding the raffle, the name of an officer of the organization, the price of the ticket, date prize is to be awarded and a general description of each prize to be awarded that has a value of over \$10.
- A prize may not be money.
- Only members of the organization, or student organizations recognized by institutions of higher education selling on behalf of the institution, may sell tickets.
- No one may be compensated directly or indirectly for organizing or conducting a raffle, or for selling raffle tickets. The organization may not permit a non-member or other unauthorized person to sell or offer to sell raffle tickets.

How may the proceeds from ticket sales be used?

Proceeds from ticket sales must be used only for the charitable purposes of the organization.

Are there any penalties for conducting or participating in an unauthorized raffle?

Yes. Only raffles held according to the terms of the Raffle Enabling Act are authorized raffles. An unauthorized raffle is considered gambling under the Texas Penal Code. Conducting such a raffle is a Class A misdemeanor. Participating in an unauthorized raffle is a Class C misdemeanor.

What law enforcement authorities may stop an unauthorized raffle?

A county attorney, district attorney or the attorney general may bring an action in state court to stop a violation or potential violation of the Charitable Raffle Enabling Act.

Where can I get more information on the requirements for holding a raffle?

The law is Chapter 2002, Occupations Code, Texas Codes Annotated. If you have specific questions about the law, you should consult your attorney.

Scholarships

Scholarships must be awarded based on a student's need or merit. The members of the committee selecting the scholarship recipients should not be related to any of the potential recipients. There should be a method of ensuring that the scholarship funds are used for their intended purpose by the recipients (for example, you could give the funds directly to the college or university for the student).

Record Retention

Parent Organizations/Booster Clubs should establish a record file that is passed to the new officers each year. Some items need to be kept indefinitely while other items only need to be kept for a certain length of time. The record file should contain at least the

following items on a permanent basis:

Permanent Records

Internal Records:

- Parent Organization/Booster Club Registration & Approval Form
- Articles of Incorporation/Articles of Association
- Bylaws/Charter/Constitution
- Minutes from meetings

State Records

- Sales Tax Permit Application
- Sales Tax Permit
- Certificate of Incorporation from State of Texas (if applicable)
- State Sales Tax Exemption Notification
- State Franchise Tax Exemption Notification (if incorporated)

Federal Records

- Copy of IRS Form SS-4, Application for Employer Identification Number
- Copy of IRS Form 1023, Application for Recognition of Exemption, with all attachments
- Copy of IRS Form 8718, User Fee for Exempt Organization Determination Letter Request and copy of check sent to IRS with this form
- Acknowledgement of Your Request
- Determination Letter

For non-permanent records, the Texas State Comptroller's Office and the IRS have different retention periods. In addition, certain circumstances, such as fraud or failure to file, would allow the retention period to be extended beyond the normal requirement.

According to the Texas State Comptroller's Office, this office has four (4) years from the date the tax becomes due and payable in which to assess the liability. For more information please visit [http://info.sos.state.tx.us/pls/pub/readtac\\$ext.TacPage?sl=R&app=9&p_dir=&p_rloc=&p_tloc=&p_ploc=&pg=1&p_tac=&ti=34&pt=1&ch=3&rl=339](http://info.sos.state.tx.us/pls/pub/readtac$ext.TacPage?sl=R&app=9&p_dir=&p_rloc=&p_tloc=&p_ploc=&pg=1&p_tac=&ti=34&pt=1&ch=3&rl=339).

The following information was obtained from the following link in June 2013: <http://www.irs.gov/Businesses/Small-Businesses-&Self-Employed/IRS-Audit-FAQs#keypoint11>

How far back can the IRS go to audit my return?

Generally, the IRS can include returns filed within the last three years in an audit. Additional years can be added if a substantial error is identified. Generally, if a substantial error is identified, the IRS will not go back more than the last six years.

The IRS tries to audit tax returns as soon as possible after they are filed. Accordingly most audits will be of returns filed within the last two years.

If an audit is for an older year, you may be requested to extend the statute of limitations for assessment of your tax return. The statute of limitations limits the time allowed to assess additional tax. The statute of limitations is generally three years after a return is due or was filed, whichever is later. There is also a statute of limitations for making refunds.

If the audit is not resolved and the statute of limitations date is nearing, you may be asked to extend the statute of limitations date. This will allow you additional time to provide further documentation to support your position, request an appeal if you do not agree with the audit results, or to claim a tax refund or credit. It also allows the IRS time to complete the audit and provides time to process the audit results.

You do not have to agree to extend the statute of limitations date. However, if you do not agree, WKH examiner will be forced to make a determination based upon the information they currently have. Therefore, the examiner may not be able to consider additional adjustments, such as expenses, that could lower the amount of tax due.

More information related to extending a statute of limitations can be obtained in Publication 1035, Extending the Tax Assessment Period, or from your auditor.

In considering the requirements of the Texas State Comptroller's Office and the IRS, the record file should contain at least the following items for a minimum of the current year and the four (4) previous years:

Non-permanent Records

Internal Records

- Financial Reports and Review Committee Reports
- All financial backup including checkbook and banks records
- Information related to donations received by a Parent Organization/Booster Club from individuals or businesses
- Financial Aid Guidelines

State Records

- Sales Tax Forms Filed (Quarterly or Annually)
- Copy of correspondence with the Texas Secretary of State and the Texas State Comptroller

Federal Records

- Copy of IRS Forms 990 or 990-EZ filed
- Copy of correspondence with the IRS

Before discarding any records, confirm with the Texas State Comptroller's Office and the IRS that your organization is in good-standing and that no open items or issues exist related to the time period involving the records that you would like to discard.

Public Disclosure and Availability of Exempt Organizations Returns and Applications: Public Disclosure Requirements in General. Per the IRS " In general, exempt organizations must make available for public inspection certain annual returns and applications for exemption, and must provide copies of such returns and applications to individuals who request them. Copies usually must be provided immediately in the case of in-person requests, and within 30 days in the case of written requests. The tax-exempt organization may charge a reasonable copying fee plus actual postage, if any. The IRS must also make this same information publicly available.

Student Fines and Fees List

Parent Organizations/Booster Clubs may have students or parents who do not submit money for fund-raisers or expenses, resulting in amounts owed to the Parent Organization/Booster Club. Since these amounts relate to Parent Organization/Booster Club activities, they cannot be placed on the school's Student Fines and Fees List. If a Parent Organization/Booster Club wishes to pursue recovery of these amounts, they must do so independently from the District and school.

Example: *High Spirit Booster Club held a catalog fund-raiser and \$400 is still owed to the Booster Club by Trusty Smith, the father of Jane Smith, one of the students in the group they support. Trusty received the merchandise, but never paid for it.*

*The Booster Club may pursue trying to recover the money or merchandise from Trusty. However, they **may not** contact the school to include the \$400 on the school's Student Fines and Fees List as an amount owed by Jane Smith to the school.*

Volunteer Hours

The District values the diversity of volunteer activity in the community, whether it is at home, in the community, or in the classroom. Accounting for such volunteer hours is essential since it impacts issues such as funding, program continuation, and communication. For example, many grants and federally funded programs require an accurate reflection of volunteer hours, and the State of Texas requires public school districts to facilitate parental involvement in their children's education. Therefore, please take a few moments to complete a Volunteer Hours form reflective of the many hours your Parent Organization/Booster Club has dedicated to our students.

PURPOSE

As a member of the Kicks & Splits Dance/Drill Team, students incur expenses throughout the year that are offset by the Parent Club through financial contributions from team members and/or their parents/guardians. The purpose of Financial Aid is to reduce those expenses for individual(s) in a situation of financial hardship.

ELIGIBILITY

Award of Financial Aid is determined by a Committee of the Parent Club Executive Board.

Proof of financial hardship shall be provided in written form (see Procedure section).

THE COMMITTEE

The Committee shall consist of the Dance/Drill Team Director, the President(s) and the Treasurer(s).

PROCEDURE

Requestors should submit a Financial Aid application (see Sheet 3 of this document). Privacy of the individual shall be fully respected.

MECHANISM

No funds shall be disbursed directly to any individual.

Financial Aid funds shall be used only to reduce or eliminate the individuals' normal financial contribution to the GDPC.

Disbursement of funds shall be an internal accounting transaction in which funds are transferred from the Financial Aid Fund to the Contributions Account on behalf of the individual(s).

Financial Aid funds shall not be used for purchase of personal supplies on behalf of the individual(s).

SCOPE

The total amount of funds available for individual sponsorship in any fiscal year shall be limited to \$1,500.00 or 1% of that year's total planned budget, whichever is the lower.

The maximum amount of sponsorship for any individual in any fiscal year shall be \$500.00.

There is no limit on the number of individuals who may be sponsored in any fiscal year.

The District must be named as a coinsured or loss payee on this coverage. The insurer must carry an A.M. Best Rating of "A-VII" or greater.

Access to a facility shall not be permitted until the application and insurance have been screened and approved. Cancellation of insurance shall also cancel the rental contract until proof of insurance can be provided to the District.

30-day notice of cancellation.

60-day notice of nonrenewal.

Violation of any term of this policy or District procedures regarding the use of facilities may result in immediate termination of the rental contract.

Multi-use contracts shall require one month's fee in advance and shall be billed for usage on a monthly basis. Local government organizations that have an interlocal agreement with the District shall be exempt from making a payment in advance. Fees shall be paid within ten days of receipt of invoice. Users that are 45 or more days in arrears shall be prohibited from further use of District facilities for the remainder of the school year. Users who frequently exceed the ending time specified in their agreement may have the rental agreement canceled for the remainder of the current school year. Termination shall occur only with the approval of the chief auxiliary services officer.

The District is not a tax-exempt entity under the Internal Revenue Service (IRS) Code Section 501(c)(3). However, the District is considered a tax-exempt organization that may receive charitable contributions according to the IRS Code Section 170(c)(1). This section states that a charitable contribution means a contribution or gift to or for the use of:

The District may receive charitable contributions if they are for public purposes, such as benefiting a group and not an individual. Evidence of their tax-exempt status would be a Letter of Determination from the IRS.

Any fundraiser (proposed or approved) can be looked up, viewed and printed at any time.

Fundraising Request Form (online)

Step 3 Principal/Child Nutrition/Assistant Superintendent Review and Approval

- Sequence of Approval is: 1) Principal, 2) Child Nutrition (if food is sold, served or distributed), then 3) Assistant Superintendent.

Approver will log in to the program and select the fundraiser from the list of all fundraisers that are at various stages of approval.

- Each approver will review the fundraiser. Then choose the appropriate new status from the drop-down and click **Save**. To send it back to the person at the previous level to make changes, choose that (lower-level) status and click **Save**.
- All changes in status will trigger an email to the original submitter and the person who is next in line for review.

Examples at each state are shown at the right.

Each time the proposed fundraiser moves to another stop, the original submitter and the person at the next stop in the approval route will receive an email notification.

When a proposed fundraiser is Approved (or Denied), an email will be sent to the original submitter and the bookkeeper/executive secretary.

Advice:

1. Be suitably descriptive for all open-ended questions (proposed location, estimated profit, proposed use of funds, detailed description of event). Approvers may request more detailed information, which you will later edit in.
2. Attach any documents that will help describe your event, support your information, or which may be required by an approver. A financial plan or budget may be requested if an approver would like to see that.
3. When a user Submits, the request becomes uneditable by anyone other than the next person in the approval chain. If changes are needed, the approver may set the status down to a previous (lower) status or make those changes and move the request forward.
4. A submitter may contact the person who has the request at his/her level and ask that he/she change the status back to a level where the submitter may make changes.
5. If your campus relies on the bookkeeper or an assistant principal to pre-screen fundraisers for the principal, we suggest:
 - a. Tell sponsors to fill out and "Save for Later," but do not "Submit." The submitter will tell the additional reviewer the event number, and he/she can log in, review, print and comment; or
 - b. Have the principal hold off taking action on Submitted fundraisers until the additional reviewer can review, print and comment. If edits are needed, the principal will change the status back to "Not Submitted."
6. Bookkeeper/ExecSec or sponsor are encouraged to notify an additional administrator who may have input in the approval process at any point before the request is submitted or while it is at the Submitted for Principal Approval level.

Frequently-Asked Questions:

What if my organization's name does not appear in a drop-down? Stop, and contact Ron Vlaskamp or Mary Ashcraft to have an organization name added. After you hear back, you will be able to log in and do your work.

I need more information. Can I save my application? You may "Save for Later" (button at the bottom) as often as you want without leaving the screen.

Can I use rounded or estimated figures? Yes, although any approver may request more precise information.

How do I know the status of a fundraiser request? Whenever someone down the line of approvals changes the status of a proposal, the originator will receive an email notification. This includes when a fundraiser receives its final approval from the assistant superintendent or whenever the request is denied by any approver.

How can I view all fundraisers for my campus? Any fundraiser (saved but not submitted, awaiting approval, approved, or denied) can be looked up, viewed and printed at any time by using the "Edit/Continue Fundraiser" link. If desired, all data can be exported to Excel.

Fundraising Request Form (online)

Can I make changes to a fundraiser that has been denied? No, but you could initiate a new request.

Can an approver request changes without completely denying a request? If an approver feels a request can be modified so that it can be approved, he/she can write a note on the form and change the status down to a lower level such as "Not Submitted," or "Awaiting Principal Approval."

Can someone other than the sponsor input the requested data online for him/her? Yes. The sponsor can describe the fundraiser to someone else who will input the information for him/her. However, online the event will not list the sponsor's name as responsible. All email correspondence related to the progress of the fundraiser request will be sent to the person who is logged in when the request is first initiated.

What is the best way to help a sponsor with the online request form but still have the sponsor's name listed with the event? Have the sponsor begin the item ("Start Activity Fund Fundraiser Request") and type in as much information as he/she knows, then "Save for Later." Get the event number, look it up, then provide suggestions so the sponsor can log back in and finish up the request.

Will non-employees who create their own user id here have access to the FBISD network? No, this user ID is only for the online fundraiser application.

Can someone other than the sponsor input the request data online for PTO/PTA/Boosters? Representatives for parent organizations should do their own work online. This way they will get all communications directly and it keeps the separation of responsibilities clear.

Why is the information on my screen is grayed-out so I can't edit anything? When a user Submits, the request will become uneditable by anyone other than the next person in the approval chain. If you need to be able to go back and make edits, ask that person to change the Approval Status to the level that you are at ("Not Submitted," or "Awaiting Principal Approval").

How can school staff, assistant superintendent staff or business office staff review fundraiser requests? Staff can view any fundraiser that is in the online system. Campus staff can see any for that campus, Assistant Superintendents and staff can view for all feeder schools, and business office staff can view all fundraiser requests. They can be looked up one at a time or exported to Excel at the "Edit/Continue Fundraiser Request" screen. There are a few drop-downs to narrow the results, if desired.

Some fundraisers for this year have already been approved using the old paper forms. Must I type them into the online system? Although not mandatory, the sponsor, bookkeeper or principal's secretary may choose to type the information into the system. Explain to the principal and assistant superintendent that these fundraisers were already approved by paper and ask for expedited approval so the data is saved to the central system.

Food Fundraisers:

What fundraisers require approval of the Child Nutrition Department? Any food sold, served, kept at or distributed on campus requires CND evaluation and approval. This is to ensure compliance with rules governing what food may be served on campus during the school day; foods sold or served that compete with the school lunch program; and health permit requirements.

Does a fundraiser that sells frozen foods or boxed candy from a catalog require CND approval? Yes, "food sold, served or distributed on campus" does include fundraisers such as cookie-dough or boxed candy even if the sales or orders take place off campus if the food is delivered to campus to be distributed. This has to do with the school being responsible for "potentially hazardous food products" where edible products hit campus even if only for distribution to the students/parents who sold them and will take them home.

What are the various food permits? The CND health permit is generally used to cover the sales or event if the sale occurs in the school building or within 100 feet. However, a Temporary Health Permit is required for events that occur outside more than 100 feet from the building such as carnivals. Cooking food in barbecue pits outside the building is one example. Cooking food in barbecue pits outside the building is one example. For additional information, please contact the Child Nutrition Department at 281-634-1190.

FORT BEND ISD
Terms and Conditions for Food Truck Registration

1. APPROVED VENDOR. FBISD campuses and departments may utilize food trucks on District property for various reasons such as employee morale events or campus student/parent events. Approved Food Truck vendors for these activities will be listed on the District Enterprise Funds Department website. This approval will be effective for one (1) school year – July 1 through June 30. Each vendor must renew their status every July 1. A new application must be submitted each school year a vendor wishes to be listed on the approved list of food trucks.

2. FOOD TRUCK SELECTION PROCESS.
 - 2.1. Food truck companies are required to pay a non-refundable \$50 application fee to be considered for placement on the FBISD approved food truck vendor list. Applications will not be accepted nor reviewed without receipt of payment. The fee applies to each application a vendor submits.
 - 2.2. To obtain approved status, a food truck vendor must possess all required food handler’s permits, have no citations or permit violations on record, submit all required exhibits to this application and demonstrate proven customer satisfaction according to the references.
 - 2.3. Campuses and departments will determine, from the list of approved vendors, which Food Truck Company they wish to use based on the following criteria, but not limited to: suitability of use to their need, company’s capability, company’s product quality, reputation of the company; and whether the use of the company’s services will be beneficial to the campus/department and its community.
 - 2.4. Placement on the approved list of vendors for food truck events does not guarantee use of said services at events.
 - 2.5. Placement on the approved list of vendors for food truck events does not authorize companies to have access to facilities. Food Truck Companies shall be selected by FBISD campuses, departments or affiliated parent organizations through FBISD established processes in order to have access to FBISD facilities.

3. DISTRICT ACCESS.
 - 3.1. Food Truck Companies are not authorized to make unsolicited contacts with individual campuses, departments or parent organizations. If/when FBISD staff or affiliated parent organizations have an interest in a particular food truck product/service, they will make the initial contact with the Food Truck Company.
 - 3.2. Once services are requested by FBISD staff, Food Truck Companies shall limit their contact with District representatives to only those times necessary to conduct appropriate activities for the planned/ongoing event.
 - 3.2.1. Food Truck Companies shall not contact a campus or department at any time. It is the option of the District personnel to contact a Food Truck Company to determine if the permit holder will be granted approval to occupy District property and/or to coordinate an approved activity.
 - 3.2.2. Food Truck Companies will be responsible for conducting criminal history record searches for any company representative to be sent to a Fort Bend ISD campus and as an approved vendor certifies that appropriate clearance has been obtained.

Company Representative’s Initials

- 3.2.3. Food Truck Companies cannot have unsupervised direct contact with students. Vendors are directed to contact the Assistant Director of Risk Management for guidance related to criminal history, felony conviction or insurance requirements set herein.
- 3.3 Food trucks may only occupy District property if a campus or department has obtained approval from the Enterprise Funds Department for an activity OR the food truck has obtained an approved rental contract from the Enterprise Funds Department.
- 4. PAYMENT TERMS. The \$50 non-refundable application fee shall be paid by way of cashier’s check, payable to Fort Bend ISD and attached to the company’s application form.
- 5. SIGNED CONTRACTS OR AGREEMENTS.
 - 5.1. District Policy GKD (Local) states that “The Superintendent or Designee is authorized to approve requests for use of any District facility. After the agreement has been approved and signed by the appropriate District officials and individual or representatives of an organization or group, it shall become a binding contract.” No other District personnel are authorized to permit non-school use of District facilities – final authority rests with the Superintendent or his designee, the Director of Enterprise Funds.
 - 5.2. The District is not liable for any contracts or agreements signed by or verbally agreed to by any District employee other than the Superintendent and/or his designee and any contracts or agreements so signed or verbally agreed to shall be considered null and void.
- 6. GIFTS AND CONTRIBUTIONS. No gifts or contributions will be allowed under this contract from the Food Truck Company to a District employee.
- 7. CANCELLATION OF APPROVAL. Failure to abide by these guidelines or complaints received from campuses/departments, District affiliated parent organizations, or community members during the approval period will result in the cancellation of approved status, removal of the company from the approved list, and prohibition from future business with the District.

Contractor Criminal Background Certification

Introduction: Texas Education Code Chapter 22 requires service contractors to obtain criminal history record information regarding covered employees and to certify that fact to the District. Covered employees with disqualifying convictions are prohibited from serving at a school district.

Definitions:

Covered employees: All employees of a contractor who have or will have continuing duties related to the service to be performed at the District and have or will have direct contact with students. The District will be the final arbiter of what constitutes direct contact with students.

Disqualifying conviction: One of the following offenses, if at the time of the offense, the victim was under 18 or enrolled in a public school: (a) a felony offense under Title 5, Texas Penal Code; (b) an offense for which a defendant is required to register as a sex offender under Chapter 62, Texas Code of Criminal Procedure; or (c) an equivalent offense under federal law or the laws of another state; or (d) the conviction of a felony or misdemeanor that would qualify a person from obtaining certification as an educator under Texas Education Code 21.060.

Note: For covered persons hired on or after January 1, 2008, fingerprinting and photographing of the covered person is required. A covered person is considered to have been employed by a service contractor as of the date the covered person first provided services for compensation.

3. Upon request, Contractor will make available for the District’s inspection the criminal history record information of any covered employee.
4. If the District objects to the assignment of a covered employee on the basis of the covered employee’s criminal history record information, Contractor agrees to discontinue using the covered employee to provide services at the District.

Purpose of Form

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),

3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income.

Note. If a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax on any foreign partners' share of income from such business. Further, in certain cases where a Form W-9 has not been received, a partnership is required to presume that a partner is a foreign person, and pay the withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid withholding on your share of partnership income.

Application for Recognition of Exemption Section 501(c)(3)

The following excerpts were downloaded from the IRS' website in June 2013. The information documented below is subject to change by the IRS. Therefore, for the most up-to date version of this information, please go to (it may be necessary to copy and paste this link into your Internet browser):

<http://www.irs.gov/Charities-&-Non-Profits/Application-for-Recognition-of-Exemption-1>

Application for Recognition of Exemption

To apply for recognition by the IRS of exempt status under section 501(c)(3) of the Code, use [Form 1023](#), *Application for Recognition of Exemption*, and its [instructions](#). The application must be complete and accompanied by the appropriate user fee. See [Application Process](#) for a step-by-step review of what an organization needs to know and to do in order to apply for recognition by the IRS of tax-exempt status. Frequently asked questions about [applying for exemption](#) generally, and [Form 1023 specifically](#), are also available. You may also want to take our [on-line mini-course](#) about applying for exemption.

The organization should also request an employer identification number, even if it does not have any employees. See [Form SS-4](#), *Application for Employer Identification Number*, and its [related instructions](#) to learn how to obtain an EIN. You may also obtain an EIN via telephone, by calling 1-800-829-4933, or by applying [online](#).

Except for churches, their integrated auxiliaries, and public charities whose annual gross receipts are normally less than \$5,000, organizations will not be treated as described in section 501(c)(3) unless they notify the IRS by applying for recognition of section 501(c)(3) status. Generally, organizations required to apply for recognition of exemption must notify the Service within 27 months from the date of their formation to be treated as described in section 501(c)(3) from the date formed. When the IRS determines that an organization qualifies for exemption under section 501(c)(3), it will also be classified as a [private foundation](#), unless it meets the requirements to be treated as a [public charity](#).

A charitable organization must make available for public inspection its approved application for recognition of exemption with all supporting documents and its last three annual information returns. The organization must provide copies of these documents upon request without charge (other than a reasonable fee for reproduction and copying costs). Penalties are provided for failure to comply with these requirements. For more information, see our [frequently asked questions](#), the final regulations published in [Internal Revenue Bulletin 1999-17](#), or [Disclosure Requirements](#).

Contributions

The following excerpts were downloaded from the IRS' website in June 2013. The information documented below is subject to change by the IRS. Therefore, for the most up-to date version of this information, please go to (it may be necessary to copy and paste this link into your Internet browser):

<http://www.irs.gov/Charities-&-Non-Profits/Substantiating-Charitable-Contributions>

Substantiating Charitable Contributions

Many charitable organizations described in section 501(c)(3), other than testing for public safety organizations, are eligible to receive tax-deductible contributions in accordance with section 170. Most eligible organizations are listed in [Exempt Organizations Select Check \(Pub 78 database\)](#).

A charitable organization must provide a written disclosure statement to donors of a quid pro quo contribution in excess of \$75. A *quid pro quo contribution* is a payment made to a charity by a donor partly as a contribution and partly for goods or services provided to the donor by the charity. For example, if a donor gives a charity \$100 and receives a concert ticket valued at \$40, the donor has made a quid pro quo contribution. In this example, the charitable contribution portion of the payment is \$60. Even though the part of the payment available for deduction does not exceed \$75, a disclosure statement must be filed because the donor's payment (quid pro quo contribution) exceeds \$75. The required written disclosure statement must:

1. Inform the donor that the amount of the contribution that is deductible for federal income tax purposes is limited to the excess of any money (and the value of any property other than money) contributed by the donor over the value of goods or services provided by the charity, and
2. Provide the donor with a good faith estimate of the value of the goods or services that the donor received.

The charity must furnish the statement in connection with either the solicitation or the receipt of the quid pro quo contribution. If the disclosure statement is furnished in connection with a particular solicitation, it is not necessary for the organization to provide another statement when the associated contribution is actually received.

No disclosure statement is required when:

1. The goods or services given to a donor meet the standards for *insubstantial value* set out in [Revenue Procedure 90-12](#), 1990-1 C.B. 471, and [Revenue Procedure 92-49](#), 1992-1 C.B. 987 (as updated);
2. There is no donative element involved in a particular transaction with a charity (for example, there is generally no donative element involved in a visitor's purchase from a museum gift shop); or
3. There is only an intangible religious benefit provided to the donor. The intangible religious benefit must be provided to the donor by an organization organized exclusively for religious purposes, and must be of a type that generally is not sold in a commercial transaction outside the donative context.

A penalty is imposed on a charity that does not make the required disclosure in connection with a quid pro quo contribution of more than \$75. The penalty is \$10 per contribution, not to exceed \$5,000 per fund-raising event or mailing. The charity can avoid the penalty if it can show that the failure was due to reasonable cause.

Under a [new recordkeeping rule](#) effective for all cash, check, electronic funds transfers, credit card charges, or other monetary contributions of any amount made in taxable years beginning after August 17, 2006, the donor must obtain and keep a bank record or a written communication from the donee as a record of the contribution. Written records prepared by the donor (such as check registers or personal notations) are no longer sufficient to support charitable contributions.

Contributions (continued)

Bank records for this recordkeeping requirement include bank or credit union statements, canceled checks, or credit card statements.

They must show the date paid or posted, the name of the charity, and the amount of the payment. Taxpayers who claim charitable [contributions made by payroll deduction](#) can satisfy the recordkeeping requirement if the donor has (1) a pay stub, W-2, or other document furnished by the employer that states the amount withheld for payment to charity, and (2) a pledge card or other document prepared by or at the direction of the charity that shows the name of a donee. An organization described in section 170(c), or a Principal Combined Fund Organization for purposes of the Combined Federal Campaign, will be treated as a donee organization for purposes of the new recordkeeping provision.

A donor claiming a deduction of \$250 or more is also required to obtain and keep a contemporaneous written acknowledgment for a charitable contribution. To be contemporaneous the written acknowledgment must generally be obtained by the donor no later than the date the donor files the return for the year the contribution is made. The written acknowledgment must state whether the donee provides any goods or services in consideration for the contribution. If the donee provides goods or services to the donor in exchange for the contribution (a quid pro quo contribution), the written acknowledgment must include a good faith estimate of the value of the goods or services. The donee is not required to record or report this information to the IRS on behalf of a donor. The donor is responsible for requesting and obtaining the written acknowledgment from the donee. Although there is no prescribed format for the written acknowledgment, it must provide sufficient information to substantiate the amount of the contribution. For more information, see [Publication 1771](#).

The contemporaneous written acknowledgment may be contained in the same document as the written communication from the donee used to satisfy the new cash recordkeeping requirement, as long as it contains all information required by both the recordkeeping requirement and the contemporaneous written acknowledgment requirement.

For claimed contributions over \$5,000, generally a qualified appraisal prepared by a qualified appraiser must be obtained. For appraisals prepared in connection with returns or submissions filed after August 17, 2006, see [Notice 2006-96](#).

Household items and clothing contributed to charity after August 17, 2006 must be in at least good used condition to be deductible. This requirement does not apply to contributions of food, paintings, antiques, other art objects, jewelry and gems, or collections, and does not apply to a contribution of an item for which a deduction of more than \$500 is claimed if the taxpayer obtains a qualified appraisal of the item.

Exemption Requirements for 501(c)(3)

The following excerpts were downloaded from the IRS' website in June 2013. The information documented below is subject to change by the IRS. Therefore, for the most up-to date version of this information, please go to (it may be necessary to copy and paste this link into your Internet browser):

[http://www.irs.gov/Charities-&-Non-Profits/Charitable-Organizations/Exemption-Requirements-Section-501\(c\)\(3\)-Organizations](http://www.irs.gov/Charities-&-Non-Profits/Charitable-Organizations/Exemption-Requirements-Section-501(c)(3)-Organizations)

Exemption requirements: 501(c)(3) organizations

To be tax-exempt under section 501(c)(3) of the Internal Revenue Code, an organization must be [organized](#) and [operated](#) exclusively for [exempt purposes](#) set forth in section 501(c)(3), and none of its earnings may [inure](#) to any private shareholder or individual. In addition, it may not be an [action organization](#), i.e., it may not attempt to influence legislation as a substantial part of its activities and it may not participate in any campaign activity for or against political candidates.

Organizations described in section 501(c)(3) are commonly referred to as *charitable organizations*. Organizations described in section 501(c)(3), other than testing for public safety organizations, are eligible to receive tax-deductible [contributions](#) in accordance with Code section 170.

The organization must not be organized or operated for the benefit of [private interests](#), and no part of a section 501(c)(3) organization's net earnings may inure to the benefit of any private shareholder or individual. If the organization engages in an [excess benefit transaction](#) with a person having substantial influence over the organization, an [excise tax](#) may be imposed on the person and any organization managers agreeing to the transaction.

Section 501(c)(3) organizations are restricted in how much political and legislative (*lobbying*) activities they may conduct. For a detailed discussion, see [Political and Lobbying Activities](#). For more information about lobbying activities by charities, see the article [Lobbying Issues](#); for more information about political activities of charities, see the FY-2002 CPE topic [Election Year Issues](#).

A few definitions:

Organizational Test - Internal Revenue Code Section 501(c)(3)

To be organized exclusively for a charitable purpose, the organization must be a corporation (or unincorporated association), community chest, fund, or foundation. A charitable trust is a fund or foundation and will qualify. However, an individual will not qualify. The [organizing documents](#) must limit the organization's purposes to exempt purposes in section 501(c)(3) and must not expressly empower it to engage, other than as an insubstantial part of its activities, in activities that are not in furtherance of one or more of those purposes. This requirement may be met if the purposes stated in the organizing documents are limited by reference to section 501(c)(3).

In addition, an organization's assets must be permanently dedicated to an exempt purpose. This means that if an organization dissolves, its assets must be distributed for an exempt purpose, to the federal government, or to a state or local government for a public purpose. To establish that an organization's assets will be permanently dedicated to an exempt purpose, its organizing documents should contain a provision ensuring their distribution for an exempt purpose in the event of dissolution.

Exemption Requirements for 501(c)(3) (continued)

If a specific organization is designated to receive the organization's assets upon dissolution, the organizing document must state that the named organization must be a section 501(c)(3) organization when the assets are distributed. Although reliance may in some cases be placed upon state law to establish permanent dedication of assets for exempt purposes, an organization's application can be processed by the IRS more rapidly if its organizing documents include a provision ensuring permanent dedication of assets for exempt purposes. For examples of provisions that meet these requirements, see [Charity - Required Provisions for Organizing Documents](#).

Operational test - Internal Revenue Code section 501(c)(3)

An organization will be regarded as *operated exclusively* for one or more exempt purposes only if it engages primarily in activities that accomplish exempt purposes specified in section 501(c)(3). An organization will not be so regarded if more than an insubstantial part of its activities does not further an exempt purpose.

Inurement/Private Benefit - Charitable Organizations

A section 501(c)(3) organization must not be organized or operated for the benefit of private interests, such as the creator or the creator's family, shareholders of the organization, other designated individuals, or persons controlled directly or indirectly by such private interests. No part of the net earnings of a section 501(c)(3) organization may inure to the benefit of any private shareholder or individual. A private shareholder or individual is a person having a personal and private interest in the activities of the organization.

Intermediate sanctions - excess benefit transactions

An excess benefit transaction is a transaction in which an economic benefit is provided by an [applicable tax-exempt organization](#), directly or indirectly, to or for the use of a disqualified person, and the value of the economic benefit provided by the organization exceeds the value of the consideration received by the organization.

To determine if an excess benefit transaction occurred, include all consideration and benefits exchanged between or among the disqualified person and the applicable tax-exempt organization and all entities it controls.

In addition, if a [supporting organization](#) makes a grant, loan, payment of compensation, or similar payment to a substantial contributor of the organization, the arrangement is an excess benefit transaction. The entire amount of the payment is taxable as an excess benefit.

In an excess benefit transaction, the general rule for the valuation of property, including the right to use property, is fair market value. Fair market value is the price at which property, or the right to use property, would change hands between a willing buyer and a willing seller, neither being under any compulsion to buy, sell, or transfer property or the right to use property, and both having reasonable knowledge of all relevant facts.

An excess benefit can occur in an exchange of [compensation](#) and other compensatory benefits in return for the services of a disqualified person, or in an exchange of property between a disqualified person and the applicable tax-exempt organization.

Exemption Requirements for 501(c)(3) (continued)

Certain transactions to which [donor-advised funds](#) or [supporting organizations](#) are parties are excess benefit transactions.

Please see the following link for more details on excess benefit transactions:

Exempt Organizations - Required Filings

Although they are exempt from income taxation, exempt organizations are generally required to file [annual returns](#) of their income and expenses with the Internal Revenue Service. Beginning in 2008, small tax-exempt organizations that previously were not required to file returns because their gross receipts did not exceed a [certain threshold](#) may be required to file an annual [electronic notice](#). Some organizations, such as churches and certain church-affiliated organizations are [not required to file annual returns](#) or [notices](#).

If an organization has unrelated business income, it must file an [unrelated business income tax return](#). In addition to filing an annual exempt organization return, exempt organizations may be required to file other returns of and pay [employment taxes](#). Some organizations may be [required to file](#) certain returns [electronically](#).

In addition to required filings, a charity may have other [ongoing compliance](#) obligations.

Which forms do exempt organizations file?

[http://www.irs.gov/Charities-&-Non-Profits/Form-990-Series-Which-Forms-Do-Exempt-Organizations-File%3F-\(Filing-Phase-In\)](http://www.irs.gov/Charities-&-Non-Profits/Form-990-Series-Which-Forms-Do-Exempt-Organizations-File%3F-(Filing-Phase-In))

Most tax-exempt organizations are required to file an [annual return](#). Which form an organization must file [generally](#) depends on its financial activity, as indicated in the chart below.

2010 Tax Year and later (Filed in 2011 and later)	Form to File	Instructions
Gross receipts normally \leq \$50,000 Note: Organizations eligible to file the <i>e-Postcard</i> may choose to file a full return	990-N	n/a

If a due date falls on a Saturday, Sunday, or legal holiday, the due date is delayed until the next business day. The table above does not reflect the additional day.

NOTE: Instead of filing an annual return, certain small organizations file an annual [electronic notice](#).

Filing Requirements (continued)

Annual Electronic Filing Requirement for Small Exempt Organizations — Form 990-N (e-Postcard)

[http://www.irs.gov/Charities-&-Non-Profits/Annual-Electronic-Filing-Requirement-for-Small-Exempt-Organizations--Form-990-N-\(e-Postcard\)](http://www.irs.gov/Charities-&-Non-Profits/Annual-Electronic-Filing-Requirement-for-Small-Exempt-Organizations--Form-990-N-(e-Postcard))

Most small tax-exempt organizations whose annual [gross receipts](#) are [normally \\$50,000 or less](#) are required to electronically submit Form 990-N, also known as the *e-Postcard*, unless they choose to file a complete Form 990 or Form 990-EZ instead.

If you do not file your *e-Postcard* on time, the IRS will send you a reminder notice. There is no penalty assessment for late filing the *e-Postcard*, but an organization that fails to file required *e-Postcards* (or information returns – Forms 990 or 990-EZ) for three consecutive years will [automatically lose its tax-exempt status](#). The revocation of the organization's tax-exempt status will not take place until the filing due date of the third year.

Due Date of the e-Postcard

The *e-Postcard* is due every year by the 15th day of the 5th month after the close of your [tax year](#). For example, if your tax year ended on December 31, the *e-Postcard* is due May 15 of the following year. If the due date falls on a Saturday, Sunday, or legal holiday, the due date is the next business day. **You cannot file the e-Postcard until after your tax year ends.**

How to File

Use [this link](#) to file the *e-Postcard*. If you have trouble accessing the system using that link, you may be able to access the filing site directly by typing or pasting the following address into your Internet browser: <http://epostcard.form990.org>. When you access the system, you will leave the IRS site and file the *e-Postcard* with the IRS through our trusted partner, Urban Institute. The form must be completed and filed electronically. There is no paper form.

Information You Will Need to File the e-Postcard

The *e-Postcard* is easy to complete. All you need is [eight items of basic information](#) about your organization.

Who Must File

Most small tax-exempt organizations with gross receipts that are normally \$50,000 or less (\$25,000 for tax years ending on or after December 31, 2007 and before December 31, 2010) must file the *e-Postcard*. Exceptions to this requirement include:

- Organizations that are included in a [group return](#),
- [Churches](#), their integrated auxiliaries, and conventions or associations of churches, and
- [Organizations required to file a different return](#)

To search for organizations that have filed an *e-Postcard* and to view their filings, see [Exempt Organizations Select Check](#). You can also download the entire database of *e-Postcard* filings on that site.

Unrelated Business Income Tax – General Rules

The following excerpts were downloaded from the IRS' website in June 2013. The information documented below is subject to change by the IRS. Therefore, for the most up-to date version of this information, please go to (it may be necessary to copy and paste this link into your Internet browser):

<http://www.irs.gov/Charities-&-Non-Profits/Private-Foundations/Life-Cycle-of-a-Private-Foundation-Unrelated-Business-Income-Tax>

Life Cycle of a Private Foundation - Unrelated Business Income Tax

Even though an organization is recognized as tax exempt, [it still may be liable](#) for tax on its [unrelated business income](#). Unrelated business income is income from a trade or business, regularly carried on, that is not substantially related to the charitable, educational, or other purpose that is the basis of the organization's exemption. An exempt organization that has \$1,000 or more of gross income from an unrelated business must file [Form 990-T](#). See [Unrelated Business Income Tax Returns](#) and the [Form 990-T instructions](#) for more information about return filing.

The obligation to file Form 990-T is in addition to the obligation to file Form 990-N (the e-postcard) or the annual information return, Form 990, 990-EZ or 990-PF. Group or consolidated returns are generally not permitted. Title holding corporations and organizations receiving their earnings may file a consolidated return, however.

A few definitions:

Unrelated Business Income Defined (<http://www.irs.gov/Charities-&-Non-Profits/Unrelated-Business-Income-Defined>, the following definitions can be accessed at this link as well))

For [most organizations](#), an activity is an unrelated business (and subject to unrelated business income tax) if it meets three requirements:

1. It is a [trade or business](#),
2. It is [regularly carried on](#), and
3. It is [not substantially related](#) to furthering the exempt purpose of the organization.

There are, however, a number of [modifications, exclusions, and exceptions](#) to the general definition of unrelated business income.

"Regularly Carried On"

Business activities of an exempt organization ordinarily are considered *regularly carried on* if they show a frequency and continuity, and are pursued in a manner similar to, comparable commercial activities of nonexempt organizations.

"Trade or Business" Defined

The term *trade or business* generally includes any activity carried on for the production of income from selling goods or performing services. It is not limited to integrated aggregates of assets, activities, and goodwill that comprise businesses for purposes of certain other provisions of the Internal Revenue Code.

Unrelated Business Income Tax – General Rules (continued)

Activities of producing or distributing goods or performing services from which gross income is derived do not lose their identity as trades or businesses merely because they are carried on within a larger framework of other activities that may, or may not, be related to the organization's exempt purposes.

"Substantially related"

To determine if a business activity is *substantially related* requires examining the relationship between the activities that generate income and the accomplishment of the organization's exempt purpose. Trade or business is related to exempt purposes, in the statutory sense, only when the conduct of the business activities has causal relationship to achieving exempt purposes (other than through the production of income). The causal relationship must be substantial. The activities that generate the income must contribute importantly to accomplishing the organization's exempt purposes to be substantially related

Tax-Exempt Application Tips

The following excerpts were downloaded from the IRS' website in June 2013. The information documented below is subject to change by the IRS. Therefore, for the most up-to date version of this information, please go to (it may be necessary to copy and paste this link into your Internet browser):

Top Ten Tips to shorten the tax-exempt application process

Following these simple tips can save time and effort

10. Provide the required information on the principal officers and board of directors. List the following information for the principal officers and board of directors:

a) Names; b) Mailing addresses; c) Titles and Positions; d) Annual compensation

9. Ensure a director, trustee, principal officer or other authorized individual signs the Form 1023. Generally, a principal officer is the president, vice president, secretary or treasurer. The person signing the application must indicate his or her title or other authority to sign. A taxpayer's representative may not sign the application. An original signature is required. Neither a stamped signature nor a faxed signature is permitted.

8. Don't forget to submit a copy of adopted by-laws, code of regulations or any other document that sets out the organization's rules of operation, but only if adopted.

7. Include all of the necessary financial data. See the [instructions to Form 1023](#) to determine how much information you need to provide, based on how long your organization has existed.

6. Include the month the organization's annual accounting period ends. The accounting period ending date on the application should match the date stated in your by-laws, on financial statements, and on any prior returns filed.

5. Attach all required schedules. Some lines require supporting schedules. Check all line items on financial statements.

4. Complete all required pages. The information contained on each page and schedule of Form 1023 and Form 1024 is necessary for the IRS to make a determination about your tax-exempt status. Form 1023 has various schedules and pages that must be filled out for churches, schools, hospitals, scholarships, supporting organizations and certain other organizations.

3. Provide enough information about the organization's activities to show us how it will achieve the exempt purpose. Please don't restate the purpose. Explain the specific activities that will achieve that purpose. Consider a "who, what, when, where, why and how" approach. Explain past, present, and planned activities. If you haven't started activity yet, develop plans that provide a clear understanding of how your organization will operate. It is not necessary to describe activities that are speculative at this time.

Tax-Exempt Application Tips (continued)

2. Attach a complete copy of the organizing document and all amendments. If the applicant is a corporation, include a complete copy of the articles of incorporation that shows it has been filed with and approved by the state. If the applicant is not incorporated, include a similar organizing document such as a constitution, articles of association, or by-laws. At a minimum, it should state the legal name, the purposes and the date of adoption. At least two members of the organization should sign the document. A trust document must be signed by the trustees and show the date of formation. For section 501(c)(3) applicants, the organizing document must comply with the [organizational test](#) for exemption.

1. The **Number 1** tip to reduce delays in processing exempt organization applications is . . .

INCLUDE THE CORRECT USER FEE!

Ensure the application includes a check or money order made payable to the United States Treasury for the appropriate [user fee](#).

Following these ten tips can help shorten the time it takes to process an application for tax-exempt status. A correctly completed application, sent with all required documents and schedules has a good chance of being accepted with no further contact. If contact is necessary, the IRS agent can address the technical issues that need resolution without taking up time to get a completed application.

If you are a private foundation, Part X is designed to further determine whether you are a **private operating foundation**. (See instructions.)

- 1a** Are you a private foundation? If "Yes," go to line 1b. If "No," go to line 5 and proceed as instructed. If you are unsure, see the instructions. Yes No
- b** As a private foundation, section 508(e) requires special provisions in your organizing document in addition to those that apply to all organizations described in section 501(c)(3). Check the box to confirm that your organizing document meets this requirement, whether by express provision or by reliance on operation of state law. Attach a statement that describes specifically where your organizing document meets this requirement, such as a reference to a particular article or section in your organizing document or by operation of state law. See the instructions, including Appendix B, for information about the special provisions that need to be contained in your organizing document. Go to line 2.
- 2** Are you a private operating foundation? To be a private operating foundation you must engage directly in the active conduct of charitable, religious, educational, and similar activities, as opposed to indirectly carrying out these activities by providing grants to individuals or other organizations. If "Yes," go to line 3. If "No," go to the signature section of Part XI. Yes No
- 3** Have you existed for one or more years? If "Yes," attach financial information showing that you are a private operating foundation; go to the signature section of Part XI. If "No," continue to line 4. Yes No
- 4** Have you attached either (1) an affidavit or opinion of counsel, (including a written affidavit or opinion from a certified public accountant or accounting firm with expertise regarding this tax law matter), that sets forth facts concerning your operations and support to demonstrate that you are likely to satisfy the requirements to be classified as a private operating foundation; or (2) a statement describing your proposed operations as a private operating foundation? Yes No
- 5** If you answered "No" to line 1a, indicate the type of public charity status you are requesting by checking one of the choices below. You may check only one box.

6 If you checked box g, h, or i in question 5 above, you must request either an **advance** or a **definitive ruling** by selecting one of the boxes below. Refer to the instructions to determine which type of ruling you are eligible to receive.

- a **Request for Advance Ruling:** By checking this box and signing the consent, pursuant to section 6501(c)(4) of the Code you request an advance ruling and agree to extend the statute of limitations on the assessment of excise tax under section 4940 of the Code. The tax will apply only if you do not establish public support status at the end of the 5-year advance ruling period. The assessment period will be extended for the 5 advance ruling years to 8 years, 4 months, and 15 days beyond the end of the first year. You have the right to refuse or limit the extension to a mutually agreed-upon period of time or issue(s). Publication 1035, *Extending the Tax Assessment Period*, provides a more detailed explanation of your rights and the consequences of the choices you make. You may obtain Publication 1035 free of charge from the IRS web site at www.irs.gov or by calling toll-free 1-800-829-3676. Accounting Period Ending:

Foundation Status Classification:
509(a)(2)

Dear Applicant:

Based on information you supplied, and assuming your operations will be as stated in your application for recognition of exemption, we have determined you are exempt from federal income tax under section 501(a) of the Internal Revenue Code as an organization described in section 501(c)(3).

Because you are a newly created organization, we are not now making a final determination of your foundation status under section 509(a) of the Code. However, we have determined that you can reasonably expect to be a publicly supported organization described in section 509(a)(2).

Accordingly, during an advance ruling period you will be treated as a publicly supported organization, and not as a private foundation. This advance ruling period begins and ends on the dates shown above.

Within 90 days after the end of your advance ruling period, you must send us the information needed to determine whether you have met the requirements of the applicable support test during the advance ruling period. If you establish that you have been a publicly supported organization, we will classify you as a section 509(a)(1) or 509(a)(2) organization as long as you continue to meet the requirements of the applicable support test. If you do not meet the public support requirements during the advance ruling period, we will classify you as a private foundation for future periods. Also, if we classify you as a private foundation, we will treat you as a private foundation from your beginning date for purposes of section 507(d) and 4940.

Grantors and contributors may rely on our determination that you are not a private foundation until 90 days after the end of your advance ruling period. If you send us the required information within the 90 days, grantors and contributors may continue to rely on the advance determination until we make a final determination of your foundation status.

Letter 1045 (DO/CG)

If we publish a notice in the Internal Revenue Bulletin stating that we will no longer treat you as a publicly supported organization, grantors and contributors may not rely on this determination after the date we publish the notice. In addition, if you lose your status as a publicly supported organization, and a grantor or contributor was responsible for, or was aware of, the act or failure to act, that resulted in your loss of such status, that person may not rely on this determination from the date of the act or failure to act. Also, if a grantor or contributor learned that we had given notice that you would be removed from classification as a publicly supported organization, then that person may not rely on this determination as of the date he or she acquired such knowledge.

If you change your sources of support, your purposes, character, or method of operation, please let us know so we can consider the effect of the change on your exempt status and foundation status. If you amend your organizational document or bylaws, please send us a copy of the amended document or bylaws. Also, let us know all changes in your name or address.

As of January 1, 1984, you are liable for social security taxes under the Federal Insurance Contributions Act on amounts of \$100 or more you pay to each of your employees during a calendar year. You are not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the private foundation excise taxes under Chapter 42 of the Internal Revenue Code. However, you are not automatically exempt from other federal excise taxes. If you have any questions about excise, employment, or other federal taxes, please let us know.

Donors may deduct contributions to you as provided in section 170 of the Internal Revenue Code. Bequests, legacies, devises, transfers, or gifts to you or for your use are deductible for Federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Donors may deduct contributions to you only to the extent that their contributions are gifts, with no consideration received. Ticket purchases and similar payments in conjunction with fundraising events may not necessarily qualify as deductible contributions, depending on the circumstances. Revenue Ruling 67-246, published in Cumulative Bulletin 1967-2, on page 104, gives guidelines regarding when taxpayers may deduct payments for admission to, or other participation in, fundraising activities for charity.

You are not required to file Form 990, Return of Organization Exempt From Income Tax, if your gross receipts each year are normally \$25,000 or less. If you receive a Form 990 package in the mail, simply attach the label provided, check the box in the heading to indicate that your annual gross receipts are normally \$25,000 or less, and sign the return. Because you will be treated as a public charity for return filing purposes during your entire advance ruling period, you should file Form 990 for each year in your advance ruling period that you exceed the \$25,000 filing threshold even if your sources of support do not satisfy the public support test specified in the heading of this letter.

Letter 1045
(DO/CG)

If a return is required, it must be filed by the 15th day of the fifth month after the end of your annual accounting period. A penalty of \$20 a day is charged when a return is filed late, unless there is reasonable cause for the delay. However, the maximum penalty charged cannot exceed \$10,000 or 5 percent of your gross receipts for the year, whichever is less. For organizations with gross receipts exceeding \$1,000,000 in any year, the penalty is \$100 per day per return, unless there is reasonable cause for the delay. The maximum penalty for an organization with gross receipts exceeding \$1,000,000 shall not exceed \$50,000. This penalty may also be charged if a return is not complete. So, please be sure your return is complete before you file it.

You are not required to file federal income tax returns unless you are subject to the tax on unrelated business income under section 511 of the Code. If you are subject to this tax, you must file an income tax return on Form 990-T, Exempt Organization Business Income Tax Return. In this letter we are not determining whether any of your present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

You are required to make your annual return available for public inspection for three years after the return is due. You are also required to make available a copy of your exemption application, any supporting documents, and this exemption letter. Failure to make these documents available for public inspection may subject you to a penalty of \$20 per day for each day there is a failure to comply (up to a maximum of \$10,000 in the case of an annual return).

You need an employer identification number even if you have no employees. If an employer identification number was not entered on your application, we will assign a number to you and advise you of it. Please use that number on all returns you file and in all correspondence with the Internal Revenue Service.

If you distribute funds to individuals, you should keep case histories showing the recipients names, addresses, purposes of awards, manner of selection, and relationship (if any) to members, officers, trustees or donors of funds to you, so that you can substantiate upon request by the Internal Revenue Service any and all distributions you made to individuals. (Revenue Ruling 56-304, C.E. 1956-2, page 306.)

If we said in the heading of this letter that an addendum applies, the addendum enclosed is an integral part of this letter.

Because this letter could help us resolve any questions about your exempt status and foundation status, you should keep it in your permanent records.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Sincerely yours,

Enclosure(s):
