

Fort Bend ISD looks forward to honoring the accomplishments of our graduates each year, as this celebration culminates everything we do to develop students in accordance with the FBISD Profile of a Graduate.

Following revisions to the District's policy related to commencement exercises ([Student Commencement Handbook](#)), and beginning with the Class of 2021, FBISD will expand the opportunity for speaking roles at commencement ceremonies in order to highlight graduates who exhibit and exemplify the FBISD Profile of a Graduate. Below you will find the steps and timeline for selecting graduation student speakers.

Beginning with the Class of 2021, any graduating senior will have the opportunity to apply to address graduates and guests in graduating speaking roles, as long as they:

- Meet all the requirements to graduate and participate in commencement exercises;
- Have no discipline infractions that are associated with academic dishonesty or have resulted in ISS, OSS, or DAEP placement during the school year preceding graduation, and;
- Are a designated Honor Graduate (see EIC Local) or hold a position of leadership on campus.

Steps for Speaker Selection Process – see [Student Commencement Handbook](#) for more details and rubrics
