About Collaborative Communities

Primary Goal: Build connections across the community by forming **mutually beneficial** partnerships and collaborations that provide enrichment and support to our students.

Small team. Big vision.

What We Do

KEY PRIORITIES FRAMEWORK:

Additional prioritization included partnerships that were focused on building community connections to enhance support for students, staff, and families and are further described in the report.

What You Need to Know

- **Background Checks**

- Safety is a priority; needs to be completed annually after July 1

- **Campus Partner Liaison Reports**

- Connect with the CPL on your campus and ensure they are in the know about your donations to the school

- **Volunteer Hours**

- Contact with your VIPS Campus Coordinator to track and report off-campus volunteer hours

District Engagement

- **Shared Dreams Program**
 - Give back to your school district and get involved in a valuable District program
- **Mentoring**
 - Become a mentor or help start mentoring at your campus with our department support
- **Central Application Platform**
 - Allows community members to submit their interest in participating in District stakeholder groups
- **Career Day Speaker/Event Judge**
 - Allows community to submit their interest in being guest speaker/judge, database is then provided to campuses
- **Faith Network**
 - Brings together diverse faith groups to come alongside the District and partner; share information with your faith house to get involved!
