

# COME FALL IN LOVE WITH FORT BEND ISD!

FBISD has exciting opportunities for the 2021–22 school year. If you have a passion for students and are interested in serving in the areas below, make plans to attend.

**CTE—Tuesday, February 9, 2021**

**Special Education—Wednesday, February 10, 2021**

**Early Literacy Center—Thursday, February 11, 2021**

**All events will be held virtually from 4:30 – 6:00 p.m.**

## CAREER & TECHNICAL EDUCATION

The state-of-the-art James Reese Career and Technical Center opened in 2019 and serves approximately 2,000 students daily from all 11 of the District's high schools. Business partnerships allow students to benefit from real-world experiences, and students have the opportunity to earn dual credit and industry certifications.

Teaching opportunities include: Health Science, Automotive Technology, Diesel Mechanics, Culinary Arts, Hospitality and Tourism, Cyber Security, Firefighting, Welding, HVAC and many more!

## SPECIAL EDUCATION

FBISD is committed to meeting the needs of all its students and has identified the need for additional staff to serve its special education population.

Open positions include, but are not limited to, Licensed Specialists in School Psychology (LSSPs), Diagnosticians, Special Education Teachers, and Special Education Paraprofessionals. The FBISD Special Education department offers unique training and support to its staff members. Staff will be on site to answer questions regarding specialized assignments, certification requirements, and share why we love FBISD!

## EARLY LITERACY CENTERS

FBISD believes literacy is the foundation for learning and is accomplished through a community of learners who engage in authentic reading, writing, speaking, and listening experiences.

The Early Literacy Centers empower all students with the critical literacy skills necessary for success in school and beyond. FBISD established the Early Literacy Centers to equip all students with grade-level reading skills by the end of first grade.
