IMPORTANT DATES

- 10/09/23 - Print Shop **CLOSED** - Holiday
- You will be experiencing longer wait times for print orders due to all the Back-to-School Print Orders currently in our system.

NOTICES

- Please call or email dlprintservices@fortbendisd.com for projects due within 10 business days.
- Currently under a "No Rush" window thru 10/09/23. All print jobs will be printed in the order received to be fair to all and at our discretion to keep the workflow moving.
- Print orders can be placed at any time; however, coil books require a significant amount of handwork. Please plan your coil book print projects a minimum of 10 business days out.
- If you have time sensitive print items, please email the Print Shop at dlprintservices@fortbendisd.com to see if we can accommodate your print project timeline. **Print projects due in 1-3 business days will incur RUSH CHARGES.**

Ready to Order?

- New Order>Printing Order
- Select category that most closely resembles what you wish to order.
- Select finish size of your project. If size is not listed, select closest finish size (trim size) of your project. Type desired trim size in the special instructions within the order.
- Type any pertinent information in the special instructions, including “drop dead” due date.
- Upload your print ready PDF

Canva Projects

- To send us your Canva Project, please output a Hi-Res Print Ready PDF.
- Canva Instructions link is listed at the bottom of our Print Shop Home Page.
- The screen shots will show you how to output a Print Ready PDF with Crop Marks if your project has Bleeds.
 - [Canva Instructions](#)

Files

- Create document size to match your desired trim size.
- Leave as 1up document. Do not try to lay out multiple up on the sheet
- PDF format is preferred.
- 1/8 inch bleed standard
- Leave ¼ inch minimum margin if page does NOT need bleed.

Approvals

- Our system emails will come from *DoNotReplyPrintShop@webdeskprint.com*. You can “reply all” to these emails.
- Many print projects are delayed because we are waiting for responses to emails or proof approval requests. Please check your “Junk Folder”.

Communicating w/Print Shop

dlprintservices@fortbendisd.com

This email is a distribution list and it sends to all 3 of us:

Juan Barrera (Print Shop Coordinator)

Melissa Borecky (Administrative Assistant)

Ray Perez (Graphic Designer)

Use this email for **ALL** communication relating to your print project(s). We all work on print projects. Reference job number on **ALL** emails.

Ordering a “Rush Project”

- Time sensitive print items need Print Shop confirmation/ don't rely on default date. If something is urgent call us--we may not look at your order for days
(as we have all campuses entering orders and there are only 3 of us looking at orders)
- We are experiencing longer delivery dates due to an influx of last-minute rush orders.

Contact Us

- Email us at
