

RAINY DAY

Dismissal Procedures

If your child is a Red or Silver walker, he/she will either become a car rider and wait for you in our Parent Drive line OR walk home in the rain and meet you in the regular pick-up locations.

You should have previously communicated with your child's teacher about whether your child will either become a car rider or continue to walk home.

We ask that all Red and Silver walker parents meet their child in the regular pick-up locations for a less chaotic pick-up. When parents converged onto campus, it is very difficult for our staff to see student movement. Your child's safety is our priority.
